# Beacon

This week our Year 3 children and staff have had the time of their lives. Their city residential to Bristol was packed full of incredible experiences, amazing activities and memories with their friends that will last a lifetime. Highlights included visiting a Hindu temple, basking in the sunshine on the river cruise, exploring HMS Great Britain, experiencing the incredible performance of Chitty Chitty Bang Bang at the Hippodrome and of course running wild at Ninja Warrior.

### Top story this week

Staff and children returned tired but so happy and full of excitement and stories. The team could not have been prouder of the children and the way they conducted themselves throughout the entire trip. Thank you so much to the wonderful parent helpers who gave their time to support this experience, you were amazing. And of course, the team who worked their socks off to make this possible.

Next week it's the turn of our Year 4 children who are off to Oxford for what will be an equally magical experience. We can't wait to hear all about their adventures once they return.

Next Thursday 8th May marks the **80th anniversary of VE Day**. To celebrate this historic occasion at Beacon, our children will be learning all about the significance of VE Day and as part of our whole school celebrations we will also be holding a traditional 1940's street party. Weather permitting, the whole school will eat their lunch together, with traditional music, songs, dance and some historic figures to add to the fun.

Wishing you a wonderful bank holiday weekend. Let's hope that the sun continues to shine and we look forward to seeing you all on Tuesday.

Kaye

EYFS 'Highlight of the Week'

#### <u>Nursery</u>

We have really enjoyed the story 'Farmer Duck' this week. We have been developing our fine motor skill by threading to create different farm animals.

#### Pre-School

In Preschool this week we have been busy creating our paintings of the Very Hungry Caterpillar by dipping balloons into the paint and pressing it onto the paper. They are fabulous!

#### Reception

What a fantastic sunshine filled week in Reception. In our Jigsaw, we have been exploring 'Healthy Me' and why exercise and movement is good for us. We really enjoyed playing the bean game and then exploring how our bodies feel after exercise.

We have used our outdoor area to keep our bodies moving all week. Let's hope this wonderful sunshine stays!

KS1 'Highlight of the Week'

#### Year 1

Year 1 have been geographers this week, learning all about the United Kingdom, specifically our capital city London.
The children have learnt about London in the past and London now. We have discovered the different types of transport that they have in London, some of the children shared their experiences of going to London and using the underground train.

#### Year 2

Year 2 have had a fantastic week! On Tuesday, we really enjoyed our beach trip for our new Talk for Writing text 'The Mousehole Cat'. We looked around Fowey Harbour and admired the fishing boats and fishermen at work. We also took a picturesque stroll to Readymoney Beach and had fun rock-pooling.

We have also had exciting times in school taking part in our music unit. We learnt about tempo and keeping a steady beat. We also learnt about how to write musical notes and had a go at creating our own musical masterpiece.

Lower KS2 'Highlight of the Week'

#### Year 3

Year 3 have had the best week EVER! We kicked off the week with a special visitor who came in and supported us in improving our tennis skills. Following that, it was the Bristol residential! The children had the most brilliant time exploring the Hindu temple linked to this week's RE unit, we climbed 141 steps to the top of Cabot Tower and played spot the famous sights of Bristol, had the most amazing boat trip along the River Avon where the children shared their knowledge of Bristol with the guide and tried lots of amazing new food at ZAZABAZAR for dinner, watched Chitty Chitty Bang Bang at the theatre, visited SS Great Britain then burnt off all our remaining energy at Ninja Warriors UK. A truly amazing trip! We hope you have a brilliant weekend and Bank Holiday!

#### Year 4

Year 4 have had yet another amazing week and continue to shine brightly. In their writing, they have begun to innovate their text by exploring a journey with a male lead character; in reading, they continue to love our text and have done amazingly when exploring chapter two and three; in geography, they have loved exploring all about Oxford and are so excited for our residential next week!

However, the highlight this week has to have come from our PE lesson led by 'Cricket Chris'. Children loved exploring different techniques associated with catching the ball.

Well done Year 4 – keep being brilliant.

Upper KS2 'Highlight of the Week'

#### Year 5

What an incredible week we have had here in Year 5; from cricket coaches and music technology lessons to science experiments.

This week Year 5 have been researching properties of materials. We started the week investigating soluble and insoluble materials and ended the week experimenting with fire to see how materials burn. We were also very lucky to have Cricket Chris in to teach our first cricket lesson – it was great to see everybody joining in and trying their best. We cannot wait for lesson 2 on Tuesday. Have a lovely long weekend.

#### Year 6

Year 6 continue to excel, and we couldn't be prouder in terms of the hard work and dedication they are putting into their subjects.

This week, children have loved looking at the video 'Alma' in their writing and have created some amazing pieces linked to the idea of suspense; in maths they have excelled with Algebra, looking at how we use formula and how we can solve different equations; in reading they continue to show amazing progress with how they are approaching their SATs papers and their test technique.

Well done Year 6 – thank you for what you are doing.

#### **Cosmonauts**

It has been another fabulous week in Cosmonauts.

We have enjoyed lots of water and sand play in the hot weather this week. We have been learning the story 'We're going on a Bear Hunt' and have been completing lots of activities around the story to support our learning. We have all been working incredibly hard this week on all our topic learning activities this week.

**Attendance Information** 

#### **How is a Penalty Notice paid?**

Penalty notices can be paid by card by calling the office on 01872 324201.

Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine. If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/ or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

#### **Attendance Information**

#### **What is a Penalty Notice?**

A penalty notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 10 school sessions/5 days or more within any rolling 10 school week\* period during term time, without authorisation from the school. This can include unauthorised absence for a holiday.
- Unauthorised absence of 10 or more sessions/5 days within any rolling 10 school week\* period where a parent fails to provide an explanation for the absence, or where an explanation is provided but the school consider it insufficient to authorise the absence.
- Unauthorised lateness of 10 school sessions within any rolling 10 school week\* period, whereby a child arrives at school after the registers have closed.

NB a penalty notice can be issued for any combination of the above reasons where there are 10 sessions/5 school days or more of unauthorised absence within any rolling 10 school week period. The unauthorised absence can be consecutive or non-consecutive and can span over two terms (including between academic years).

Or when

- A pupil is observed in a public place during school hours in the first five school days of a period of exclusion from school, without reasonable justification.
- \* a school week is any week in which a school meets at least once.

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

#### **How much is a Penalty Notice fine?**

As of the 19th of August 2024, a penalty notice is £80 if paid within 21 days. If the fine is not paid in 21 days, it will rise to £160 if paid within 28 days of being issued.

If a second penalty notice is issued to the same parent for the same child within a three-year rolling period, the fine will automatically rise to £160 with no option to pay the lower rate of £80.

If a parent then commits a third offence in a three-year rolling period, Cornwall Council will need to consider other enforcement optional options available. This could include prosecution under section 444(1) or section 444(1A) of the Education Act 1996. If found guilty a parent would receive a criminal record and substantial fine.

### Penalty Notices are issued per parent, per child.

Therefore, if there are two parents and two children, the fines will total £320 if paid within 21 days or £640 if paid after 21 days but within 28 days (or for a second offence).

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

#### **Can a parent appeal a Penalty Notice?**

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on 01872 324298, or email educationwelfare@cornwall.gov.uk

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound - situated in Spaceship class via the Y2 playground.

#### **IMPORTANT**

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

#### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before 2:30pm to ensure the message is passed on.

### IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
