

## Top story this week

What an incredible end to an incredible year.

Beacon Fest rocked in true Beacon style. The whole day was full of brilliance and joy. The smiles and delight on every child's face was a sight to behold and every stall, every event, every moment reminded us why Beacon Shines so Bright. Huge thanks to Little Eden and The Football Factory for making it extra special for our children; we are so grateful for their kindness and support.

Our Growth Mindset weeks have been fantastic; our teachers and support staff have loved getting to know their new classes. Together they have focused on developing the key skills and attitudes they need for next school year, developing their self-belief, learning from mistakes and embracing challenges as opportunities.

We can't wait to see each class grow together next academic year.

This week our week has been full of vibrant colour and laughter from our children and staff at our rainbow run. It was a true pleasure for staff to spend the evening with our delightful year 6 children at their prom. They did not fail to impress, dressed to the nines to sing, dance and have a thoroughly wonderful time.

Today we also celebrated the year in our final assembly where we also announced our 3 B's awards for the categories Be Brave, Be Brilliant and Believe as well as the prestigious award for outstanding contribution to Beacon. Please see the names of our incredible winners below.

Finally, a special thank you to every one of our wonderful children, they are the heart of our school and what makes Beacon so very special. We are so proud of everything that they have achieved this year. Thank you, of course, to our incredible team they are the true magic makers. The commitment and determination that they have for our children is tremendous. We are incredibly lucky to have a highly skilled and dedicated team of staff at Beacon that makes it such a special place! Also huge thanks to our governors and our PTA, both teams of dedicated volunteers who give up their time to support and guide our school. And of course, thank you to all our families for your consistent and valuable support for Beacon, we really do value working together to ensure the very best for our children.

Wishing you all a wonderful summer break and we look forward to seeing you all Shine Brightly in September!

Best wishes

Kaye

## KS1 'Highlight of the Week'

### Year 1

Year 1 have had a brilliant time exploring their new classrooms and outside area over the past week and a half. We have got fully immersed in all the fun that took place this week including Beacon Fest, Colour Run and Growth mindset week. We really enjoyed creating our class flags and parading them around at Beacon Fest alongside the rest of the school. Everyone had a brilliant time spending their tokens and enjoying all the food and riding all the fair rides. Have a brilliant summer everyone!

### Year 2

Year 2 have been busy exploring their new classrooms and playground area. They have immersed themselves into growth mindset week, showing determination and perseverance. We prepared decorations and signs for our stalls at Beacon Fest, as well as making our own class flags. We had the best day at Beacon Fest where we ran our own stalls, spent our tokens and performed on the pyramid stage. The helter-skelter and candy floss was a highlight.

### Year 3

This week has been filled with loads of fun for Year 3! We love our new classrooms and have been off to a great start finding our feet and settling into our new routines wonderfully.

The children have been absolute superstars manning the stalls at Beacon Fest, selling countless glasses of lemonade and tuck from our tuck shop. We've been working together doing teambuilding games and activities and have been having a great time doing so!

### Year 4

This week, Year 4 have been diving headfirst into Growth Mindset Week! We've explored the power of "yet" learned how our brains grow when we try new things and encouraged each other to embrace mistakes as part of learning. We also celebrated BeaconFest! Our school grounds were transformed into a fantastic festival, filled with fun stalls, games, and treats galore. The air was sweet with the smell of candy floss, popcorn, and sizzling hotdogs. It was the perfect way to celebrate the last weeks of effort, resilience, and having fun together as a community.

## Attendance Information

### How is a Penalty Notice paid?

Penalty notices can be paid by card by calling the office on 01872 324201. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/ 28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

## Penalty Notices

A guide to Education Welfare Services  
for parents and carers

## Attendance Information

### What is a Penalty Notice?

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week\* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week\* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week\* period, whereby a child arrives at school after the registers have closed.

**NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).**

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.

\* a school week is any week in which a school meets at least once.

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

### Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 324298**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

### IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
