

Top story this week

The weeks are certainly flying by and it's hard to believe we only have two weeks left until the half term break. As always, our children have been wonderful, and school has been full of learning and exciting opportunities.

Please spread the word that we are now welcoming families who are looking for a Nursery or Reception place for next academic year. If you have friends, neighbours or family members with children due to start school, please do encourage them to get in touch. Tours are currently taking place and are a great opportunity for families to see our school in action, meet the team and learn more about life at Beacon.

This week, our Year 6 children had an incredible day exploring Geevor and Levant Mine as part of their history learning this term. They discovered what life was like for Cornish miners, and more about our Cornish heritage and, as always, represented Beacon brilliantly.

This week we also held our first SEND Family Coffee Morning, giving families the opportunity to learn more about the support and provision available for children with SEND at Beacon, ask questions and share experiences in a supportive environment. Thank you to Mrs Alway and Miss Collings for making these sessions possible, and to everyone who attended. Hopefully more families can join us for the next one.

Today, we all came together to wear yellow accessories in support of World Mental Health Day. We are so lucky we have such an incredible team that support our children to know that it is okay to talk about their feelings and support one another with kindness and understanding.

There is lots to look forward to next week as children across the school take part in a range of exciting hooks and enrichment experiences to launch their new Talk for Writing non-fiction texts. These experiences give our children inspiration and incredible vocabulary to draw upon in their writing. It is always a joy to read our children's work.

Thank you, as always, for your continued support in making Beacon such a special place. Have a lovely weekend.

EYFS 'Highlight of the Week'

Nursery

In Nursery this week we have introduced our new story 'Where's Spot?' With the playdough this week we have cut out big and small stars, and starting to identify the different sizes.

Pre-School

This week in pre-school we have introduced the story 'Whatever Next'. We have been developing our hand-eye coordination and using a pincer grip to thread pasta, creating our own shooting stars.

Reception

This week in Reception, we have been very busy innovating in Talk for Writing. We discussed what we could change the character of the Little Red Hen to; the children produced lots of wonderful ideas of characters we may find on a farm for our innovated versions. During independent learning, we created puppets of our new characters to support our storytelling.

KS1 'Highlight of the Week'

Year 1

Year 1 have had an exciting week logging on and using Purple Mash for the first time. They have created their avatars and know how important it is to never share their password and keep themselves safe online.

The children have used the tools and tasks set within Purple Mash to paint a picture and make a gingerbread man followed by saving their creations. What a great week you've had.

Year 2

Year 2 have had a brilliant week! We have been busy planning our independent journey tale, ready to write next week. In DT, we have been learning all about puppets, including how they move, before developing our sewing skills to create finger puppets using different stitches. We finished the week by designing our own puppets, ready to make next week. Well done, Year 2 - amazing work! We can't wait to see what you create next!

Lower KS2 'Highlight of the Week'

Year 3

What a busy and exciting week we have had in Year 3! In Geography, we started our new unit all about tourism and Europe. The children have explored the different countries within Europe and discussed the push and pull factors around tourism. In Maths, we have finished learning about place value; the children have worked hard to develop their understanding of numbers and have produced some lovely work. Next week, we will be moving on to addition! In writing, we have been busy putting the finishing touches on our non-fiction pieces, focusing on using all the skills we have learnt so far. Well done to everyone for another fantastic week of learning! We hope you all have a lovely, restful weekend!

Year 4

Another Incredible Week! The weather might be getting colder, but the learning is certainly heating up in Year 4! This week, our fantastic children have been inventing their own wishing tales, using dialogue to bring Ancient Greek myths and mythical creatures to life, making brilliant links to our reading and history work.

In Maths, we've been rounding numbers to the nearest 10, 100 and 1,000, while Design Technology has been electrifying as children created their very own electric toys! Basketball brought out some fierce but friendly competition, with everyone aiming for those winning baskets! Another wonderful week of creativity, determination and learning. We couldn't be prouder!

Upper KS2 'Highlight of the Week'

Year 5

It has been another busy and exciting week of learning in Year 5! In Art, we have been exploring the work of local artist Caz Scott, looking closely at her use of colour, texture and the natural world. We then used her beautiful paintings as inspiration to create our very own watercolour landscapes, experimenting with different techniques to bring our landscapes to life. In Reading, we have continued exploring the life and legacy of Olive Morris, thinking carefully about the challenges she faced and the changes she campaigned for. We have been using her story to inspire our own poetry about important themes such as equality, fairness, discrimination and standing up for what is right. The children have shared some thoughtful ideas and powerful vocabulary. Well done!

Year 6

This week, Year 6 have been shining brightly in all areas of the curriculum! In Maths, we have been learning about integers and negative numbers. In our Talk for Reading lessons, we have been exploring 'The Haunting of Aveline Jones', developing our skills in drawing inferences from the text. In English, the children have been completing their independent 'losing tales' as part of our Talk for Writing unit. We have been incredibly impressed with their writing and how confidently they have used our description toolkit.

We also visited Geevor Tin Mine to bring our learning about Cornwall and the Industrial Revolution to life. The children explored what life was like for Cornish miners and learnt about the importance of the beam engine! Superstars!

ARB

This week in the ARB, we have been developing our fine motor skills and practising writing our names with growing confidence. During our cooking sessions, we have been focusing on key life skills, including measuring, pouring and mixing. The children thoroughly enjoyed putting these skills into practice this week by making their own playdough, showing amazing concentration and teamwork throughout the lesson.

Shine

This week, the children enjoyed a visit to Lidl, where they carefully selected pumpkins to use for making pumpkin pies. Back at school, they worked together to remove the seeds, scoop out the pumpkin flesh, and prepare their delicious pies. The activity provided lots of opportunities for teamwork, patience, and following instructions, and the children were proud of their finished creations.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

Parking during drop off and collection times★

Important Notice – Parking

We kindly ask all parents and carers **not to park in the Celtic Produce car park** during drop-off or collection times.

This area is required for their business operations, and your cooperation helps us maintain a positive relationship with our neighbours.

Where possible, please use areas nearby although we know parking is difficult or allow a little extra time to park considerately and walk to the school.

Thank you for your understanding and continued support.

Can we please remind all our Nursery families to be ready at our entrance for your child's start time. When staff have to come out and let people in, it leaves the Nursery understaffed.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

Residential Trips

Please remember that payments can be made conveniently via the MyEd app, or alternatively by contacting the office.

Important Notice – Parking

We kindly ask all parents and carers not to park in the Celtic Produce car park at drop-off or collection times. This area is required for their business use, and your cooperation helps us maintain a positive relationship with our neighbours.

Thank you for your understanding and support.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

School aged vaccinations

Did you know children will be offered these routine vaccinations at school?

- ✓ **FLU** - Reception - Year 11
- ✓ **MMR** - Catch-up
- ✓ **HPV** - Year 8 - Year 11
- ✓ **Meningitis ACWY** - Year 9 - Year 11
- ✓ **Diphtheria, Tetanus, Polio (DTP)** - Year 9 - Year 11

Did you miss us?

We also have community clinics across Cornwall for:
