

Top story this week

The sun is shining and long may this gorgeous weather continue. It is so lovely to see our children filling our amazing outdoor spaces with laughter and joy and there is certainly the feeling that summer may have arrived. This week 'Proper Cornish' who along with Greggs help to sponsor our breakfast club came to visit. They were so impressed with the wonderful provision that the team at Beacon provide for our children each day to ensure they are well fed and learning ready each morning. We are so grateful that they are looking at ways that they can support our school moving forward and have already decided that they want to provide some treats for our families at our upcoming open events.

We are so proud of our year 6 children and how hard they have worked this academic year. It has been an absolute pleasure to watch them grow and progress throughout year 6, every single member of the year group is an absolute credit to Beacon. Could I just echo the messages from the year 6 team, please make sure that our children rest over the weekend and arrive at school ready bright and early each morning for our special breakfast and ready to shine. Whatever the assessments bring, we are super proud of our children and staff, they couldn't be better prepared, and we are all looking forward to celebrating a successful week on Friday.

We hope that you can join each class for our residential visit sharing events for our KS2 families and special outdoor learning and reading events for our Reception and KS1 families. These are a more informal opportunity for you to focus on your child's achievements over the academic year. Please speak with child's teacher if you need to arrange a different time for them to share their memories and work from the year, they will be more than happy to accommodate this for you.

As you know we have adventure week just before half term. You will have received information for each off-site adventurous activity as well as all the other wonderful activities and events we have taking place during the week, it's going to be a great week.

Wishing you a restful weekend, enjoy the sunshine.

EYFS 'Highlight of the Week'

Nursery

Ssshhh! This week we have been trying to be very quiet so that we don't wake the giant that lives in the castle. Outside we found huge footprints in the sand and a large golden egg. We have been drawing and painting what we think the giant looks like so we can keep an eye out for him. With the weather improving please can parents make sure your child has suncream on and if they stay all can you please supply suncream to be re-applied in the afternoon.

Reception

In Reception this week, we have been putting our amazing phonics knowledge into practise. We have been writing sentences using our writing rules, playing tricky word snakes and ladders, breaking codes and writing parts of our innovated stories. All the adults are blown away with the children's writing and reading. Keep up the fantastic work, we are so proud of you!

KS1 'Highlight of the Week'

Year 1

Year 1 have been marvelous musicians this week. They have been developing their knowledge of pitch, tempo, pulse and rhythm. They have explored the use of percussion instruments, body percussion and tuned percussion.

They have also enjoyed some time using the climbing boulder, strengthening their arm and tummy muscles!

Year 2

Year 2 have had such a fascinating week learning about two women who changed the world in our history. We discovered that Rosa Parks bravely took a stand against segregation in America by refusing to give up her seat on a bus whilst Emmaline Pankhurst protested for women's rights to vote in the UK. The children have loved exploring the stories behind these people and how they stood up for what they believed in.

Lower KS2 'Highlight of the Week'

Year 3

This week, the children have been learning all about the Roman impact on Britain! They have learned all about how to protect themselves in the Roman army's ranks as well as how to smash through enemy lines. They have each created their own Roman style settlement and looked closely, as historians, at the artifacts and evidence in front of them.

Year 4

This week, the children have been learning all about online safety in our computing lessons! They have learned all about how to protect themselves online against identity theft, how to identify the risks of downloading software and about their digital footprint. They have each created their own quiz about online safety and considered the positives and negatives of screen time and technology.

Upper KS2 'Highlight of the Week'

Year 5

What a week of shining brightly we have had in Year 5. The sun may have been shining but our children have outshone it with some incredible work.

In Art, children have completed their 'soap sculptures' which although challenging, proved incredibly rewarding and worthwhile. We would like to take this opportunity to say a huge 'thank you' to The Headland Hotel, Newquay, for supplying us with 60 bars of soap and making this possible! We are very grateful for your generosity.

Have a fantastic weekend. We look forward to seeing you all next Friday for our Manchester showcase!

Year 6

What a fantastic week we have had in Year 6! Children have worked their socks off in all subject areas and are in a fantastic position looking forward to their SATS this week.

Therefore, it is really important for all children to relax and have fun this weekend! Can we please ask that all children get to bed early on Sunday night and come in for 08:00 on Monday for their special pre-SATS breakfast.

I am sure, like us, you all wish Year 6 the best of luck for next week. They will shine brightly and do themselves proud.

YOU WILL BE BRILLIANT!

Cosmonauts and Shine 'Highlight of the Week'

ARB

We have all been enjoying the sun this week and spending as much time as possible taking our learning outside! We have been planting seeds, exploring the outdoor equipment, inventing stories and learning all about different types of rocks.

Shine

We have enjoyed the sunshine this week! We hung our bird seed balls outside that we made, we also made seed balls with windflower seed, and we flung them into the bushes around school and we will keep an eye on them to see them grow! We also got challenged to make a Chinese stir fry for under £5. We made chow mien and enjoyed trying to eat it with chop sticks.

ABSENCE = LOST OPPORTUNITY

Did You Know... ?

If Your Child's Attendance During the School Year...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...
was 95%	9 Days from School	50 Lessons
was 90%	19 Days from School	100 Lessons
was 85%	29 Days from School	150 Lessons
was 80%	38 Days from School	200 Lessons
was 75%	48 Days from School	250 Lessons

Getting Your Child to School Really Matters

In total there are 175 non-school days a year. This gives families the opportunity to:

- Spend time together
 - Go on family visits and days out
 - Go on holiday
 - Go shopping
 - Attend routine appointments.
- Holidays will not be authorised.

Taking a holiday during term time seriously affects your attendance and in turn your attainment. Booking holidays during term time may result in a fixed penalty notice.

As always, if you have any questions or if you need some support with your child's attendance, please contact our Attendance Officer Helen Sowden

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

What Parents & Educators Need to Know about HELLDIVERS 2

Within weeks of release, *HELLDIVERS 2* had become one of 2024's biggest gaming success stories. The sequel to a top-down shooter from 2019 has smashed sales expectations, owing to its frantic gameplay and tongue-in-cheek humour. However, the game comes with several risks to younger players, as indicated by its 18+ rating.

WHAT ARE THE RISKS?

PEGI 18 RATING

Due to its intense violence and the presence of in-game purchases, *HELLDIVERS 2* carries a PEGI 18 rating. While players are generally fighting fictional enemies like giant bugs and robots, there's a reason you can't find it in your local shop. The game is full of various gruesome acts, so it is not to be taken lightly. It's certainly worth considering whether such a game is appropriate for younger players.

FRUSTRATION TRIGGER

The bulk of *HELLDIVERS 2* is spent jumping through a gauntlet of enemies in one place to trigger a 'HELLDIVER 2' event. It's a frustration that leads to a 'HELLDIVER 2' event. The game includes some very difficult levels that could prove to be too hard for some players. Even those who are highly skilled and enough to jump, losing streaks can be incredibly frustrating. An in-game feature that allows players to pause the game for a moment to prevent frustration or anger in younger players.

IN-GAME PURCHASES

In *HELLDIVERS 2*, players can use real money to buy in-game currency, with which they can unlock cosmetics and new weapons. At the time of writing, all the in-game items can be acquired without spending a penny on a game – but as with many games, spending to know what your friends may do will lead to temptation to purchase new weapons more quickly, rather than patiently earning the in-game currency through play.

VOICE CHAT AND MESSAGING

HELLDIVERS 2 always played online with others, who often use voice chat or in-game text to coordinate, strategise or just to chat. This also means that children who play without their friends will be put in contact with strangers, even when they're not in the same area as the game isn't strictly limited to people they meet online. However, you can still report other players for abusive behaviour via the game's 'Block' tab.

Advice for Parents & Educators

GIVE IT A GO FIRST

HELLDIVERS 2 is a third-person shooter with occasionally humorous elements, but much of its comedy is rooted in satire about how it views the needs of some players. Consider playing the game first yourself – while shopping for and installing the game is not necessarily the most fun, seeing your character get into a position may be too much for young players.

SET EXPECTATIONS

At the time of writing, *HELLDIVERS 2* costs £24.99. It could turn out to be an expensive and wasteful purchase if it doesn't gain traction and grows up shortly after releasing the game. If a young person wants to become a *HELLDIVER*, it's worth considering whether *HELLDIVERS 2* is really the game for them.

CONSIDER ALTERNATIVES

If playing on Xbox – where *HELLDIVERS 2* isn't available – consider something like *Minecraft*. The *Minecraft* Creative mode is an alternative to *HELLDIVERS 2* in that it's a game where you can build and create things. *Minecraft* players may be better suited to the more light-hearted *Deep Rock Galactic*, which sees them play as fantasy dwarves in space, mining for rare precious resources.

KEEP AN EYE ON PAYMENTS

Many kids offer in-game purchases, but *HELLDIVERS 2* is comparatively cheap. You'll still need to monitor any payment information for use of prepaid cards (or accounts) in case your child buys the in-game currency in bulk, or the whole. However, the game's setting 'restrictions' may be less rigorous than most other titles on the market.

MONITOR COMMUNICATION & ADJUST SETTINGS

Thanks to an in-game 'ping' system (allowing players to highlight important details about their play), communication is integral to *HELLDIVERS 2* in its other games. You can turn off the chat options in-game on PC, or as the PEGI 18 rating, and limit more security in the knowledge that your child won't be speaking to people they don't know.

When you give a child access to the Internet, you give them access to the adult world.

The Internet treats everyone as adults and there are many things, they are not yet ready to know, which is why it is vital that some form of safety settings are in place. Doing something is better than doing nothing.

What happens online has an effect to what happens offline and what happens offline has an effect to what happens online.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
