

I hope that you enjoyed reading your child's annual report just as much as I did. They have been an absolute joy to read and a pleasure to learn about the individual progress that your children have made so far, this academic year. We look forward to catching up with you in person after the half term break at our parent evenings.

## Top story this week

If you haven't already booked your appointment, please follow the links sent to you or contact our main school office who will be more than happy to help.

This week we have been raising further awareness about keeping safe online, our local police force joined us for a very informative assembly. Please take some time to talk to your children about the importance of online safety and the key messages they have been learning about this week.

Looking forward to the next busy and exciting half term, our Year 5 and 6 children will be embarking on their Year 5 and 6 residential visits. As well as our whole school Adventure Week and World Book Day and Royal Beacon Show celebrations to look forward to.

As always, thank you for your ongoing and continued support, it is so very much appreciated.

Wishing you a happy half term break.

## EYFS 'Highlight of the Week'

### Nursery

Have been very adventurous this week. We went on an expedition around the school to see what happens outside the nursery. We loved finding some flowers in bloom and we talked about how some flowers were growing even though it was still cold. We decided that Spring must be just around the corner. We have also been very busy making Shapeless Lee's and Shapeshe's, and when they meet, they make a heart shape

### Reception

This week in Reception the children have been working very hard in Maths, they have been learning all about how to find and how to make doubles. They have been using their fingers, butterflies, ladybirds, animals and numicon to support their understanding of doubles. As always, we are so proud of all the children and the incredible effort they put into all their learning. We wish you all a lovely and restful half term.

## KS1 'Highlight of the Week'

### Year 1

Year 1 have been super scientists this week! They have been exploring 'Everyday Materials'. They started by naming materials and then moved onto describing their properties. They have been sorting materials using words such as: transparent, opaque, flexible, stiff. They tested materials to see if they would float or sink and ended the week with an experiment to see which material would be best to make a coat for Ted. The children made a prediction and then worked collaboratively to find the answer to their question.

### Year 2

We have been busy artists this week in year 2. We have looked at pop art and printing and made some of our own superb monoprints. We even made printed portraits of Andy Warhol.

Our final pieces were wonderful line drawings of Cornish landmarks, including the Eden Project, the Beacon and the 'nearly home trees' printed onto colour backgrounds. We were very impressed with all the creativity!

# BeBrave Believe BeBrilliant

## Lower KS2 'Highlight of the Week'

### Year 3

We have had a wonderful week this week in year 3! We have all been scientists and we have loved our science topic learning all about the human body! We examined jelly organs and discovered the purposes of bones and muscles! We had a great time investigating if people with longer legs can jump further. We have had a fantastic half term and hope you all have a great holiday!

### Year 4

This week, we have loved our final session of tag rugby with the Cornish Pirates. We practiced kicking the ball, using a range of techniques, challenging ourselves to improve the distance. We have been so impressed with the progress the children have made over the term, both with their skills and their sportsmanship! We hope you all have a wonderful half term!

## Upper KS2 'Highlight of the Week'

### Year 5

What a lovely week to end the half term! It was wonderful to welcome local police officers into school on Monday and reinforce our knowledge about keeping ourselves and others safe when online. During geography, we have been learning about the attraction of National Parks and why it is so important for us to fight and protect them for generations to come. Wishing you all a very well-deserved rest and holiday. Have fun!

P.S. 23 sleeps until Manchester! How exciting!

### Year 6

What a brilliant last week we have had in Year 6! Children have created some brilliant persuasive letters for Mrs. Haywood; they have explored the mystery behind Charlotte Dymond's death in Talk for Reading; in math's they have continued to excel with their knowledge of fractions; and in grammar they have been amazing in revising their word classification – Miss Dougan says that they are all now experts! This morning, we have had a great time with our class treats – despite the weather.

P.S. Year 6 residential is now only 17 sleeps!

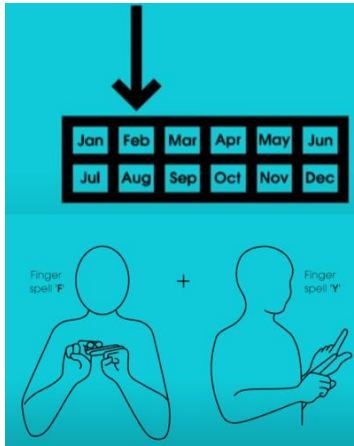

## Cosmonauts and Shine 'Highlight of the Week'

### ARB

This week in the ARB, we have been learning about how earthquakes work and testing houses in our homemade jelly earthquakes. We have also been working really hard inventing sentences using colourful semantics as well as writing.

### Shine

Shine have enjoyed learning about their bodies this week in science! We learnt the names of our biggest bones and their function. We also learned about how to keep our bodies strong. We enjoyed some computing this week too where we practiced our times tables and typing on a laptop. On Friday we tried building a model of Tintagel castle ready for our new reading text.

### ABSENCE = LOST OPPORTUNITY

#### Did You Know... ?

If Your Child's Attendance During the School Year...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...
was 95%	9 Days from School	50 Lessons
was 90%	19 Days from School	100 Lessons
was 85%	29 Days from School	150 Lessons
was 80%	38 Days from School	200 Lessons
was 75%	48 Days from School	250 Lessons

Getting Your Child to School Really Matters

In total there are 175 non-school days a year. This gives families the opportunity to:

- Spend time together
  - Go on family visits and days out
  - Go on holiday
  - Go shopping
  - Attend routine appointments.
- Holidays will not be authorised.

Taking a holiday during term time seriously affects your attendance and in turn your attainment. Booking holidays during term time may result in a fixed penalty notice.

**As always, if you have any questions or if you need some support with your child's attendance, please contact our Attendance Officer Helen Sowden**

**Direct Number: 01208 72773**

**Mobile Number: 07545431566**

### Penalty Notices

A guide to Education Welfare Services  
for parents and carers

[www.cornwall.gov.uk/togetherforfamilies](http://www.cornwall.gov.uk/togetherforfamilies)

### What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

**NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)**

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

## Attendance Information

### Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

## What Parents & Carers Need to Know about

# MONKEY

Also known as Monkey Cool, this platform aims to fill the gap left by Omigle (which has now shut down) by putting users in random video chats with strangers. Participants use their mobile number and Snapchat username to connect to the service, where they can make matches, message other people and join group chats. The mobile version has been removed from the App Store due to safety concerns, but iPhone owners can still access the site via their web browser. The app remains available on Google Play, where its listing claims that Monkey has more than 30 million users worldwide.

### WHAT ARE THE RISKS?

#### AGE-INAPPROPRIATE CONTENT

The app claims to use AI to detect inappropriate content or activity that violates its policies, along with having a 24/7 moderation team. However, reports in the media continue to indicate that explicit content, including sexually graphic or violent material, is still readily accessible to anybody who uses the app – including those aged under 18.

#### IN-APP SPENDING

While Monkey is free to download, it encourages purchases to unlock access to premium features. For example, users who wish to make use of 'snack-knock chat' (Monkey's one-to-one messaging option), rather than the app's character-driven group chatting feature, will need to pay to be able to do so.

#### CONTACT WITH STRANGERS

The obvious risk in accepting random video chat partners is that users cannot know what or who they will see on their next connection. Talking to strangers is, of course, potentially dangerous – especially for children who might be persuaded to meet up with those people offline. The app lets users find people either by location, increasing the chances of a child being contacted with a stranger from their local area.

#### INTRUSIONS ON PRIVACY

According to Monkey's privacy policy, personal information, such as name, profile picture and date of birth, user consent records, any photos, texts, videos and screenshots shared and user's user ID and address are collected. That is a considerable amount of data for Monkey to gather on its users – and all of this information is shared with third parties.

## Advice for Parents & Carers

#### DISCUSS THE DANGERS

Even if you're comfortable with your child using Monkey, it's still important to help expose the potential dangers. It's crucial, for instance, that young people recognise the risks that stem from video chatting with strangers. That they understand not to share identifying information (like their street or school name) and that they know what to do if they are exposed to inappropriate content.

#### RESTRICT IN-APP PURCHASING

If your child is accessing Monkey via an Android device, you can prevent them from making in-app purchases through the device's settings. If you do allow your child to use the site, we'd recommend that you enable this feature; young people have been known to spend significant amounts of money in these apps to unlock more features in apps such as this.

#### REPORT INAPPROPRIATE CONTENT

Monkey states in the safety section of its site that 'people are given the power' and that, in a large extent, Monkey is 'self-governing'. If a user is exposed to sexually explicit or inappropriate content on the platform, they can select the 'report' emoji in the top right corner of their screen to submit a report for Monkey's moderation team to review.

#### SPOT THE SIGNS

If you're concerned that your child is spending too much time on Monkey – or that they may have been exposed to inappropriate or distressing content – it's important to watch for potential indications that you might have cause for concern. They could be consistently irritable or unable to concentrate, for example, or failing to complete their homework or even to eat regular meals.

#### Meet Our Expert

We've consulted with an online safety expert, @nationalonline\_safety, who has reviewed this site and provided advice for you. She has also reviewed our content, digital tool ranges and other resources to help you keep your child safe online. Visit www.nationalonline-safety.org for more information.

### RECEPTION CLASSES

Can we please remind all our Reception parents that the children need to bring in named, wellies each week.

We try to spend as much time outside as possible and with the weather as it has been wellies are essential.

### IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow ZigZags outside the school. This is for the safety of your children. Please help us keep our children safe.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

### IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making.

In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.
