

Top story this week

Dear families,

As we approach the end of the school year, there is such a wonderful buzz around school and a real sense of community shining through in everything we do. This week, our children have moved to their new classrooms, helping them to build positive relationships, grow in confidence and become excited about the next stage of their learning journey. This has all been built around our Growth Mindset Week, with children immersing themselves in activities designed to develop resilience, perseverance and confidence in trying new things. Across the school, children have been working together, developing teamwork skills and learning the importance of supporting one another. There has been a real focus on belonging, helping children to feel connected to their new classes and recognising that we all achieve more when we work together.

Of course, much of the excitement around school has centred on the preparations for Beacon Fest! Children have been working as a team to design and create our festival flag, ensuring that every child has played a part in creating something special that represents our school community. Across the school, classes have also been busy preparing their festival stalls, planning and creating wonderful activities ready for what promises to be a fantastic day. Meanwhile, rehearsals have been taking place at every opportunity as children prepare to take to the Star Stage and wow you with their performances. We are so excited to welcome families to join the festivities and celebrate together. One of our children recently told a visitor that Beacon Fest is *"the best day in the school year when the whole school comes together to have so much joy,"* and we could not think of a better description. Beacon Fest truly captures the spirit of Beacon, and if previous years are anything to go by, this year's event promises to be every bit as incredible and memorable as ever, if not even better! Today, we also joined together with our Kernow Learning family of schools to celebrate reading as part of the Year of Reading. We shared a special assembly that highlighted the importance of reading across all Kernow Learning schools and reinforced the message that reading sits at the heart of learning. It was wonderful for our children to see that their love of reading is part of something much bigger, connecting them with thousands of children across our trust.

Following this, our whole school community came together for a picnic lunch before enjoying our weekly *Drop Everything and Read* session outdoors. Children shared favourite books with friends from different year groups and classes, talking enthusiastically about the characters, stories and authors they love. It was a truly glorious sight. There is something very special about seeing children so engrossed in books, reading together, recommending stories and discovering new titles through their friends. Moments like these remind us that reading is not only a gateway to learning but also a way of building connections, sharing experiences and inspiring a lifelong love of books.

Thank you, as always, for your continued support. We look forward to seeing many of you at Beacon Fest and celebrating the final few days of what has been another wonderful school year.

Wishing you a glorious weekend. It looks like we're in for another scorcher!

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

BeBrave Believe BeBrilliant

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.
