

Top story this week

School continues to be full of fun and adventure as we move towards the end of this academic year.

On Tuesday Y4 visited the Royal Cornwall Showground taking part in music workshops organised by Miss Clifford.

Year 2 have been learning all about Switzerland from 2 student teachers who are visiting Beacon over the next 2 weeks.

We were finally able to have our KS2 sports day having been cancelled due to poor weather, It was fantastic to see so many of you at our sporting event. We were blessed with glorious sunshine for the morning and lots of encouragement for all our participants. The races were healthy competitive, with incredible sportsmanship throughout and the claps and cheers for all competitors really reflected those positive attitudes. Thank you to all the parents, family and friends who came to support the children. We hope you had a fabulous time.

We finished off the week by welcoming our new Reception children and families to their first settling in session. We can't wait to get to know everyone over the next few weeks and are looking forward to watching the children blossom next academic year.

Have a lovely weekend, hoping the sun shines.

Kaye

Key Events for next week– KS1 and Shine

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	PE- games!	Collaging different fruits.	Inventing our own losing tales.	Outdoor learning - fire pit!	Drop everything and read.
Year 1	Let's get outside and search for signs of summer	Sun safety	PE - striking and fielding	Short burst writing	Drop everything and read.
Year 2	New Geography unit!	Short burst suspense writing	Parent residential meeting after school	PE	Drop everything and read!
Shine	Outdoor learning	Shopping trip	Cooking	Art	Drop everything and read

Key Events for next week– KS2 and ARB

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	New Talk for Reading unit	Sensational Science – Make it Dark	Sensational Science – Shadows	New Short Burst Writing focus	Drop everything and read
Year 4	New Talk for Writing unit - Hamlet	Amazing art	More amazing art!	Ukuleles	Drop everything and read
Year 5	Superhero Dialogue	Spectacular Science	Magnificent Maths	Radical Reading	Surf Trip
Year 6	Secondary School Transition Day	Science – Evolution to survive	Science – Adaptation to different habitats	Geography - Impacts of clothing production.	Drop everything and read
Cosmonauts	Amazing art	Sensational science	RE	Cooking	Outdoor learning

EYFS 'Highlight of the Week'

Nursery

This week we have been celebrating our favourite books. We have been sharing why we love to read them and painting pictures from our favourite stories.

With weather being so lovely we have also made the most of learning outside.

Reception

After all our fantastic learning all about the journey Handa went on to take the fruit to her friend Akeyo, this week we have been taking the Bee-Bots on a journey. We have been learning how to use them respectfully and how to programme them to go forwards and backwards. We are all computing superstars!

BeBrave

Believe

BeBrilliant

KS1 'Highlight of the Week'

Year 1

In Year 1 this week we have been learning about the importance of Rosh Hashanah and Yom Kippur in the Jewish community. We tried some apple and honey, which is a symbol of a sweet new year. This is a time of reflection for Jewish families. This led us to think about our own actions and how we can be our very best. We set goals for Year 2 and hope that we can achieve these!

Year 2

This week in Year 2 we have had some exciting visitors who have travelled huge distances to get here! We have been joined by two student teachers from Switzerland. The children have enjoyed asking them lots of questions about Switzerland and learning about their culture. We have also enjoyed two afternoons in the sunshine practising our games skills in PE. What a great week!

BeBrave Believe BeBrilliant

Lower KS2 'Highlight of the Week'

Year 3

On Monday, we practised for our sports day which has just been brilliant; the children showed amazing sportsmanship and support for all that took part. Well done all the winners and everyone that took part. Our new Science unit, 'What is Light', has sparked some illuminating conversations already. The children have delighted in consolidating their vocabulary from 'Escape from Pompeii' by weighing up synonyms and antonyms using Kahoot. An amazing week it was.

Year 4

On Tuesday, we went to the Royal Cornwall Showground for a music event. We participated in a range of workshops including beatboxing, vocal, dance, rhythm of the south drumming and Taiko! It was a fantastic day with lots of new skills and knowledge to learn. The children were brilliant and applied a growth mindset to all the new activities and challenges. What a fantastic week we have had!

BeBrave

Believe

BeBrilliant

Upper KS2 'Highlight of the Week'

Year 5

Well done Year 5, you have now completed your two weeks of swimming successfully. We are so proud of the incredible progress that you made during your lessons. This week has been incredible, with some beautiful writing in our reading lessons - continuing the next chapter for The Infinite Lives of Maisie Day.

Sports Day was an overwhelming success with the sun shining, ice lollies in full flow and some incredibly intense racing. We still can't believe there was only 1 point between first and second place.

Well done and have an amazing weekend!

Year 6

What a fantastic week we have had in Year 6: children have begun to explore the idea of evolution and inheritance in Science; in Geography we have looked at patterns behind where our clothing comes from; children have been exceptional in their portrait sketching in Art this week; they have finished their prototype Anderson Shelters in DT; and we have finished the week with Sports Day today.

All the Year 6 team hope that children have a fantastic time in their secondary school for transition day next Monday, and we can't wait to hear all about it next week upon their return.

Cosmonauts and Shine 'Highlight of the Week'

ARB

Shine

We have been getting outside and enjoying the sunshine this week. We love taking our learning outdoors and having the space to move around. As always, we have been working hard on our target work and our learning tasks.

This week in Shine we have had an art focus, looking at patterns in tessellation and had a go at creating our own designs. In cooking we decided to research different fruits that we could put in a fruit salad and then marveled at all the different fruits and vegetables at Celtic Produce. The children had a go at trying the different fruits and making a fruit salad. We had some interesting faces for some of the sourer fruits! Well done Shine class for another jam-packed week.

ABSENCE = LOST OPPORTUNITY

Did You Know... ?

If Your Child's Attendance During the School Year...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...
was 95%	9 Days from School	50 Lessons
was 90%	19 Days from School	100 Lessons
was 85%	29 Days from School	150 Lessons
was 80%	38 Days from School	200 Lessons
was 75%	48 Days from School	250 Lessons

Getting Your Child to School Really Matters

In total there are 175 non-school days a year. This gives families the opportunity to:

- Spend time together
 - Go on family visits and days out
 - Go on holiday
 - Go shopping
 - Attend routine appointments.
- Holidays will not be authorised.

Taking a holiday during term time seriously affects your attendance and in turn your attainment. Booking holidays during term time may result in a fixed penalty notice.

As always, if you have any questions or if you need some support with your child's attendance, please contact our Attendance Officer Helen Sowden

Direct Number: 01208 72773

Mobile Number: 07545431566

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

BODMIN COLLEGE

Year 7 Transition Bulletin

Episode 4: Welcome Events

We are willing to formally invite your child to join us at Bodmin College for the Welcome Day on Monday 1st July 2024. This day has been planned to give our new students a chance to get to know the school before the academic year begins in September. During the same week, we'd also like to invite you to visit Bodmin College on Thursday 4th July 2024 to hear further information about the vision and ambition for the school as well as invite key members of staff. Important information about both events can be found below.

Welcome Day- Monday 1st July 2024

- This event will be held at Bodmin College. Year 6 students will attend Bodmin College all day instead of their current primary school.
- The day will start at 8:45am and we'd encourage your child to arrive to the Top Tennis Courts from 8:30am. There will be lots of staff and student leaders available to show them where this is.
- Students should wear their primary school PE kit including trainers and bring their school jumper for warmth.
- We'd encourage students to bring a school bag with a drink, snack and their pencil case. If they have a mobile phone, they may keep this off and away in their bags all day, to support safe journeys to and from school. Students should also keep asthma inhalers on them if they require them.
- Students will meet their tutor for the first time and spend an extended period of the day getting to know their tutor and tutor group. They will also have an experience of two lessons with some of the teaching staff who may be teaching them in September.
- In the afternoon, students will take part in an enrichment session which mirrors our extra-curricular clubs rota. This will be a further opportunity to meet some new friends and to experience some of the extra-curricular opportunities available to them at Bodmin College. Students can indicate their top 3 preference for enrichment activity and we will allocate based on group capacity.
- We will provide all students with a break time snack and a free lunch. Students will choose their own food so please ensure your child is aware of any dietary needs in advance. If your child would prefer to bring their own packed lunch, that's fine too.
- We will finish our day in the Studio; students will be released from the rear of school. If you intend to collect your child from school site, please do so from the Top Tennis Courts. Please note that there will be no vehicular access to Bodmin College for parents/carers at the beginning or the end of the school day. We will walk a group of students to the Dragon Centre and to Victoria Square Car Park at the end of the day to avoid congestion around the school site. Please ensure that your child is aware of their end of day arrangements before they arrive to Bodmin College.
- The survey for sharing information relating to Welcome Day and indicating the preferred enrichment activity can be found here: <https://forms.office.com/e/Gaetfkuz>. This should be completed by Monday 24th June, 4pm.

Welcome Evening- Thursday 4th July 2024

- This event will be held at Bodmin College and is predominantly for parents/carers. Your child may attend with you if you'd like them to.
- There will be three identical and bookable sessions to allow you to book the best time to suit you. You only need to book one.
- Each slot will begin in the studio (at the rear of Bodmin College) with a presentation from the leaders of the school about the vision and ambition of Bodmin College, the improvements we have been making to the school curriculum and what to expect in September. We'll also share some specific information relating to Year 7.
- The presentations will then be followed by an opportunity to visit our marketplace event at your leisure. Here you will find our uniform (Keywear) and PE kit (Fitness for sport) suppliers. The new Year 7 tutors, pastoral, safeguarding and SEND teams will be available for informal conversations too.
- We anticipate the presentation to last approximately 40 minutes followed by a suggested 30 minutes in the marketplace.
- Some car parking will be available in the main car park at the front of school. After 4pm, the Bus Bay will be open for additional parking too.
- Our student leaders and staff will be on hand to direct you to the event.
- Due to limited availability in the Studio, it is important that you book your space in the Studio by following this link: <https://www.ticketsource.co.uk/bodmincollege>

IMPORTANT

For safeguarding purposes children should not be wearing smart watches in school.

If you believe that your child is a young carer then please speak to our admin team and they will advise you as to how we can help you in school.

Or you can contact Cornwall Young Carers directly on their freephone number 01736 756655, or by emailing kernowyoungcarers@barnardos.org.uk.

Cornwall Young Carers complete great work with the young carers in our county by aiming to support them to self-manage caring responsibilities, providing information, advice and guidance over the phone and working with schools.

They also provide direct 1-1 work with Young Carers and Young Adult Carers as well as offering activities on a regular basis and during the school holidays.

BEACON Breakfast Club

Open from 8:00 – 8:30 daily
(Booking required)

Our free breakfast club operates during term time and is available to all pupils. Starting at 8:00 AM until the start of school we offer the children a selection of healthy breakfast options such as toast, cereals, fruit, water, and milk. The children will then have the opportunity to enjoy reading games puzzles and other to activities.

Love your community

Please can we ask that all parents and pupils take care of our local community and take all rubbish home with them.

IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT

Polite reminder, if children are bringing scooters to school, please ensure that they walk them in once on the school premises.

This is to ensure everyone's safety on site.

Thank you

Mental Health Support Team (MHST)

The Mental Health Support Team invites you to book your place on our Transition Workshop

Transitioning into a new school can be a daunting experience. These are single hour long workshops that aim to help Parents and Carers to support their children to develop coping strategies to move smoothly from Primary School. They emphasise that as well as being potentially stressful, transition is normal and can be exciting and fun

Upcoming Session Online for Mid Cornwall Schools

Monday 15th July 10am & 4pm

Tuesday 16th July 10am & 4pm

Wednesday 17th July 10am

Thursday 18th July 10am & 4pm

Please note: This group is open to parents of Year 6 children

To request a place, complete the online form or scan the QR code provided:

All The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, tips and tips, please visit nationallcollege.com.

What Parents & Educators Need to Know about GAMBLING

WHAT ARE THE RISKS?

Gambling can be defined as betting or risking money or something of value on the outcome of a situation involving chance. Under current regulations, gambling is legal for adults in the UK. Its potential impacts on the wellbeing of individuals, families and communities are well documented – emphasizing the importance of safeguarding children and young people against these hazards.

MANIPULATIVE ADVERTISING

Adverts for online bookmakers and betting exchanges can raise concerns about targeting vulnerable groups, fostering addiction, promoting misleading expectations, impacting mental health, affecting social norms, posing regulatory challenges, influencing minors and other ethical issues. Effective regulation, responsible advertising practices and public education are essential to mitigate these concerns and address the potential harms associated with excessive exposure to manipulative advertisements.

FREE BETS!

ADDICTIVE FEATURES

All gambling products carry safety concerns. Bad games can be even riskier and more addictive. The frequency with which people can place bets can encourage them to do so often – with rapid spins and multiple betting options, for example, betting on sports events, especially with in-play betting options, can be highly engaging and habit forming. The 24/7 availability of online products can also increase the risk of excessive gambling, particularly among young people.

PEER PRESSURE

Exposure to gambling through friends, influencers or social circles can normalise risky behaviour and create unrealistic expectations about the chances of winning. Addressing peer influence requires support services, responsible advertising practices and effective education on the subject to minimise the impact on children and promote healthier choices.

IMPACT ON MENTAL HEALTH

Gambling can exacerbate mental health issues such as anxiety, depression, and stress – especially if it leads to financial loss. Individuals with existing mental health conditions may use gambling as a coping mechanism – but the cycle of gambling can worsen their symptoms, creating a detrimental impact on overall wellbeing. Integrated support services and treatment options are crucial to address these interconnected challenges effectively.

GATEWAY BEHAVIOURS

Certain features of other products – such as video games that offer in-game purchases – can lead to gambling among young people. These mechanisms can sometimes be designed to exploit psychological vulnerabilities, encouraging repeated spending to acquire virtual items or advantages. Such practices can normalise the monetised risks and desensitize young people to putting their or their family's money in danger.

FINANCIAL DIFFICULTIES

The most common impacts of online betting come in the form of financial losses and debt. This, in turn, can lead to distorted perceptions of money, deterioration of relationships, social isolation, and poor academic and career outcomes. Regular gambling can even exacerbate other risky behaviour by making it seem less significant – potentially leading to a cascade of harmful impacts and financial loss.

Advice for Parents & Educators

ENCOURAGE OPEN DISCUSSIONS

Sporting events can be a good opening for conversations about gambling, as some promotions may reassure and even gamblers. Talk to children about how these promotions make them feel and encourage frequent conversations about any concerns they may have. Adverts, influencers and online platforms may also feature gambling products. As a child grows, it's important to encourage their critical thinking skills to help them avoid being manipulated by this type of marketing.

KNOW THE WARNING SIGNS

Parents and educators should be vigilant for signs of gambling harm among young people. Look for changes in their behaviour such as increased secrecy, unexplained money issues, mood swings or withdrawal from their usual activities. Open conversations about gambling risks and maintain a supportive, non-judgemental environment. Try to familiarise yourself with resources and helplines for assistance and guidance.

MONITOR SPENDING

In-game purchases can be appealing to children, allowing them to unlock new features or cosmetic items in a fraction of the time it would take to win them by playing. Talk to children about how they spend money online, on in-app purchases and video games they play can encourage the conversation. Consider setting up restrictions on their devices, requiring their parent or carer's permission before making any purchases. Talk about finances regularly and openly.

GET FURTHER SUPPORT

Support and treatment for young people is available via the Young People's Support Service at GamCare, who can be contacted at 0800 8030 133. A line to their website which allows them to be included in the service of this guide, along with links to several other support networks. Your GP and local NHS gambling clinic are also available if you require additional advice. Don't hesitate to reach out for help if you're concerned about a child's gambling behaviour or their financial situation.

Meet Our Expert

Ygam's mission is to prevent children and young people from experiencing gaming and gambling harms through awareness raising, education, and research. The charity was established in 2014 as a result of the lived experience of their founders.
