

## Top story this week

We've finally reached the end of January, and I think we're all ready to welcome those brighter days that are on their way.

It was such a pleasure to see so many of you at our Roving Book Fair over the past two days. The children absolutely loved browsing the gorgeous selection of books, and our teachers were just as excited as they chose new titles to enrich our reading-for-pleasure shelves across Beacon. Thanks to your enthusiasm, we've been able to bring a fantastic number of new books into school.

A big thank you to the teachers who shared all the exciting news about our Year 3, 4 and 6 city adventures taking place in the summer term. If you couldn't make it, please don't worry — the PowerPoint and all the information are now available on our website for you to look through whenever suits you.

Next week, we're looking forward to welcoming our Year 2, Year 1 and Reception families to hear all about the amazing experiences your children will be having on their visits around Plymouth, Truro and Bodmin. These trips are always so memorable, and we can't wait to share the plans with you.

It's also our Ignite Wonder *World of Work Week* next week, one of the most inspiring weeks of the year. Our children gain so much from hearing real people talk passionately about their jobs, skills and experiences. Thank you to all the families and friends who have volunteered their time to come in and speak with the children, and to the team for arranging such a rich and exciting line-up to help our pupils imagine the opportunities they might aspire to in the future.

And of course, we've all been following Mr Herman's journey on *The Floor* over the past few weeks... what an absolute legend.

Wishing you a wonderful weekend.

Kaye

## EYFS 'Highlight of the Week'

### Nursery

This week in Nursery we have introduced our new story 'The Tiger Who Came to Tea'. We have been using the story props to help us re-tell the story. We have learnt the song and actions 'Pat-A-Cake'.

### Pre-School

We have been enjoying listening to the story 'The Three Billy Goats Gruff'. We have been repeating some of the key phrases when listening to the story. We have been developing our fine motor skills by making trolls with the playdough.

### Reception

This week in Reception, we have been super mathematicians. We have been exploring one more and one less. We have been reading the story 'Six Dinner Sid' to support our learning; we have used ten frames and counters to represent the dinners Sid eats in the story. All the adults in Reception are very proud of the progress the children have made in Maths. To finish our week, we loved looking at the amazing books at the Book Fair.

## KS1 'Highlight of the Week'

### Year 1

Year 1 have had another brilliant week of learning and enthusiasm in the classroom. This week, we have been exploring our latest physical geography unit, *Weather and Our Lives*, where the children have learned all about different types of weather and weather patterns, where they occur, and how they affect the world around us. We have also been learning about the different countries in the UK and their capital cities, linking this knowledge to how weather and forecasts can impact our daily lives, from sunshine and snow to flooding. The children have shown fantastic curiosity and excitement throughout the week and have thoroughly enjoyed every activity, making it a joy to see their growing understanding and engagement with this topic.

### Year 2

Year 2 have loved exploring all the different books at the Roving Book fayre this week. The children were excited to see familiar favourites and find interesting new books, as well as spot chapter books to aspire to read. We were really impressed with how respectful our children were when looking at the books and returning them safely to the shelves.

Well done Year 2!

## Lower KS2 'Highlight of the Week'

### Year 3

Year 3 have been learning all about online safety this week in computing. We have learnt about ways to stay safe online, age related content ratings, and ways to report unsafe/unwanted content. We have had a go at making some 'spoof' websites to emphasise just how easy it is, and to highlight what to look out for to stay safe when accessing the internet. We have had fun learning how to send emails to each other and explored how to create blog posts and more. Look out for our upcoming online safety workshop in school!

### Year 4

This week in Year 4, children have been amazing mathematicians learning about factors, multiples and drawing factor bugs in their maths books! Children then continued to learn about multiplication, learning how to multiply or divide any number by 10 or 100. Of course, children have also been practising their times tables up to 12 x 12 and are loving when they get faster answering questions! They are trying so hard and we are so proud of the progress they are making. Well done to Constellations for winning the TTRS battle- it was so close! Look out for the next one.

## Upper KS2 'Highlight of the Week'

### Year 5

In Year 5 this week, we have loved revisiting the Ukulele in our music lessons – looking at individual chords, melodies and then reading music to perform. Alongside this, children did exceptionally well in converting between mixed numbers and improper fractions in maths; in reading, they loved writing their own poetry linked to the technique of irony; and in writing, we have planned an excellent wishing tale linked to our upcoming residential to Manchester. Have a lovely and restful weekend. Next week we look forward to looking at lots of different careers for World of Work Week.

### Year 6

Year 6 have been loving writing their own poems in reading this week! They have written some fantastic poetry and should be very proud of their work.

We have also enjoyed browsing the book fair that has been in school this week. The children have had an opportunity to buy some lovely books and, as a school, we have purchased some fantastic books for the children to enjoy at school.

This week we have been creating hungry caterpillar leaves and drawing fruit in art. In science, we have been grouping animals depending on their diet as well finding foods in sensory trays and feeding them to the correct animals. We also found out about different food people eat for breakfast around the world and thinking about which ones we'd like to try in geography. In English, we have been describing caterpillars and butterflies using adjectives.

## Important Safety Reminder for Families

We kindly ask that you do not park on the yellow school lines or at the top of the school drive near the school office during drop-off or collection times.

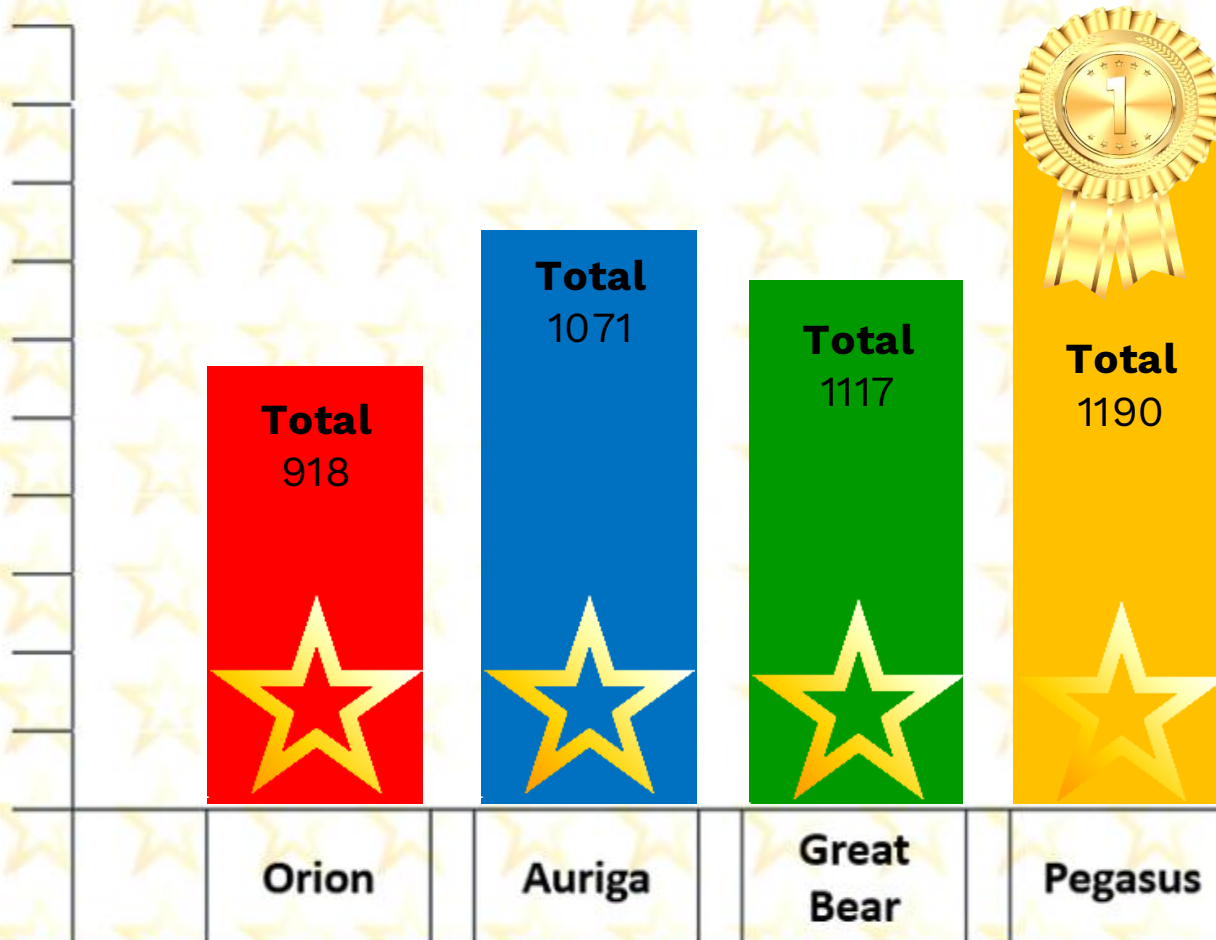

Parking in these areas **seriously compromises visibility** for children and other pedestrians crossing the road and **puts their safety at risk**.

Please help us keep all our children safe by parking responsibly and following school guidelines.

Thank you for your cooperation and support.

### Penalty Notices

A guide to Education Welfare Services  
for parents and carers

[www.cornwall.gov.uk/togetherforfamilies](http://www.cornwall.gov.uk/togetherforfamilies)

### What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

**NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)**

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

## Attendance Information

### Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

### IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
