

The weeks are galloping

embarking on their city

Our year 6 children are

super excited for their

London residential on

Monday. They have 3

days' jam packed with

wonderful experiences and adventures, making

memories that they will

cherish for their lifetime.

3 year groups are

adventures.

by and next week our final

Newsletter issue **34 (04.07.2025)** <u>www.beacon.eschools.co.uk</u> 01208 72773

On Monday our year 1 children are also setting off to Truro, where they will be experiencing all that our capital city has to offer. Then on Thursday our year 2 children are off to Plymouth, for an equally exciting 2 days topped off with a night sleeping under the aquarium. We know that each visit will be truly magical, and we can't wait to hear all about each journey once they return to school.

Top story this week

The next few weeks are even busier than normal with performances, proms, water fights, award ceremonies and our rainbow run. It was wonderful to see so many of you at our Growth Mindset Week parent information meetings this week. We are currently in the process of finalising plans for the week and of course the legendary Beacon Fest which promises to be even bigger and better than last year. Next week we will also send out information regarding classes for the next academic year as well as your child's annual report.

Hope you have a great weekend.

Kaye

Reception and KS1

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	Inventing stories- who is going to be your character?	Last lesson with Jigsaw Jenie- a celebration of Reception.	Learning about Synagogues with Bertie Owl.	Class treat!	Drop everything and read.
Year 1	Truro City Adventure!	Learning about seasonal changes in our science unit.	PE – Striking and fielding.	Where will go on our Beacon visit today?	Drop everything and read.
Year 2	New History Unit – Civil Rights	P.E. Striking and fielding	Short Burst writing focusing on dialogue	Plymouth Residential	Plymouth Residential

KS2 and ARB

Cosmonauts	PSHE Build a bridge for the bears to cross	Amazing Art Outdoor art	Science Plant lifecycle	Outdoor learning Scavenger hunt	Computing

EYFS 'Highlight of the Week'

<u>Nursery</u>

This week in nursery we have enjoyed our story 'Supertato'. We have been exploring outside in this lovely weather and painting our favourite characters from the story.

<u> Pre-School</u>

This week we have enjoyed the story 'Barry the Fish with Fingers'. We have enjoyed playing a game focusing upon matching animals to the habitats they live in.

Reception

This week in Reception, we have used the beebots to consolidate our learning of the directional and positional language we learnt last week. We have also been sending the beebots on a journey, just like Handa in 'Handa's Surprise'.

We also had a visit from some year 1 children to talk to us about all the exciting things we have to look forward to next year!

BeBrilliant

KS1 'Highlight of the Week'

<u>Year 1</u>

Year 1 have had an exciting week learning all about how kites are made. We learnt about the history of kites and how they can be used by the military for communication. We tested some kites to decide which design flew the best. We designed our own kites and then made them, afterwards we evaluated our design and thought of ways we could improve it.

<u>Year 2</u>

Year 2 have been busy digital DJ's this week in their computing unit all about making music! They have been creating and altering new tunes, and have recorded, imported and remixed new sounds to add to their music. What excellent creations they have made! We have also been focusing on Position & Direction in Maths, drawing upon our Geography knowledge to assist this.

Lower KS2 'Highlight of the Week'

<u>Year 3</u>

This week in Year 3 we have had an amazing time learning what pneumatic systems are and how to create one! We worked in teams to design, make and evaluate a cardboard creature with a pneumatic system in them. All the children worked hard and had a brilliant time! It was amazing to see their creative sides flourish alongside the knowledge they had learnt about pneumatic systems from earlier on this week. Brilliant work Year 3! We are excited to see what our final week together brings! Have a lovely weekend!

<u>Year 4</u>

BeBrilliant

Well done Year 4 – I can't believe we only have one week left together. This week, we have been incredibly impressed with how well all children coped during their assessment week. Both Mr. Rowe and Mrs. Mills were so proud and want everyone to recognise how well they have done. Alongside this, children have loved creating their very own bags in DT, they have excelled in PE on Tuesday and continue to impress us every single day. Thank-you Year 4. Have a restful weekend and we will see you again on Monday.

Upper KS2 'Highlight of the Week'

<u>Year 5</u>

Year 5 have been super busy this week. We have done a very exciting computing unit all about 3D models. Hopefully, you got to see their wonderful models when they brought them home. We have also been learning all about angles – comparing, estimating and even using protractors. As well as all of this, we had our Growth Mindset meeting about all the fun and exciting activities, which will be happening with our new teachers – we cannot wait!

See you all on Monday for our final week together!

Have a fabulous weekend.

<u>Year 6</u>

We have come to the end of our penultimate week together as a year group. Next week, we are all so excited for our trip to London (don't forget the 05:30 start on Monday morning).
This week, children all started with their transition session to secondary school – from what I have heard, they now can't wait to be Year 7 in September. Alongside this, they have also produced some outstanding pieces of pottery in their art projects and studied all about our evolution in Science.
Next week (besides London) we will be busy preparing for our Leavers' Service on Friday. We hope that you all can join us. Thank you for everything you have done to support your children and us over the academic year.

Cosmonauts 'Highlight of the Week' 🔀

Cosmonauts

We have really been enjoying the sun this week and getting outside to do our learning. We have also enjoyed lots of hands-on practical activities as well as making boats to get bears down a river, decorating cress pots then planting cress and exploring different textures with our feet and hands on our bear hunt sensory walk.

Attendance Information

How is a Penalty Notice paid?

Penalty notices can be paid by card by calling the office on 01872 324201. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/ 28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine. If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/ or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

BeBrilliant

Attendance Information

What is a Penalty Notice?

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week* period, whereby a child arrives at school after the registers have closed.

NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.
- * a school week is any week in which a school meets at least once.

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 324298**, or email **educationwelfare@cornwall.gov.uk**

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

<u>A Polite Request.</u>

If you need to get a message to your child during the school day, please call the main office before <u>2:30pm</u> to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.

End of day pickups We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

Follow us on Facebook for updates and upcoming events: Cornwall Mental Health Support Team (MHST)

The NHS Mental Health Support Team invites you to
