

The weeks are flying by as we are rapidly approaching half term, meaning we are almost halfway through this academic year. At this important time in the school year your child's teacher is busily writing their annual progress report. You will receive this just before half term, however, please look out next Friday for information coming to you regarding booking your 1 to 1 parent consultation which is taking place on the 21st and 22nd of February.

Top story this week

These are important meetings where you will have the opportunity to talk through your child's report, the progress that they have made so far at mid-point in the academic year and their important next steps.

This week I have had the pleasure of spending a lot of time looking closely at the progress of so many of our children, especially in writing and mathematics. I have been overwhelmed at their hard work and achievement and I am looking forward to seeing what they are capable of achieving as the year continues.

This week we have had a number of visitors to school to look at teaching and learning at Beacon and they have also been impressed by our children's learning and knowledge.

Finally, can I give a big shout out to our head boy and girl Mason and Lola for joining me this week to receive a special thank you from our Mayor for our fundraising efforts in the autumn term.

Wishing you a super weekend, let's hope that this mild weather continues.

Key Events for next week– KS1 and Shine

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	Travelling as different transport in PE!	Innovating in T4W. Who is your new character going to be?	Flight to the future in Jigsaw...	Exploring the number 6 with Six Dinner Sid.	Drop everything and read. Bring a book from home.
Year 1	An exciting hook for our new non-fiction writing unit.	Exploring what makes some people and places in Cornwall sacred.	Ball Skills. Play games and learning new skills.	Working on our number lines in maths.	Drop everything and read. Bring a book from home.
Year 2	Building tall towers to launch our new DT learning about structures.	Drawing our new text maps!	Building freestanding structures in DT: will they be stable?	PE fitness and continuing with our superhero music project.	Drop everything and read. Bring a book from home.
Shine	Slime afternoon! Reward for collecting all our tokens.	Designing a Norse mythical map.	Shopping trip!	Rock steady and cooking.	Drop everything and read. Bring a cook from.

Key Events for next week– KS2 and ARB

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	PE fundamental skills	A look at dynamic sculptures	Making our own Modroc sculptures	Our art gallery and appraising our work	Writing punny headlines
Year 4	Writing our own warning tale!	Geography - Start our rainforest unit	Tag rugby with the Cornish Pirates	Learning our new talk for writing text	Fabulous French
Year 5	Sensational Science	An introduction to Biographies	The Big Multiplication Challenge	An epic Hockey Match	Fabulous French
Year 6	Grammar homework club. Geography debate writing about renewable energy	Show off what you have learnt so far in a reading paper	Maths homework club	Reading homework club	Toast and topping for our star charts
Cosmonauts	Amazing Art	Sensational Science	PSHE	Cooking	Computing

BeBrave Believe BeBrilliant

EYFS 'Highlight of the Week'

Nursery

This week we have been changing the nursery rhyme *Here we go round the mulberry bush*. At first, we changed the actions that we did then later in the week we decided to change the mulberry bush to a blue pterodactyl. We found a blue pterodactyl and walked around it as we sang the new version of our song.

Next week we are going to learn the song Dingle Dangle Scarecrow.

Reception

What another busy week in Reception. We have continued our learning all about Chinese New Year. We have enjoyed making Chinese lanterns and having a go at writing numbers and letters using Chinese characters. We have loved learning all about Chinese New Year and the story behind the celebration. We love learning! We are so proud of all the children.

BeBrave

KS1 'Highlight of the Week'

Year 1

This week in Year 1 we have been geographers. The children have been learning lots about the weather and how this can affect our lives. They have also been working really hard to improve their ball skills. They have been dribbling and rolling with accuracy and using dodging skills too whilst playing a game competitively.

Year 2

We are so proud of the progress everyone in Year 2 is making with their reading. Thank you to everyone reading at home and we are sure you are seeing the fantastic progress too. We have shared some great stories and poetry this week and it is wonderful to see all the children showing their love of reading. Well done super readers!

BeBrave Believe BeBrilliant

Lower KS2 'Highlight of the Week'

Year 3

To kick off our week, Year 3 enjoyed a Brazilian drumming workshop. We followed this up listening to different genres, and it turns out that Year 3 (as well as Mrs Searle) are little rockers with preference for rock music. The children have also enjoyed writing their own defeat the monster stories with some excellent tricks and twists in the tales. Poetically, the children have written extra stanzas about being knights to add to our King Arthur inspired medieval epic.

Year 4

This week, in our Art lessons, we have been learning how watercolors can be used to create atmosphere and depth. We have explored how to mix colors, different wet-on-wet techniques and a range of wet-on-dry techniques. We then created observational sketches of plants and used our new watercolor painting skills to add depth and detail.

BeBrave

Believe

BeBrilliant

Upper KS2 'Highlight of the Week'

Year 5

This week our incredibly talented Year 5 children have been showing off their coding abilities. They have learnt how to use 'tabs' to create efficient code. We used traffic lights as a focus for simulating a physical system and developed code with instant, real-world impact.

We then explored a football game and discovered how to code controls before adding friction into our simulation. We rounded off our coding learning by 'introducing strings' into a scenario where children were developing a game to collect items of their choosing.

What an incredible week full of highly complex learning.

Year 6

Year 6 have once again been working so hard this week! We have had so many children attending Brainy Breakfast club and after school SATS homework clubs. All the Year 6 teachers are so impressed with how diligently the children are engaging with their SATS homework.

All this hard work is paying off – the children have made amazing progress in all their lessons, and we are extremely proud of them.

Keep up the hard work Year 6!

Cosmonauts and Shine 'Highlight of the Week'

January

ARB

This week for our 'All Around the World' topic we have visited Antarctica. We created Arctic dioramas, investigated how polar bears and penguins stay warm and dry and made homemade ice cream.

Shine

Shine have had a lovely week of different and exciting things! We had a music lesson where we got to try different instruments. Then we joined an online Build for Birds challenge where we learnt about habitats, different birds and how to care for the animals. We then had to try and build a Lego bird habitat. On Thursday we cooked a yummy cake with Mrs Knight and used our measuring and sharing skills.

What Parents & Carers Need to Know about MYLOL

AGE RESTRICTION
13-19

WHAT ARE THE RISKS?

MYLOL is a free social networking and dating site aimed at teens. Profiles can publicly display users' images and information, including sexual orientation and personal interests. The service bills itself as "the number one teen dating website in the world", claiming to have more than a million users globally. Despite its popularity, the MYLOL app is no longer available from Google Play or the App Store, although the site is still active. In some countries, police forces and schools have previously warned parents about "loner predators" and "inappropriate activities" on the site.

FUMSY AGE GATES

Although MYLOL states it is exclusively aimed at users aged between 13 and 19, there is a credible age verification system to prevent a younger child – or an older adult – from signing up to the platform. Coupled with the fact that it is impossible to establish a user's true identity on MYLOL, this raises a serious concern that the site could be used for grooming.

IN-APP SPENDING

MYLOL is free to join and use, but it also offers paid-for memberships. Users who have paid money get their profile promoted at the top of the site and in search results. They can also earn additional credits for increased engagement with the platform – such as sharing, replying to messages and voting. At the time of writing, the monthly membership fee was £9.95 (just under £8).

AGE-INAPPROPRIATE CONTENT

MYLOL maintains that it monitors all uploaded images for nudity or sexual content. It also claims to be able to detect suspicious keywords. However, there have been numerous reports of explicit content being found on the platform, with users often posting provocative, semi-nude pictures of themselves and engaging in lewd or sexually explicit conversation.

DATA COLLECTION

According to its privacy policy, MYLOL collects user data including email addresses, contact details and interests. While the company says it is committed to protecting user privacy, the small print states that information may be shared externally. MYLOL claims to follow procedures to keep data secure, but does not specify what these procedures are, or whether such information is encrypted.

POTENTIAL CYBER-BULLYING

MYLOL lets users 'vote' on other people based solely on their appearance, much in the same vein as the now-defunct site Hot or Not. This feature could easily lead to distress and bullying, especially if a young person's profile pics receive an unflattering response. Various reviews of MYLOL have noted that bullying frequently becomes an issue in the platform's chat groups and private messages.

CONTACT FROM STRANGERS

MYLOL makes it easy to connect with strangers. In fact, the site's review feature encourages users to send private messages to people they don't know. There have been several media stories of adults posing as teens on MYLOL to connect with minors, which could lead to extremely dangerous situations, such as a young person meeting up with someone who has been posing under a false identity.

Advice for Parents & Carers

DISCUSS ONLINE DATING

It's vital to talk to your child about the possible dangers of platforms like MYLOL – particularly the threat of online predators. Remind them of the risks of sharing intimate images and information with strangers and emphasise that most people don't realise they're being 'catfished' until it's too late – it really isn't wise for a young person to meet up with someone they've only spoken to online.

EXPLAIN PRIVACY RISKS

Before your child begins using a service such as MYLOL, it's important that they understand the potential pitfalls of giving out their personal data on this type of platform. Explain to them, for example, that they shouldn't divulge any personally identifying information to people who they don't know, as scammers can be quite convincing when attempting to steal someone's identity.

RESTRICT IN-APP SPENDING

If your child has access to a bank card or other payment method, they may be tempted into signing up for MYLOL's premium features. Having their profile boosted and receiving more attention could be especially tempting if their friends also use the site. You could consider altering their device's settings to disable internet purchases, or at the very least keeping an eye on their online spending.

SET UP LOCATION ALERTS

If you're worried that your child may be planning to meet up with someone they've met on MYLOL, you could consider utilizing GPS or WiFi location tracking technology to follow their whereabouts in real time. You can even set up a virtual boundary or 'fence' and opt to receive an alert to your phone if your child enters or exits a specified area.

for Families

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

IMPORTANT
Polite reminder – There are no staff on duty in the mornings until 8:30am. Children arriving before that time are very welcome to attend our free Breakfast Club but should not be on the grounds otherwise for their own safety.

Extra notifications

RECEPTION CLASSES

Can we please remind all our Reception parents that the children need to bring in named, wellies each week.

We try to spend as much time outside as possible and with the weather as it has been wellies are essential.

IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow ZigZags outside the school. This is for the safety of your children. Please help us keep our children safe.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making.

In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.
