

Top story this week

We have had another jam-packed week at Beacon, full of fun and wonderful learning. In addition, each class has had the opportunity to be completely immersed in the new English texts they are studying. Examples include our year 5 children, currently in the process of filleting fish and creating cave paintings, our year 6 children had a brilliant day at the beach in role as the characters from their new text 'Holes', year 3 were searching for Thors hammer in the woods, while year one were collecting sounds through the streets of Bodmin.

It has been a joy to see Cosmonauts class settling into their wonderful new learning space over the last two weeks.

With the building work completed at the end of the summer holidays, there was a very quick turnaround to get the space ready for the new academic year. Miss Collings is working her magic, and we are looking forward to inviting the families of our Cosmonauts children in to look at our incredible new unit and join us for the official opening on Friday 4th October.

This week our new preschool space officially opened its doors for our preschool children. This additional space will allow more children to benefit from attending our nursery provision and to ensure an even stronger start to their school journey with even stronger transitions into reception. Over the holidays the team worked tirelessly to ensure that the space had the correct resources and spaces to continue to provide our children with an exceptional preschool curriculum and exceptional educational experiences. It has been wonderful to see how quickly the children have settled into their new space and routines and a joy to see such incredible learning behaviour already.

This week we also held our expectations evenings for reception, year 3 and year 6 parents. It was super to see so many of you there. Copies of our welcome booklets and PowerPoint will be available on our website for each year group.

Looking forward to next week, we are encouraging our children to bring their bikes and scooters to school as part of 'cycle to school week'. It is also the first week for our after-school clubs. We have such a wonderful wide variety of clubs on offer for all year groups, and we are delighted that every child received their first choice.

Wishing you a super weekend

EYFS 'Highlight of the Week'

Nursery

We have been busy zooming off to the moon this week, learning the story Whatever Next! And singing 5 little men in a flying saucer. To help us keep track of how many aliens zoom off we have been making our own playdough and using it to create our aliens.

All the teachers in the pre-school want to share with you how proud they are of the way that all the children have settled into their new room and routine. You have all shone brightly this week!!

Reception

Another fantastic week in Reception! In Maths, we have been exploring weight using scales and learning the language heavier and lighter. We have also compared size by using the language tall, short, big and small.

We are all very excited to start learning our new story 'The Little Red Hen' in Talk For Writing next week.

KS1 'Highlight of the Week'

Year 1

Year 1 have been artists this week, learning how to paint self-portraits by creating secondary colours for the different features that make us unique.

We have also been learning in maths how when we count forwards that numbers get bigger, we used numicon to make a number line that showed this.

Year 2

This week we have been geographers learning about why maps are useful. We had an excellent time learning about ariel views. We have also drawn maps of the local area and created 3D models of Bodmin. For our Talk for Writing hook, we baked gingerbread men. On our return to class, we had an exciting time searching for them after they had escaped from their baking trays! We then enjoyed decorating and eating the cheeky biscuits! Yummy!

Lower KS2 'Highlight of the Week'

Year 3

This week, year 3 have been scientists learning all about different rocks and their properties. We now know many examples of different sedimentary, igneous and metamorphic rocks and how they are formed/ created. We can't wait to continue our learning next week as we look more at their properties and move onto fossils. Alongside scientists, we have been researchers as we went on a scavenger hunt through the Beacon woods, on the hunt for 'Thor's Mighty Hammer' as part of our hook for our new Talk For Writing text. All the adults in year 3 are so impressed with all the children and can't wait to see what they can achieve next week!

Year 4

Another incredibly busy and productive week in year 4! During the mornings, we have been enjoying reading 'A Whole New World- A Twisted Tale,' by Liz Braswell. We brought the text to life by using key paragraphs as a basis for our role play and drama work. We think lots of the children in Supernovas and Constellations are destined for the stage in years to come!

Have a lovely weekend, we can't wait to welcome you back on Monday!

Upper KS2 'Highlight of the Week'

Year 5

Wow, what a week! This week children have begun learning about rivers; focusing on the features of the upper, middle and lower courses. On Monday we will be bringing this learning to life through an incredibly fun, hands-on experiment.

Children also enjoyed finishing off our learning about 'Blackberry Blue' during our 'Talk for Reading' sessions – many children are eager to purchase this story and find out more!

Have a fantastic weekend, see you on Monday!

Year 6

What a great week we have had in year 6. We started on Monday with our trip to Fistol beach for our Talk for Writing hook linked to Holes. The weather was amazing! We have also explored the rules for using speech in our writing, looked at number lines to 10,000,000 in maths and created some fantastic portraits in art.

A big thank you to those parents who were able to attend our Meet the Teacher meeting yesterday. Rest assured that all information will be posted on our website and that our doors are always open if you ever need us.

Have a lovely weekend.

It's been another fantastic week in the ARB this week. We started our topic of 'Fairytales' and have been listening to and retelling the story of 'The Gingerbread man', making bridges to help him cross the rivers and exploring the properties of materials.

Shine

We have had a busy few weeks in Shine. The children have been spending there mornings with Y4 and have blown us away with how amazing they are adapting. In the afternoons we have been looking at windows, and how we all have things that make our windows bigger so that we can be more resilient and have greater tolerance. To round up a successful few weeks we took a trip to the beacon for a lovely picnic in the sunshine and some games.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

If you believe that your child is a young carer then please speak to our admin team and they will advise you as to how we can help you in school.

Or you can contact Cornwall Young Carers directly on their freephone number 01736 756655, or by emailing kernowyoungcarers@barnardos.org.uk.

Cornwall Young Carers complete great work with the young carers in our county by aiming to support them to self-manage caring responsibilities, providing information, advice and guidance over the phone and working with schools.

They also provide direct 1-1 work with Young Carers and Young Adult Carers as well as offering activities on a regular basis and during the school holidays.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.

Nursery

Can we please remind all our Nursery families to be ready at our entrance for your child's start time. When staff have to come out and let people in, it leaves the Nursery understaffed.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.
