

Top story this week

Dear Families,

One of the loveliest parts of being at Beacon is seeing our children grow in confidence, take pride in their learning and share it with others. This week's early reading workshops were a wonderful example of that. Thank you to everyone who joined us. Emily led the sessions brilliantly, and our children were such proud ambassadors for the school.

Your feedback in our annual parent survey told us that you would welcome more opportunities like these. Next week, we will send out a short questionnaire so you can let us know which workshops and events would be most useful to your family. We want these sessions to reflect what matters to you.

We are also looking forward to welcoming families to our first SEND Coffee Morning next week. This is a chance to share experiences and talk together about supporting our children.

Next Friday is World Mental Health Day, and we will be inviting children to wear something yellow if they wish. It is an opportunity to remind them that their feelings matter, that talking can help and that there is always someone at school ready to listen.

With World Teachers' Day this weekend, I also want to thank our wonderful teaching team. We are so lucky to have such an incredible team across our school.

Finally, we would like to wish Mrs Ellis all the very best as she starts her maternity leave next week. She will be greatly missed while she is away, but we are so excited for her as she prepares to welcome her little one, we look forward to lots of updates and, of course, meeting the baby!

Wishing you a wonderful weekend.

Thank you for your continued support and for all you do alongside us to help our children to Shine Brightly.

Wear Yellow for **World Mental Health Day** **Friday 9th October**

Children should still wear their **school uniform**.
If they would like to take part, they can accessorise
with something yellow, such as a yellow t-shirt,
a pin badge, a hair ribbon or yellow socks.

It is not compulsory and there is no need
to go out and buy anything.
Just as and if they can, and if they would
like to join in the fun!

EYFS 'Highlight of the Week'

Nursery

This week we have continued our story 'Dear Zoo'. We've been completing 2-part puzzles, starting to do this independently and labelling the animals correctly.

Pre-School

This week we have continued with the story 'Owl babies'. We have been learning to build with blocks creating enclosures to create birds nests. We have learnt about how birds create their nests using natural materials.

Reception

In Reception this week we have been exploring patterns in many ways. We have created our own repeating patterns and have been spotting them in our environment.

We have also been super scientists when learning about local woodland animals that we may spot at Cardinham. We enjoyed learning about different types of animals that can be found in a woods.

KS1 'Highlight of the Week'

Year 1

Year 1 have been learning all about Bodmin this week, we have used our addresses to find how far away we live from our school and where our favourite places are in Bodmin. We looked at a map and learnt about the key symbols for different places. We then drew a picture of our school from a bird's eye view and followed a map to find some treasure, what a busy week we have had.

Year 2

Year 2 have had a brilliant week! We started by innovating our Gingerbread story into The Cookie Bear, and the children have now begun writing their own planned innovations, choosing their very own characters. In Computing, we have been learning how to code and debug programs, working out how different codes work and fixing any problems along the way. Brilliant work, Year 2 - keep it up!

BeBrave[★] Believe[★] BeBrilliant[★]

Lower KS2 'Highlight of the Week'

Year 3

It has been another exciting week in Year 3! In Maths, we have been developing our understanding of place value and exploring number lines to 1000. In computing we have been learning about coding. The children have loved being able to explore how to create an algorithm and include things such as timers and sounds. In Talk for Writing, we have enjoyed innovating our story based on *Thor's Mighty Hammer*. We have been working hard to make sure we include all the features from our toolkit and ensure our stories are wonderful and amazing! Keep up the hard work Year 3! Have a restful weekend, we look forward to seeing you all on Monday.

Year 4

What an incredible week we've had in Year 4! We are so proud of our amazing children, who have begun writing their own innovations of a wishing tale, with a particular focus on using dialogue effectively. We've had great fun fighting fearsome beasts from Ancient Greece and have continued exploring mythical beings, heroes and villains in our reading. In maths, we've been developing our rounding skills, rounding numbers to the nearest 10 and 100, while in science we explored electricity and built circuits. We've also been busy in PE, developing our rolls and balances through gymnastics. Another brilliant week of learning in Year 4!

Upper KS2 'Highlight of the Week'

Year 5

What a fantastic and action-packed week of learning we have had in Year 5! In Reading, we have been exploring the inspiring life of Olive Morris, learning about her determination, courage and contribution to social change. In Writing, we have used *Wolf Brother* as inspiration to create our own warning tales, developing our vocabulary and storytelling skills. In RE, we have been learning about Islam and exploring the Five Pillars and how they influence the daily lives of Muslims. In Maths, we have been developing our understanding of Roman numerals, while in PE we have been practising our ball control and coordination skills. It has been a busy week packed with learning, enthusiasm and lots of progress. We are incredibly proud of the effort and resilience the children have shown!

Year 6

It has been another busy and exciting week in Year 6! In Maths, we have been developing our understanding of place value and exploring negative numbers, including how to order and compare numbers below zero. In History, we have been learning about the Industrial Revolution and how it changed life in Britain. We have particularly enjoyed finding out about mining and the development of railways in Cornwall, exploring how these industries shaped our local area. In Talk for Writing, we have enjoyed innovating our story based on *Holes*, a losing tale, focusing on creating vivid and effective description. We have been working hard to make sure we include all the features from our description toolkit, including alliteration, figurative language and adverbial phrases. Well done Year 6!

ARB

This week in the ARB, the children have been developing their fine motor skills through a range of engaging activities. They also enjoyed a creative art session, using their imagination to design and make their own fantastic space scenes. We were so proud of the children's creativity and the effort they put into all of their learning this week!

Shine

This week in Shine Class, the children enjoyed making rocky road, discovering Thor's hammer as the exciting hook for our new Talk for Writing text, and exploring the Circle of Control in Emotional Literacy. It has been a busy and engaging week, with all of the children contributing positively to their learning.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

Parking during drop off and collection times★

Important Notice – Parking

We kindly ask all parents and carers **not to park in the Celtic Produce car park** during drop-off or collection times.

This area is required for their business operations, and your cooperation helps us maintain a positive relationship with our neighbours.

Where possible, please use areas nearby although we know parking is difficult or allow a little extra time to park considerately and walk to the school.

Thank you for your understanding and continued support.

Nursery

Can we please remind all our Nursery families to be ready at our entrance for your child's start time. When staff have to come out and let people in, it leaves the Nursery understaffed.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

Residential Trips

Please remember that payments can be made conveniently via the MyEd app, or alternatively by contacting the office.

Important Notice – Parking

We kindly ask all parents and carers not to park in the Celtic Produce car park at drop-off or collection times. This area is required for their business use, and your cooperation helps us maintain a positive relationship with our neighbours.

Thank you for your understanding and support.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.
