

We have been so impressed with the incredible learning behaviour being displayed in every class across the school. Our children are showing such determination and passion towards their work which is a real joy to see. The summer term is a time when we see all our children's hard work coming to fruition. We have been so impressed with the progress they have made and how hard they continue to work. The summer term is always my favourite time of year in school and jam packed with all the activities that make it such a joy to be part of such a wonderful primary school community.

Top story this week

Our year 3 and 4 children have had the most magical adventures over the last two weeks in Bristol and Oxford, the joy on their faces in the photographs says it all. Both year groups had two jam-packed days filled with fun, laughter, and incredible experiences that they will cherish for the rest of their lives. Highlights included visiting Oxford University, watching a ballet performance, punting down the river, the magical storybook museum and so much more. We will be inviting our families into school so that each year group can share their adventures & special memories of their time through stories, photographs and amusing tales. There will be more details to follow for our residential visits 'show & tell' events next week.

Once again, I know that you will join us in saying a huge thank you to all the adults who worked so hard to ensure that our children had the chance to be part of such wonderful residential experiences. An extra special thank you to the members of the team and parents who gave freely of their time (and sleep) to support our children during their time away.

Finally, we want to give a big shout out to our wonderful year 6 children who are currently working their socks off. It is an absolute pleasure to watch them blossom into such wonderful ambassadors for Beacon as well as displaying such incredible learning behaviour this year. We are so very proud of them.

Wishing you all a very special long weekend. Let's hope we are blessed with some sunshine.

EYFS 'Highlight of the Week'

Nursery

What fabulous counters we have in nursery! We have been counting out the correct numbers of seeds so that the number of seeds match the numeral on the plant pot. We carefully placed one seed at a time in the pot, saying the numbers in the right order and when we got to the right number we stopped adding seeds. Sometimes we counted too fast and had to start again because we added too many seeds!

Reception

This week in Reception we have been working super hard (as always!). In Maths, we have been exploring numbers beyond 20. We have been busy ordering numbers by thinking about what numbers come before and after and also identifying missing numbers in a number line. Outside we have consolidated our previous learning by planting teen numbers and exploring number bonds to 10.

KS1 'Highlight of the Week'

Year 1

Year 1 have really enjoyed learning about the Jewish celebration of Shabbat. They were able to try some Challah bread and drink juice from a kiddush cup. They learnt what life would be like for Jewish child at this time and why it is important and special. We ended the week by writing and sharing our own blessings about what we are thankful for and how we would like others to be safe and enjoy these things too.

Year 2

On Tuesday Year 2 had fun enjoying a well-earned class treat making stress balls where we also said goodbye to Mrs Robson. This was a big change for us and alongside this in our PSHE we have been learning about how to be positive about different changes in our lives. The children have learned about what changes could happen, emotions we can feel during change, parts of our body which can change as we grow and how we feel about getting older.

Lower KS2 'Highlight of the Week'

Year 3

What fabulous scientists we have in year 3; we have worked brilliantly observing how magnetism can assert a force through many materials and made our own fridge magnets; we even magnetized some pins and made our own compasses.

As writers, we have written our own prequels to Romeo and Juliet. In Math's, the children have worked carefully to compare fractions.

Year 4

Wow! What an incredible trip to Oxford we had! The children had a fantastic time exploring the museums, participating in workshops, looking through the storybook museum, laser Kombat, bowling and breaking out of escape rooms! We had lots of members of the public compliment the group on their exceptional behavior too. We can't wait to use everything we learnt on the trip to help us with our learning over the next few weeks.

Upper KS2 'Highlight of the Week'

Year 5

This week, the children have thoroughly enjoyed preparing for sports day. We have been enhancing our ability to throw and increasing our speed during the relay race. We can't wait for the actual day now!

During art lessons, we have been learning about positive and negative space and studying the work of Barbara Hepworth. On Tuesday, we will be bringing our designs to life by making our very own sculptures!

Have a bank holiday great weekend.

Year 6

This week, children have continued to impress with their hard work and diligence in preparation for their SATs: Mrs Haywood was full of compliments for the whole year group today in light of this.

In maths, children have excelled in statistics revision; in grammar, children have shone when going back through formality and the use of apostrophes; and in reading they have done amazingly well in the different fiction texts we have covered.

Have a lovely, long weekend and enjoy the sunshine (fingers-crossed).

ARB

We have been busy this week carrying on with activities for our topics of 'Myths and legends of Cornwall' and 'Under the sea'. We'd also like to say a massive thank you to the Widow's son's biker group for their kind donation of Easter eggs.

Shine

We have enjoyed lots of learning this week! We did some spring yoga for PE and made some bird feeders for the nurture area. We enjoyed shopping and bought ingredients for banana muffins which we enjoyed with a story for snack. We also made a farm for art this week where we talked about different dimensions and created different farmyard objects whilst junk modelling. We have also loved learning about fractions!

ABSENCE = LOST OPPORTUNITY

Did You Know... ?

If Your Child's Attendance During the School Year...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...
was 95%	9 Days from School	50 Lessons
was 90%	19 Days from School	100 Lessons
was 85%	29 Days from School	150 Lessons
was 80%	38 Days from School	200 Lessons
was 75%	48 Days from School	250 Lessons

Getting Your Child to School Really Matters

In total there are 175 non-school days a year. This gives families the opportunity to:

- Spend time together
 - Go on family visits and days out
 - Go on holiday
 - Go shopping
 - Attend routine appointments.
- Holidays will not be authorised.

Taking a holiday during term time seriously affects your attendance and in turn your attainment. Booking holidays during term time may result in a fixed penalty notice.

As always, if you have any questions or if you need some support with your child's attendance, please contact our Attendance Officer Helen Sowden

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

What Parents & Educators Can Learn from the OFCOM MEDIA REPORT 2024

Each year, Ofcom – the UK’s regulatory body for communications – produces an overview of children and parents’ media experiences over the course of the previous year. At the time of writing, the latest of these reports, ‘Children and parents: media use and attitudes 2024’ has just been published, and we’ve plucked out some of its most thought-provoking findings regarding online safety.

Keeping children safe online

A Parent's Guide to Safety and Privacy Settings

Scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

When you give a child access to the Internet, you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
