

Top story this week

What a wonderful week it has been here at Beacon. The school has been buzzing with energy and determination.

Our Year 6 pupils have shown extraordinary resilience as they completed their end of Key Stage 2 assessments. We could not be prouder of each and every one of them. Their focus, their courage, and even the moments of genuine enjoyment they found along the way have been inspiring. They have been amazing!

To celebrate their hard work, not just this week, but throughout their entire journey at Beacon the Year 6 children enjoyed a very special screening at the cinema today. Time for them to finally relax, laugh and simply enjoy being together and they deserved every moment.

It was also lovely to see such a strong turnout at our Year 3 City Adventure meeting hearing all about the exciting experiences awaiting the children in Bristol. It is going to be incredible.

A massive well done and special thanks to our incredible families who took part in the Ten Tors challenge. Together they raised an amazing £400 for our children. What an achievement, you really are remarkable.

We were also delighted to welcome Ben Maguire, our local Member of Parliament, to Beacon today. He spent the morning touring the school, speaking with staff and meeting our School Council. He was genuinely blown away by our school community and spoke incredibly highly of everything he saw from the calm, purposeful learning environment to the warmth and enthusiasm of our children. Our School Councillors were outstanding. They asked thoughtful, confident questions and thoroughly enjoyed the opportunity to share their ideas and represented our school beautifully.

Looking ahead to next week, we are all excited for our Ignite Wonder Adventure Week. This is one of the highlights of our year, a chance for every child across the school to embrace one of our core aims to '**Be Brave**'. Throughout the week, children will step outside their comfort zones and take part in a wide range of outdoor adventurous activities, both on and off the school grounds. Developing resilience and courage, whether it is trying a new activity, climbing a little higher, pedalling a little further, or trying something completely new, these experiences build confidence that lasts far beyond the week. Our children will be taking part in activities such as biking, bushcraft, hiking, fishing, Beach School, climbing and even surfing.

What a fantastic way to round off the first half of the summer term.

Thank you for your continued support and wishing you a lovely weekend.

Kaye

EYFS 'Highlight of the Week'

Nursery

This week nursery have been looking at ways that we can mark make. With the playdough we gathered a variety of different materials and created some lovely marks in the playdough.

Pre-School

It has been another fantastic week in pre-school, as we continued our bear hunt. The children enjoyed searching for bears, using prepositional language, and also made their own story maps, showing the journey the family took.

Reception

This week in Reception we have continued our learning of 'Jack and the Beanstalk'. We have started to innovate the story by changing the objects and their descriptions. We also changed some of the characters, Jack is now Ben and the cow is now a pig!

In independent learning the children have made castles using Duplo or cutting shapes out of paper.

KS1 'Highlight of the Week'

Year 1

Year 1 have had an incredibly busy and exciting week as we began our new Science unit all about plants. The children explored what plants need to grow, learned to identify a variety of plants found in our local area and gardens, and investigated the various parts of a plant, including the roots, stem, leaves, and flower. We discovered the important job that roots do and had a wonderful time examining real plants before planting our very own flowers in the school garden planters. The children showed fantastic enthusiasm and curiosity throughout the week. Amazing work, Year 1 - can't wait to see what you achieve next week!

Year 2

Year 2 have been learning all about the lives of Emmeline Pankhurst and Rosa Parks. The children have researched why they are significant people and how they both made long term changes for people to be treated fairly. The children asked curious questions and interviewed each other, pretending to be Emmeline and Rosa. They then made amazing newspaper articles.

BeBrave Believe BeBrilliant

Lower KS2 'Highlight of the Week'

Year 3

We have had a fun week in Year 3 learning all about the Romans and how their invasion of Britain affected History. We learnt about Roman inventions, engineering, and battle formations, which made them so effective in their invasion of Britain. We have finished our independent writing, adapting the story of Romeo and Juliet. The children have loved learning about the story and have really immersed themselves within the text. In reading, we have started a new poetry text called the Night Flower, about a cactus that blooms at night. The children have loved picking apart this new text and have articulately shared facts that they have learned about desert ecosystems.

Year 4

This week has been another very busy one in class as the children continue preparing for the Multiplication Check, which takes place during the first two weeks back after half term. The children have been working incredibly hard and have shown great determination and enthusiasm throughout their practise sessions. They have also been competing on TTRS in an exciting class vs class battle, which runs until Sunday evening!

In Art, the children have been exploring screen-printing techniques and taking inspiration from the bright, bold work of artists Lichtenstein and Kent. Using vibrant colours and creative designs, they have produced fantastic artwork based on the Oxford cityscape. We hope you all have a lovely weekend and are excited for Adventure Week next week!

BeBrilliant

Upper KS2 'Highlight of the Week'

Year 5

This week, the children have been incredibly busy planning, drafting, and writing their own defeating a monster tale, which focused on incorporating action.

There are clearly some budding authors within Comets and Meteors! Alongside this, they have thoroughly enjoyed exploring the role of different Tudor Monarchs and how they helped to shape society in the UK. Get lots of rest this weekend Year 5; next week promises to be full of adventures!

We are so excited for our trip to Nanstillio Woods

Year 6

What a fantastic week! A huge well done to all our Year 6 pupils for completing their SATs this week. They have worked incredibly hard and have shown such determination, resilience, and positivity throughout. As a school, we are immensely proud of each and every one of them. To celebrate all their hard work, the children enjoyed a well-deserved trip to the cinema today. They walked there and back so sensibly and were amazing throughout – they were a real credit to the school.

Cosmonauts and Shine 'Highlight of the Week' 

ARB

Shine

This week, the children visited Lidl to shop for the ingredients they needed. The following day, they used their shopping to cook delicious meatballs and spaghetti, working together brilliantly before sitting down to enjoy their homemade meal.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

If you believe that your child is a young carer then please speak to our admin team and they will advise you as to how we can help you in school.

Or you can contact Cornwall Young Carers directly on their freephone number 01736 756655, or by emailing kernowyoungcarers@barnardos.org.uk.

Cornwall Young Carers complete great work with the young carers in our county by aiming to support them to self-manage caring responsibilities, providing information, advice and guidance over the phone and working with schools.

They also provide direct 1-1 work with Young Carers and Young Adult Carers as well as offering activities on a regular basis and during the school holidays.
