

## Top story this week

Dear Families,

What a strange old week it has been. Through the blazing heat, our incredible children and staff have shown true flexibility, teamwork and that unmistakable Beacon spirit that makes our school feel so special.

The extreme temperatures did mean that a few important dates had to be shuffled around, but the silver lining is that we now get to look forward to welcoming you all into school next Friday for Sports Day. We cannot wait to finally share this joyful event with you. We are also excited to welcome the newest little members of the Beacon family on Monday with a few delightful surprises waiting for them.

Despite the soaring temperatures, our fabulous Year 6 children enjoyed the most unforgettable few days in London. They approached every moment with such maturity, enthusiasm and brilliance, and we couldn't be prouder. From watching live debates in both the House of Lords and the House of Commons, to experiencing the magic of a West End show, to exploring some of the city's most iconic landmarks, they embraced it all. By the end of the trip, they unanimously declared it the best experience ever and we couldn't agree more. Looking ahead to next week, it's the turn of our Year 1 children, who will be heading off on their own city adventure to Truro. We can't wait to hear all about their experiences.

As we move toward the end of the summer term, our thoughts naturally turn to transition. Over the next two weeks, families will have the opportunity to meet their child's new teacher, hear all about the year ahead, and understand what transition will look like before the summer holidays. And of course, we'll also be sharing more about our wonderful Beacon Fest.

Finally, a heartfelt thank you. You have been incredible. Your support, kindness and understanding during this week of extreme weather has meant so much.

Wishing you all a restful weekend.

Kaye

## Key Events for After Half Term– Reception and KS1

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	Making our own baskets- let's get weaving.	Special places with Bertie Owl.	Retelling and writing our innovated stories.	Making number bonds to 10.	Drop everything and Read- bring a book!
Year 1	New science topic: Summer!	Independent writing: what did we do on our trip to the beach?	Year 1 residential to Truro!	Maths: Place value to 100	Drop everything and Read!
Year 2	Writing our problem for our portal story.	PE today.	Designing winding mechanisms in DT.	Measuring length and height in maths.	Drop everything and read.

## Key Events for next week– KS2 and ARB

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	TfW Innovation Escape from Pompeii	Math Roman Numerals	Art Block painting	PE Wear your trainers!	Sports Day!
Year 4	Science Living things and their habitats.	Sailing Supernovas	PE Wear your trainers! Ukelele	Funky French	Sports Day!
Year 5	New History Unit!	Garage Band with Simon Gordon	Mid week maths challenge!	Funky French	Sports Day!
Year 6	Fiver Challenge	Fiver Challenge	Fiver Challenge	Fiver Challenge	Sports Day!
Cosmonauts					

# BeBrave Believe BeBrilliant

## EYFS 'Highlight of the Week'

### Nursery

This week we have been enjoying activities linked to our story 'Supertato'. We have been trying to capture the evil pea by making traps. We have made our own evil pea using playdough.

### Pre-School

This week in Pre-school we have been learning about farm animals linking to our story 'Farmer Duck'. We have been building homes for the animals using wooden blocks and developing our motor skills.

### Reception

Although being very hot, Reception have had yet another fantastic week. We have enjoyed science week. We set up our experiment of what helps mold grow?. We made predictions like super scientists. To help keep us cool in the water trays, we explored sinking, floating and how the height of the guttering affects the speed of the water. Wishing you all a slightly cooler weekend!

# BeBrave

# Believe

# BeBrilliant

## KS1 'Highlight of the Week'

### Year 1

Year 1 have had an incredible week enjoying the sunshine and working hard in all their lessons. This week, the children wrote an independent piece of writing recounting our trip to Pentreath Beach and produced some amazing non-fiction texts, which have been a pleasure to read. Alongside this, we have been learning all about designing and making kites in DT. The children discovered where kites originated, who invented them and how they are made using different materials before designing and creating their own kites and having the opportunity to fly them in the lovely weather. Amazing work, Year 1 - keep it up!

### Year 2

Year 2 have been absolutely fantastic this week, they have made the most of the hot weather. Painting and sitting in the shade, what a treat. They have also designed and made their own clay tile relief's; they have been so creative with the clay and learning how to attach pieces to tile. Using different tools for the texture and patterns of the tiles. Well done Year 2 on a super week!

# BeBrave Believe BeBrilliant

## Lower KS2 'Highlight of the Week'

### Year 3

Year 3 have been super scientists this week, observing change and monitoring the rate of change over a range of experiments. Alongside this, we have been creating pneumatic systems in Design & Technology. The children explored a range of air powered systems and toys and then had a go at designing and then making some of their own. There was a great deal of perseverance and problem solving involved and we are very proud of the children for using their growth mindset.

### Year 4

We have had a fantastic Science Week in class! The children thoroughly enjoyed taking part in a range of exciting investigations. First, they explored how ice melts and were amazed to discover how a piece of string can be used to lift an ice cube through a fascinating scientific process. They then set up an experiment to investigate how and why bread becomes mouldy, making predictions and discussing the conditions that help mould grow. Despite the very hot weather, they have also worked incredibly hard and shown excellent resilience throughout the week. Constellations finished their sailing adventures this week and it will now be the turn of Supernovas as we move forward. Well done to everyone for a brilliant week of learning and achievement!

# Believe

# BeBrilliant

## Upper KS2 'Highlight of the Week'

### Year 5

Despite the heat, the children have continued to work incredibly hard this week and thoroughly enjoyed learning about the life cycle of plants and animals during science lessons. During the mornings, they have been planning and drafting their own fictional stories which have been based on character development. Their writing has been incredible and a pure joy to read! Stay cool this weekend and we will see you all bright and breezy on Monday for more fun!

### Year 6

Year 6 have had a fantastic week and thoroughly enjoyed their long-awaited trip to London. The children represented the school brilliantly, showing excellent enthusiasm and curiosity. It was wonderful to see them exploring so many iconic landmarks and taking in all the amazing sights. To finish off our week, today we have spent the day making WW2 Blitz paintings using watercolours. The children really used their imagination and produced some fantastic artwork!

Have a restful weekend, we look forward to seeing you all next week.

## Cosmonauts and Shine 'Highlight of the Week'

### ARB

We have been enjoying science week this week with lots of different investigations and have been discussing our science knowledge. We have also been enjoying lots of water play this week to keep us cool which is always a favourite activity of ours.

### Shine

This week we visited Morrisons and browsed all the different fish on the counter, looking for what we needed to make our very own fish pie. In cooking the children carefully peeled their potatoes and cooked the fish they had chosen. We have been incredibly proud of how well the children have all managed the heat this week.

### Penalty Notices

A guide to Education Welfare Services  
for parents and carers

 [www.cornwall.gov.uk/togetherforfamilies](http://www.cornwall.gov.uk/togetherforfamilies)

### What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

**NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)**

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

## Attendance Information

### Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Regularly and flexibly updated by national College safety, these guides and resources wider topics and themes. For further guides, hints and tips, please visit [nationalcollege.org](http://nationalcollege.org).

### What Parents & Educators Need to Know about STREAMING SERVICES

Streaming services are platforms that allow users to watch cartoons, documentaries and movies online immediately (often referred to as SVOD: streaming video on demand). Ofcom reported that children and young adults prefer streaming services to traditional TV. With two-thirds of UK households subscribing to at least one streaming service, parents must understand how to manage screen time, set age restrictions and ensure safe viewing.

#### WHAT ARE THE RISKS?

- COSTLY**  
Subscription services can be costly. As the main source of entertainment, most households have at least one streaming platform, and each platform has its own monthly subscription fee. Services are charging more for 4K-free viewing, and better quality and resolution. However, there is a cheaper option with adverts. Due to price increases, Netflix and Disney reported a sharp increase in users subscribing to their ad-supported tier in 2022.
- EXCESSIVE SCREEN TIME**  
Excessive screen time contributes to sedentary behaviour and can negatively impact physical and mental health. Ofcom found that 4-10 10-year-olds averaged 2.5 hours per day across all streaming platforms, not including gaming. The vast range of content available, combined with features such as autoplay, makes it easy for children to watch for extended periods of time.
- ILLEGAL STREAMING**  
Sharing passwords or using modified firm stickers to access streaming content without permission is illegal. Most streaming services have new paid measures in place to detect account sharing. When account sharing is identified, parents will often be offered the opportunity to pay for an added member or ask the new user to verify who they are.
- AGE-INAPPROPRIATE CONTENT**  
Most streaming platforms allow users to set up a profile for each family member, with the option of putting specific restrictions in place. These include adding a profile lock or PIN, controlling quantity of previews and next episodes, and limiting content based on age ratings. Inadvertently, these restrictions aren't locked. Content which is rated as suitable for an age group may still include themes, language, or images which children and families find inappropriate.
- BINGE WATCHING**  
Features such as autoplay make it easy for viewers – especially young people – to continue watching episodes without a break. This can foster unhealthy and addictive patterns, such as consuming a vast amount of content in one sitting. With binge watching came a back of social interaction, lack of physical exercise and often late nights and sleep disruptions which impact their mental and physical wellbeing.
- HARMFUL STEREOTYPES**  
Many platforms track viewing habits, time consumed, and preferences, and generate recommendations to encourage your child to keep watching. This results in your child being in a 'loop' whereby they think the 'recommended' shows would be something they would enjoy rather than thinking critically for themselves. This can shape their beliefs, values, and understanding of the world from a young age without even realising it.

#### Advice for Parents & Educators

- SET UP INDIVIDUAL PROFILES AND ADD PINS**  
Almost all streaming services allow users to set up individual profiles where each family member can have age restrictions put in place for the content they can view. Adult profiles can be protected through the use of PIN. Keep this private. Use the option of putting specific restrictions in place such as controlling quantity of previews and next episodes, and limiting content based on age ratings.
- TALK ABOUT ALGORITHMS**  
Talk to your child about how streaming services track what they watch, analyse patterns and recommend shows based on previous viewing. Encourage them to critically think about whether the recommendations are suitable and how they want to spend their time. Discuss their views with your child and challenge them to think about what they watch and how this may influence their beliefs.
- MONITOR AND TALK OFTEN**  
Discuss with your child what they are watching, find out which programmes are trending, and ask them to make a list of their watch history to check the content of what they're watching. Some platforms have been known to recommend or display ads for products, content that a child's friends has been playing, ads to promote shows or movies they may have a suitable age rating, your child may still find the content scary, or it may explore themes you don't want to explore with your child yet.
- SET TIME RESTRICTIONS**  
Many streaming services offer the opportunity to buy movies, or add additional features to your subscriptions such as sports channels, or even on play games. This can increase the amount of time young people spend sitting in front of the screen. Some platforms (e.g. Apple TV) allow you to set screen time restrictions. If the streaming service doesn't allow you to set screen time limits, set a family rule and stick to it.

#### Meet Our Expert

Dr Clive Sutcliffe is an online safety consultant, educator, and researcher who has developed and implemented anti-bullying and cyber safety policies for schools, and has written various educational papers and carried out research for the Australian Government, comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

## Children Hospice South West

The Cornwall Reading Challenge

### Extraordinary Explorers

We are excited to announce the **Cornwall Reading Challenge** for the summer of 2026. This will be an opportunity for children of all ages to engage with their local library and receive incentives to continue their reading over the summer holidays.

The **Cornwall Reading Challenge** combines **FREE** access to books along with fun, creative activities during the summer holidays. Throughout the Challenge, library staff and volunteers support the children, helping them to discover new authors and illustrators and to explore a wide range of different types of books and ways of reading.

#### How the Challenge works

- Children sign up through their local library and receive a swim voucher and a challenge booklet
- Children can enjoy six books in a way that works for them between 11<sup>th</sup> July and 12<sup>th</sup> September and they will be able to collect stickers and rewards along the way
- Library staff and volunteers will be on hand to help and there will be activities on Saturday mornings throughout the challenge at Bodmin library
- Children who complete the **Cornwall Reading Challenge** are presented with a free link to a [Cornwall treasure trail](#), a certificate and a medal

#### How do schools benefit?

- The **Cornwall Reading Challenge** is inclusive and can contribute to the achievement of **ALL** your pupils including those with special educational needs, disadvantaged pupils and the most able
- It enhances and supports your school's reading policy and your mission for all children to read more widely and for pleasure
- It encourages parental engagement and family involvement in reading and helps your school make links with the library and the wider community
- It allows children to become more independent in their reading when choosing books and encourages using imagination and empathy to explore a text beyond the page
- It takes place at your local library and is a brilliant opportunity for extra-curricular activity
- It keeps your pupils reading over the summer, ready for their return to school in the autumn, and supports the successful transition between year groups and key stages

By championing the **Cornwall Reading Challenge** in your school, you will be continuing to support your pupils' learning during the holidays, ensuring they return ready for a great start to the new academic year.

**It's FUN! It's FREE! It's LOCAL!**

CORNWALL COUNCIL Libraries

GO ALL IN. National Reading Week 2026

The Cornwall Reading Challenge

# Extraordinary Explorers

**We are excited to announce the Cornwall Reading Challenge 2026!**

- Sign up at your local library and receive a challenge booklet and a free swim voucher
- Enjoy six books in a way that works for you and collect stickers and rewards as you go
- There will be a free link to a Cornwall Treasure Trail for anyone completing the challenge, along with a medal and certificate
- We will have family activities on Saturday mornings throughout the challenge at Bodmin Library

## Parking during drop off and collection times

### Important Notice – Parking

We kindly ask all parents and carers **not to park in the Celtic Produce car park** during drop-off or collection times.

This area is required for their business operations, and your cooperation helps us maintain a positive relationship with our neighbours.

Where possible, please use areas nearby although we know parking is difficult or allow a little extra time to park considerately and walk to the school.

Thank you for your understanding and continued support.

Believe in  
children  
Barnardo's

## AM I A YOUNG CARER?

If any of these sound like you,  
you may be a Young Carer...

- Practical tasks -**  
cooking, housework,  
shopping and  
gardening.
- Physical care -**  
helping the cared for  
in/out of bed, around the  
house, outside the home.
- Emotional support -**  
listening, talking and  
showing empathy.
- Personal care -**  
undressing/dressing,  
bathing, using the toilet.
- Managing the family budget -**  
paying bills, seeking benefits,  
working to contribute  
financially.
- Supporting with  
Communication -**  
Making calls, relaying needs  
to professionals, helping a  
sibling communicate.
- Dealing with Medication -**  
collecting prescriptions,  
giving medication,  
attending appointments.
- Supporting family  
members during crisis -**  
calling emergency services,  
providing emotional  
support during hospital  
visits, dealing with the  
trauma after the event.
- Looking after siblings -**  
feeding, bathing,  
dressing, homework,  
emotional support.
- Completing daily  
nursing tasks -**  
clearing peg/breathing  
tubes, personal care,  
feeding and bathing.

# Nursery

Can we please remind all our Nursery families to be ready at our entrance for your child's start time. When staff have to come out and let people in, it leaves the Nursery understaffed.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### Residential Trips

Please remember that payments can be made conveniently via the MyEd app, or alternatively by contacting the office.

### **Important Notice – Parking**

We kindly ask all parents and carers not to park in the Celtic Produce car park at drop-off or collection times. This area is required for their business use, and your cooperation helps us maintain a positive relationship with our neighbours.

Thank you for your understanding and support.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

## School aged vaccinations

### Did you know children will be offered these routine vaccinations at school?

- ✓ **FLU** - Reception - Year 11
- ✓ **MMR** - Catch-up
- ✓ **HPV** - Year 8 - Year 11
- ✓ **Meningitis ACWY** - Year 9 - Year 11
- ✓ **Diphtheria, Tetanus, Polio (DTP)** - Year 9 - Year 11

### Did you miss us?

We also have community clinics across Cornwall for:

- ✓ Home educated children
- ✓ Anxious children
- ✓ Children who missed the session at school

Call us on
