Top story this week λ

This week we have held our **Beacon Science Week** in school. Our children have been super scientists, with the week concluding with a fun whole school science experiment taking place this afternoon.

Our year 4 children resumed their **sailing sessions** this week and once again had a magical time sailing on the Fowey Estuary. We also welcomed our new preschool and nursery children and their families to Beacon this week. In addition, it was wonderful to meet **our new reception families and children** to our family meeting last week. We look forward to getting to know our new children well over the coming week and can't wait for them to start their school journey with us in September.

Next week we are holding our information meetings after school for year groups 2, 3, 4 and 5. This is an opportunity for you to find out all about our **Growth Mindset transition weeks**, **camp** and of course the infamous **Beacon Fest**! You will have received more details and the opportunity to sign up today.

Finally, congratulations to our rounders team for putting in a sterling performance at the inter-school competition this week. And a tremendous round of applause to our Biking Team who were crowned **County Champions** at the Cornwall School Games. They were truly outstanding in every way and we couldn't be prouder. Go team Beacon!

Wishing you a wonderful weekend.

Kaye

We have had another wonderful and busy week as we quickly gallop towards the end of the academic year.

Last week we celebrated our Healthy Lifestyle week across the school, which of course included all our **legendary sports days**. The sun was certainly shining down on our children and their incredible performances. The Beacon atmosphere was electric as our children cheered on their friends and their house teams. Our children fiercely competed against each other on the track, with everyone showing exceptional sportsmanship while demonstrating our school values **Bebrave, Bebrilliant and Believe**!

Our year 6 children also displayed exceptional entrepreneurial skills with their £20 challenge, raising at staggering **£507.90** for Children's Hospice Southwest. Well done year 6!

KS2 and ARB

*	Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	Maths Fun! Let's learn all about time!	Writing: Espace from Pompei	Design Techology – Let's learn all about Pneumatic systems!	Funky French and PE!	Drop Everything and Read!
Year 4	A brand new T4W Unit: <i>What could it be</i> ?	PE More amazing athletics	Marvellous Maths What are we learning today?	Funky French Thursdays and Beacon Visits	Drop Everything and Read
Year 5	Computing	Music Technology	Math	PE Trainers!	Drop Everything and Read QUIZ
Year 6	Transition Day Bodmin College Wadebridge College	Amazing Art: Created our clay sculptures	PE – Please don't forget your kits!	Beacon Visits and Funky French Thursday	Drop Everything and Read
Cosmonauts	PSHE Teamwork – building boats for bears	Amazing Art Decorating cress pots	Sensational Science Planting cress seeds	Outdoor learning Bear hunt sensory walk	Computing

EYFS 'Highlight of the Week'

<u>Nursery</u>

Last week in nursery we have continued with our story 'The Very Hungry Caterpillar'. We have been developing our fine motors skills through drawing and painting to create beautiful butterflies.

<u>Pre-School</u>

What a fabulous week Preschool had last week celebrating healthy living week. The children had an incredible sports day, working together in the team games. We ended our week coming into school dressed in our sports clothes.

Reception

Last week in Reception we continued to immerse ourselves in our story 'Handa's Surprise'. We learnt about the setting of the story and looked at similarities and differences of our lives to Handa and Akeyo's.

We were also fantastic design technologists and made our own fruit baskets by weaving card.

Another wonderful week with lots of amazing learning!

EYFS 'Highlight of the Week'

<u>Nursery</u>

This week in nursery we have introduced our new story 'Supertato'. We have been developing our fine motor skills using playdough to create our own 'Evil pea'.

Pre-School

This week we have been enjoying the story 'Farmer Duck'. We have been developing our scissor skills by cutting farm animals and creating our own farm picture.

Reception

This week in Reception we have been busy innovating. We have created our own innovated story maps with various vegetables instead of fruit and farm animals instead of African animals. We have been using play dough to make the vegetables and made split pin characters. We are now starting to write our innovated versions. We are amazing writers who are ready for Year 1!

BeBrillian

KS1 'Highlight of the Week'

<u>Year 1</u>

We are so proud of the fantastic sportsmanship we witnessed at our sports day. Year 1 you gave so much enthusiasm and encouragement throughout the afternoon; we are so proud of you all. As part of Healthy living week, the children learnt how to help someone if they had an asthma attack, they were all so sensible and wanted to make sure they knew the correct steps to help a friend or parent.

<u>Year 2</u>

Year 2 were terrific in their sports day last week, showing both great team and individual efforts as they competed. Additionally, as part of our healthy living week, we learnt some healthy recipes to help keep our bodies in tip top shape. We learnt basic first aid about how to treat a burn, and finally we learnt about the importance of taking care of our mental health alongside our physical health.

BeBrilliant

KS1 'Highlight of the Week'

<u>Year 1</u>

Year 1 have had a busy week learning how to compose a song with percussion and body percussion. Yesterday we wrote and composed our own music to a story. We enhanced the story by deciding whether we would need a fast or slow tempo, a high or low pitch and what instruments or body percussion would work best.

<u>Year 2</u>

Year 2 have had a fun week of learning. We have been focusing on the religion of Islam for R.E. this week, learning who the prophet Mohammed is, and why he is important to people of the Muslim faith. We have finished another action-packed Maths unit, and Year 2 have really impressed us all with their knowledge of telling the time. To top it all off we've had a smashing science experiment too!

Believe 🛱

Lower KS2 'Highlight of the Week'

Year 3

What an amazing healthy living week for Year 3! Last week we learnt all about being healthy across all areas of our curriculum. In our latest PSHE Unit - 'Healthy Me' we learnt about being safe and talked about what emergency services are there to help us and how they help us. Furthermore, in first aid we learnt how we can help people who have suffered injuries in which they are bleeding a lot and looked at who we can contact for more support/help. Finally, last Wednesday we had our KS2 Sports Day where all the children got involved and completed in a range of different sporting events to collect points for their house teams. Amazing work Year 3! Brilliant sportsmanship and enthusiasm for learning! Keep Shining Brightly!

<u>Year 4</u>

BeBrilliant

What a brilliant week we had together: children amazed us with their knowledge of how to stay healthy in PSHE last week; they excelled at Sports Day on Wednesday; they really were a credit to themselves and the school; they also produced some amazing innovations this in their writing linked to Hamlet; and who can forget our ukulele lessons on the Monday afternoon.

Thank you, Year 4 for everything you continue to do. You have made so much progress this year and we are all ridiculously proud of you. Thank you for shining brightly.

Lower KS2 'Highlight of the Week'

Year 3

What an amazing week Year 3 have had! We have been learning all about simulations how they work in our latest computing unit. Furthermore, we also continued learning about sprinting following on from sports day. We are working on starting low and pushing forward to become as fast as we can in the 60m sprint. Finally, to end the week, we joined in the rest of the school in a science experiment. In Year 3 we answered the question 'Which paper spinner spins the most times?' Each group of children came up with their own conclusion to what length arms kept the spinners for the longest time following the experiment. The children had brilliant fun building and experimenting in science! Well done Year 3! Keep shining Brightly!

Year 4

BeBrilliant

What a fantastic week Year 4 – you continue to amaze, and we are all so sad that we only have two full weeks left together.

This week, children all continue to set an amazing example with the work they complete, they have produced their own tale of fear in writing; they have begun to explore sonnets in reading; they showed great understanding in our RE unit; and also, all were brilliant scientists in our whole school investigation this morning.

Thank you Year 4 – make sure you get some rest this weekend.

Upper KS2 'Highlight of the Week'

<u>Year 5</u>

WOW year 5! What a lovely sunny week we had for Healthy Living Week. Last Monday we started with Sports Day practise ready for the real deal on the Wednesday, everyone competed and showed incredible sportsmanship.
We also finished our Measure Math unit and our TfW unit – a character flaw tale and now ready to start our final units of Year 5.

Keep Being Brilliant.

<u>Year 6</u>

What fantastic weather we had last week in school. Children coped amazingly and continued to shine brightly: there was nothing but compliments for those children who supported with the running of Nursery and Key Stage 1 Sports Day; the £5 Challenge on the Thursday was brilliant with children raising over £200 for Little Harbour; Wednesday afternoon saw Year 6 take part in their last Sports Day here at Beacon and they certainly all strived for excellence; and every child became a First Aider, knowing now how to conduct a primary assessment and put children into the recovery position. Well done Year 6!

BeBrilliant

Upper KS2 'Highlight of the Week'

<u>Year 5</u>

What an incredible week we have had here in Year 5. You are all amazing. This week, Year 5 have learnt all about mechanisms, we have been able to make incredible moving toys, showing scientific skills as well as teamwork – these were so cool to construct and play with.

We have ended the week doing our whole class science experiment, we were investigating if the size of a parachute affects the length of time to fall to the ground. Can you remember the results?

<u>Year 6</u>

First and foremost, we wish all the children who are heading off to their transition days at secondary school the best of luck for next week – they are all amazing and just need to continue shining brightly.
This week, children have learnt all about what life was like before and after the Civil Rights Act, alongside beginning to explore their next art unit linked to sculpture and the use of clay. Alongside this, all children in Year 6 have begun practising their end-of-year production and they sound amazing. Both songs (not giving anything away) sound beautiful and all staff that have heard have been full of compliments.
Well done Year 6 – only two weeks left together.

BeBrilliant

Cosmonauts 'Highlight of the Week'

Cosmonauts had a great week celebrating 'Healthy Wifestyle week'. We practised first aid on our dolls and teddies, made our own first aid kits and played first aid charades. We also finished the week with our exciting parent and child games and picnic morning. As well as all this we all worked hard on our phonics activities.

finished

ALTERNATIVE 2: RAPID MOVEMENT

BeBrilliant

Cosmonauts 'Highlight of the Week' X

We have had a great week this week - thinking about how to be kind friends, making flowers out of playdough, looking at flowers and labelling their different parts, completing a bear hunt sensory walk and making bear caves in cooking.

Attendance Information

How is a Penalty Notice paid?

Penalty notices can be paid by card by calling the office on 01872 324201. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/ 28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine. If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/ or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

BeBrilliant

Attendance Information

What is a Penalty Notice?

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week* period, whereby a child arrives at school after the registers have closed.

NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.
- * a school week is any week in which a school meets at least once.

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 324298**, or email **educationwelfare@cornwall.gov.uk**

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

<u>A Polite Request.</u>

If you need to get a message to your child during the school day, please call the main office before <u>2:30pm</u> to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.

End of day pickups We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.
