

Top story this week

Dear Families,

As we begin to draw this academic year to a close, there is a real sense of excitement across the school as we start looking ahead to September. This week, our children found out who their new teachers will be for the next academic year, and we are already busy planning our extended transition programme to ensure every child feels confident, secure and excited about the move to their new class.

Yesterday, some of our families met with their child's new teacher to share important information, discuss individual needs and celebrate the things that make each child unique. Next week, we are delighted to welcome all families into school to meet their children's new teacher. You will hear about expectations for the year ahead and learn about the exciting experiences planned for each class. Families will also find out more about our upcoming Growth Mindset Week and the preparations for our legendary Beacon Fest!

This week, it also the turn of our Year 1 children to embark on their city adventure to Truro. What an incredible day they had! From exploring the magnificent Truro Cathedral and discovering Cornwall's history at the museum, to spending time in the library and enjoying a delicious meal together, they had a blast. As always, they were exceptional ambassadors for our school and made the team incredibly proud. A huge thank you to our wonderful staff team for organising and supporting the trip, and to our families for helping make these memorable experiences possible.

Top story continued

Finally, it was third time lucky for our KS2 Sports Day, and what a Sports Day it turned out to be! It was everything we could have hoped for and more. While there were plenty of exciting races and competitive moments, what stood out most was the incredible teamwork, encouragement and sportsmanship shown by our children. The atmosphere was simply magical. The smiles, laughter and excitement were infectious, and it was wonderful to see so many families lining the field, sharing in the joy and celebrating every achievement. Our ARB children also enjoyed their very own Sports Day this week, it was wonderful to see our families joining the team for a very special afternoon.

As we look ahead to next week, we are also incredibly excited for our current Year 2 children as they prepare for their City Adventure to Plymouth. They have a jam-packed two days planned and we can't wait to hear all about it.

Next week is all about our incredible Year 6 children. It is hard to believe that their time at Beacon is drawing to a close and, with their Prom and Leavers' Assembly fast approaching, there is sure to be a mixture of excitement, pride and more than a few tears. Year 6 have been an extraordinary group. The Leavers' Assembly is always one of the most special moments when we reflect on the friendships, achievements and memories that have shaped their journey. Their Prom will be a wonderful opportunity to celebrate everything they have accomplished and create one final magical memory together as Beacon pupils.

Wishing you all a wonderful weekend.

Kaye

Key Events for After Half Term– Reception and KS1

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	Learning about churches with Bertie Owl.	Celebration of what we have achieved in Reception.	Inventing our own stories.	Bodmin Adventure trip.	Class Treat.
Year 1	New RE Unit!	Let's write about our trip to Truro!	PE Day!	Adventurers Class Treat!	Explorers Class Treat!
Year 2	Pack your bag for our exciting trip to Plymouth!	Plymouth residential – sleeping with the sharks.	Plymouth residential – visiting Tamar Bridge.	Printing in art.	Celebrating our last day in Year 2.

Key Events for next week– KS2 and ARB

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	Art Block painting	Math Money hot task	TfW - Independent application	PE	Celebrating the last day in Year 3!
Year 4	DT Textiles	DT Textiles continued...	Final Ukelele Lesson PE	Last lessons in Year 4!!!	Celebrating the last day in Year 4!
Year 5	Class Photos!				Celebrating the last day in Year 5!

EYFS 'Highlight of the Week'

Nursery

This week in Nursery we have started to explore our new story 'The Gruffalo'. We created masks and used our imagination to become the Gruffalo with our friends.

Pre-School

This week in Pre-school we have introduced the new story 'Cave Baby'. We have been helping and working together to complete large floor puzzles developing our motor skills.

Reception

This week in Reception, we have been creating our own baskets like the one Handa uses in 'Handa's Surprise'. The children have weaved card to create them. They independently chose to cut and stick card to create handles. Alongside this, we have been retelling and writing our innovated stories that are full of wonderful descriptions.

BeBrave Believe BeBrilliant

KS1 'Highlight of the Week'

Year 1

Year 1 have had a spectacular week of learning and adventure! In Science, we explored the season of summer, learning when it occurs, how it differs from the other seasons we have studied, and how it affects our lives. We also enjoyed our exciting residential trip to Truro, where we explored the city, took a fascinating tour of Truro Cathedral, visited the Cornwall Museum and Art Gallery to link back to our learning on changes over time by creating traditional toys, and finished the day with a delicious meal at Lounge. Every child was an absolute credit to the school, showing excellent manners, enthusiasm, and curiosity throughout. It was wonderful to see smiles from start to finish—we are so proud of you all. Well done, Year 1!

Year 2

This week Year 2 have been learning about mechanisms and how they work. With a partner they created their design using the techniques they have learnt throughout the year to join and strengthen their wind-up toys. Some children made fishing rods, other children made boats with anchors. The children evaluated their creations, what went well and even better if next time we.....

Well done Year 2!

BeBrave[★] Believe[★] BeBrilliant[★]

Lower KS2 'Highlight of the Week'

Year 3

Year 3 were incredible during their sports day this week, and what a day it was! The children showed great resilience, determination and sportsmanship as they competed across a range of events. Everybody tried their best and have shone brightly as athletes in every event that they competed in. We are also so proud of how they cheered on their peers in the supporter area in between events and races. Well done for a fantastic sports day Year 3!

We have also been learning about forces and magnets in Science this week, and the children have worked smartly to use magnets to design and solve problems. We conducted experiments using force metres and used our observation skills to make predictions.

Year 4

This week in Year 4, the children have been learning all about decimals and using a variety of fun games and activities to help them understand and practise their new skills. They have enjoyed working together to compare, order, and identify decimals in different ways. In writing, the children have been writing fantastic imaginative stories about discovering a monster in a room. They have worked hard to include speech in their writing, making their stories exciting and bringing their characters to life. We are also incredibly proud of the children's fantastic effort and enthusiasm during Sports Day. They showed excellent teamwork, determination, and resilience throughout the events, and it was wonderful to see them encouraging one another and trying their very best.

Upper KS2 'Highlight of the Week'

Year 5

Year 5 have had another wonderful week this week. The children have been using protractors to measure angles in maths and have been finishing writing their narratives about a character with a flaw. Before finishing off the week with a fantastic sports day. The Year 5 children all did themselves proud with their superb sportsmanship, cheering on their teams and showing off some amazing sporting abilities. The ice-lollies were very well received in the sunshine. We hope you have a wonderful weekend and look forward to another lovely week.

Year 6

This week has been another fantastic one in Year 6! The children have continued working enthusiastically on their fiver challenge, creating eye-catching posters and carefully planning shopping lists as they develop their business ideas.

Alongside this, we have been busy practising for our leavers assembly. The children have been working incredibly hard to learn their lines and songs, and we are looking forward to sharing their wonderful performance with you soon. We ended the week with a glorious Sports Day, where the children showed great determination, teamwork and sportsmanship. It was wonderful to see everyone enjoying the sunshine and cheering each other on. What a lovely way to end the week. Have a restful weekend and we look forward to seeing you all on Monday.

ARB

This week we have thought about emotions through making faces out of natural materials. We made giraffes with movable necks in art and created animal collages using different textures and materials. We compared the size and textures of leaves and made prints of these in science and made our own fruit jelly in cooking. We also invited out parents in for an afternoon of games and play.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

10 Top Tips for Parents and Educators SUPPORTING YOUNG PEOPLE TO BUILD EMOTIONAL RESILIENCE

With increasing societal pressures, many children struggle with managing emotions, facing challenges and processing failure in a healthy way. This is why building emotional resilience in young people is vital for their mental health and personal development. This guide provides practical strategies for parents and educators to help children develop resilience and foster confidence, adaptability and a positive mindset.

1 ENCOURAGE OPEN COMMUNICATION

Regularly engaging children in open dialogue fosters trust and emotional expression. Encourage them to share their thoughts and feelings freely without judgment. Set aside time daily, perhaps during dinner, to ask open-ended questions such as, "What's made you happy today?" This encourages children to express themselves openly.

2 MODEL POSITIVE BEHAVIOUR

Children often learn how to manage emotions by observing adults. By modelling calm and positive responses to challenges, you can teach them valuable emotional management skills. If you're faced with a difficult day, verbalise how you're feeling and explain how you plan to handle it, such as, "I'm a bit worked-up, so I'm going for a walk to clear my mind."

3 TEACH PROBLEM SOLVING SKILLS

Helping children break down challenges into manageable steps encourages a proactive mindset. Explain that every problem has a solution, even if it's not immediately obvious. For example, if a child is stuck on homework, support them in breaking the task into smaller steps, saying things like "let's focus on just this first question for now."

4 FOSTER A GROWTH MINDSET

Encourage young people to view mistakes as learning opportunities. A growth mindset helps them see setbacks as part of the process, rather than something to be afraid of. After a child loses a game or performs poorly on a test, for example, ask them what they've learned from the experience. This reinforces the idea that effort – and even failure – leads to improvement.

5 PROMOTE SELF-CARE PRACTICES

Teaching children about self-care helps them understand the importance of balancing work with relaxation to maintain emotional wellbeing. Parents and carers could start a screen-free hour before bedtime where the family engages in relaxing activities like reading, setting an example to the child for how to unwind.

6 BUILD HEALTHY RELATIONSHIPS

Strong relationships with peers and adults provide a support system that enhances resilience. Encourage positive, respectful interactions to develop social skills. Playdates or group activities can be instrumental in teaching children how to resolve conflicts with friends by modelling and practising calm communication.

7 SUPPORT EMOTIONAL AWARENESS

Helping children to identify and name their emotions allows them to manage these feelings more effectively. When a child's upset, encourage them to talk to you about what they're feeling in an open, calm, and supportive manner, and ask them why they might be experiencing these emotions.

8 ENCOURAGE INDEPENDENCE

Giving children opportunities to make their own decisions boosts confidence and problem-solving skills. A good example of this would be letting children choose and pack their own lunches for school, guiding them with options but allowing them to assume responsibility for the task to help them take ownership.

9 DEVELOP COPING STRATEGIES

Teaching children techniques like mindfulness, deep breathing or journaling can help them to manage stress. Show them how to perform breathing exercises when they're feeling anxious, and practise this regularly. Reinforcing the behaviour in young people will make it easier for them to use these techniques of their own accord during stressful moments.

10 CELEBRATE SMALL WINS

Recognising effort, no matter how small, reinforces perseverance and encourages children to keep trying. After a child completes a difficult task, makes progress on a project or reaches another type of personal goal, praise their efforts. Emphasise the hard work they've put in and be sure to let them know how proud you are!

The Cornwall Reading Challenge

We are excited to announce the **Cornwall Reading Challenge** for the summer of 2026. This will be an opportunity for children of all ages to engage with their local library and receive incentives to continue their reading over the summer holidays.

The **Cornwall Reading Challenge** combines **FREE** access to books along with fun, creative activities during the summer holidays. Throughout the Challenge, library staff and volunteers support the children, helping them to discover new authors and illustrators and to explore a wide range of different types of books and ways of reading.

How the Challenge works

- Children sign up through their local library and receive a swim voucher and a challenge booklet
- Children can enjoy six books in a way that works for them between 11th July and 12th September and they will be able to collect stickers and rewards along the way
- Library staff and volunteers will be on hand to help and there will be activities on Saturday mornings throughout the challenge at Bodmin library
- Children who complete the **Cornwall Reading Challenge** are presented with a free link to a [Cornwall treasure trail](#), a certificate and a medal

How do schools benefit?

- The **Cornwall Reading Challenge** is inclusive and can contribute to the achievement of **ALL** your pupils including those with special educational needs, disadvantaged pupils and the most able
- It enhances and supports your school's reading policy and your mission for all children to read more widely and for pleasure
- It encourages parental engagement and family involvement in reading and helps your school make links with the library and the wider community
- It allows children to become more independent in their reading when choosing books and encourages using imagination and empathy to explore a text beyond the page
- It takes place at your local library and is a brilliant opportunity for extra-curricular activity
- It keeps your pupils reading over the summer, ready for their return to school in the autumn, and supports the successful transition between year groups and key stages

By championing the **Cornwall Reading Challenge** in your school, you will be continuing to support your pupils' learning during the holidays, ensuring they return ready for a great start to the new academic year.

It's FUN! It's FREE! It's LOCAL!

Parking during drop off and collection times★

Important Notice – Parking

We kindly ask all parents and carers **not to park in the Celtic Produce car park** during drop-off or collection times.

This area is required for their business operations, and your cooperation helps us maintain a positive relationship with our neighbours.

Where possible, please use areas nearby although we know parking is difficult or allow a little extra time to park considerately and walk to the school.

Thank you for your understanding and continued support.

Young Carers

AM I A YOUNG CARER?

If any of these sound like you, you may be a Young Carer...

- Practical tasks -**
cooking, housework, shopping and gardening.
- Physical care -**
helping the cared for in/out of bed, around the house, outside the home.
- Emotional support -**
listening, talking and showing empathy.
- Personal care -**
undressing/dressing, bathing, using the toilet.
- Managing the family budget -**
paying bills, seeking benefits, working to contribute financially.
- Supporting with Communication -**
Making calls, relaying needs to professionals, helping a sibling communicate.
- Dealing with Medication -**
collecting prescriptions, giving medication, attending appointments.
- Supporting family members during crisis -**
calling emergency services, providing emotional support during hospital visits, dealing with the trauma after the event.
- Looking after siblings -**
feeding, bathing, dressing, homework, emotional support.
- Completing daily nursing tasks -**
clearing peg/breathing tubes, personal care, feeding and bathing.

To find out more, scan the QR code

If you believe that your child is a young carer then please speak to our admin team and they will advise you as to how we can help you in school.

Or you can contact Cornwall Young Carers directly on their freephone number 01736 756655, or by emailing kernowyoungcarers@barnardos.org.uk.

Cornwall Young Carers complete great work with the young carers in our county by aiming to support them to self-manage caring responsibilities, providing information, advice and guidance over the phone and working with schools.

They also provide direct 1-1 work with Young Carers and Young Adult Carers as well as offering activities on a regular basis and during the school holidays.

Nursery

Can we please remind all our Nursery families to be ready at our entrance for your child's start time. When staff have to come out and let people in, it leaves the Nursery understaffed.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

Residential Trips

Please remember that payments can be made conveniently via the MyEd app, or alternatively by contacting the office.

Important Notice – Parking

We kindly ask all parents and carers not to park in the Celtic Produce car park at drop-off or collection times. This area is required for their business use, and your cooperation helps us maintain a positive relationship with our neighbours.

Thank you for your understanding and support.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

School aged vaccinations

Did you know children will be offered these routine vaccinations at school?

- ✓ **FLU** - Reception - Year 11
- ✓ **MMR** - Catch-up
- ✓ **HPV** - Year 8 - Year 11
- ✓ **Meningitis ACWY** - Year 9 - Year 11
- ✓ **Diphtheria, Tetanus, Polio (DTP)** - Year 9 - Year 11

FLU

MMR
