

## Top story this week

What a wonderful week it has been in school. Despite the chilly weather, it really feels as though the spring term has begun. Our Reception children have returned bursting with excitement after their magical trip to the Lost Gardens of Heligan. They spent the day exploring, discovering, and bringing their classroom learning to life in the most delightful setting. A special thank you to our fantastic parent helpers who joined the team, your support makes these special experiences possible.

We also held the very first of our City Adventure information evenings, beginning with our Year 5 families.

It was lovely to welcome so many of you into school and to share the incredible opportunities awaiting the children on their Manchester residential later this term. From stepping inside Old Trafford, to enjoying a spectacular theatre show, to braving the Snow Centre and exploring the National Football Museum, this trip promises to be a truly memorable experience that enriches learning far beyond the classroom.

Over the coming weeks, we will be inviting families from every year group to hear all about their own City Adventures planned for later in the year. Each year group team have been working hard to plan equally magical experiences, so do keep an eye out for the sign-up sheets to make sure you don't miss your chance to join us.

This term also marks the return of our Ignite Wonder *World of Work Week*. Throughout the week, children will be discovering the huge variety of jobs and careers they might aspire to in the future. We would be delighted to involve as many members of our school community as possible. If you have a job, skill, or career journey you'd be happy to share, please speak to your child's teacher, we know the children gain so much from hearing real stories and experiences from our Beacon families.

And finally, next week we launch our Spring Term after-school enrichment programme. Once again, we have a fantastic range of clubs and activities on offer for our children.

Wishing you all a restful weekend.

Kaye

## EYFS 'Highlight of the Week'

### Nursery

In Nursery this week we have introduced the story 'Whatever Next!'. We have been going on adventures to the moon during wake and shake. We have also created our own stars by threading.

### Pre-School

This week in Pre-school as part of our story 'Owl's Winter Rescue' we have been talking about animals that live in cold climates and how they keep warm. We have been developing our fine motor skills by creating letter sounds using snowballs.

### Reception

This week in Reception we had our first PE lesson in our new house t-shirts. We all looked very smart and we look forward to wearing them every Monday for PE. This half term in PE we are focusing on dance. We enjoyed counting the beats and exploring different ways we can move our bodies.

All of the children behaved fantastically on our trip on Tuesday- check out facebook for photos!

## KS1 'Highlight of the Week'

### Year 1

In our second week back, the children have been busy in art, learning all about landscapes and collages. They explored the work of famous artists, discovering how different techniques are used to create unique effects. We focused on a range of collage techniques including tearing, scrunching, ripping, and cutting. The children then had the opportunity to explore and practice these techniques themselves. They learned how to create a background and a foreground, before bringing all of their new knowledge together to design and create their very own landscape image. The results were fantastic, and it was wonderful to see their creativity, focus, and confidence grow throughout the process. We are really proud of the effort and enthusiasm shown by everyone and look forward to sharing more of our learning with you as the term continues.

### Year 2

This week year 2 have been using purple mash to learn how to effectively search for information using their iPads/devices and how they can do that research safely online. Children used their knowledge to create a leaflet to tell others about the different ways of searching for information using the internet. Asking Alexa was a firm favourite.

## Lower KS2 'Highlight of the Week'

### Year 3

Year 3 started this week exploring the crash site of the Iron Giant for our Talk for Writing hook. The children explored the scene with such enthusiasm and wonder, and they were brilliant in putting him back together again! We have been composing and playing beautiful pieces of music based on a non-musical stimulus and have performed these delightful pieces to the rest of the class. It was a joy to see the children explore their chosen instruments so creatively and put such a wonderful final piece together in the end. The children have put together incredible 'defeating the monster' tales in their writing lessons, and have really hit the ground running this week! Well done Year 3!

### Year 4

In Year 4 this week, children have become artists learning about the skills of wet-to-dry and wet-on-wet techniques using watercolours. They have designed and created their own botanical watercolour piece of artwork, which they are really proud of!

Children have also really enjoyed another session with Cornish Pirates in P.E, learning skills of rugby and teamwork as well as learning their 7 and 12 times tables in Maths!

Lastly, children have been mastering speech in their writing, creating their own stories based off 'The Great Kapok Tree' using words such as vibrant and engulfing!

We are excited for another week in Year 4, practicing our times tables and becoming Geographers!

## Upper KS2 'Highlight of the Week'

### Year 5

What another great week we have had together in Year 5. All children have produced an amazing biography about Sir. Isaac Newton, from his early life through to his discovery of gravity and the three laws of motion. From here, they have also begun exploring forces in science, looking at the five types of forces with gravity as a focus. A highlight next week will surely be our parachute investigation to look at the force of air resistance on Monday. On Tuesday, children had their first PE lesson this term, where we will be practicing netball. Although early days, children did fantastically well and we definitely have lots of potential moving forward. Have a fantastic weekend everyone!

### Year 6

Year 6 have been working brilliantly hard this week! They have all written some brilliant scary stories that they should be incredibly proud of. They have also been enjoying some fantastic PE, with each class doing a different activity including rugby, netball and gymnastics. We have also been enjoying our science unit about the circulatory system which we will continue with next week! Next week we will be starting a new writing unit and a new reading unit. Keep up the hard work year 6!

This week we started our 'The Very Hungry Caterpillar' topic. In English, we have been retelling the story, exploring story props, hotseating as the caterpillar and butterfly and thinking about the vocabulary. We have also created fruit printing pictures, made fruit smoothies and thought about where in the world different foods are from.

## Important Safety Reminder for Families

We kindly ask that you do not park on the yellow school lines or at the top of the school drive near the school office during drop-off or collection times.

Parking in these areas **seriously compromises visibility** for children and other pedestrians crossing the road and **puts their safety at risk.**

Please help us keep all our children safe by parking responsibly and following school guidelines.

Thank you for your cooperation and support.

### Penalty Notices

A guide to Education Welfare Services  
for parents and carers

[www.cornwall.gov.uk/togetherforfamilies](http://www.cornwall.gov.uk/togetherforfamilies)

### What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

**NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)**

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

## Attendance Information

### Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

### IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.

# IMPORTANT

For safeguarding purposes children should not be wearing smart watches in school.
