

Top story this week

Dear families,

We have had a wonderful second week back at Beacon. A particularly warm welcome goes to our newest nursery children, who joined us this week. Starting nursery is such a big milestone, and we are incredibly proud of how well they have settled in exploring their new environment, making new friends and beginning their Beacon journey.

As many of you know, this week has been all about bringing learning to life through memorable experiences. We are incredibly fortunate to have secured the Clore Duffield Grant, which will fully fund educational experiences for our children throughout this academic year.

This is fantastic news for our Beacon community. Through our Ignite Wonder curriculum, we already place great value on enriching learning through incredible experiences and our City Adventures programme. Thanks to this funding, we will be able to provide even more exciting opportunities that inspire curiosity and expose children to new experiences, all at no cost to our families.

This week, several year groups have enjoyed fantastic experiences linked to their new English texts.

Our Year 6 children travelled to Fistril Beach for an exciting introduction to *Holes* by Louis Sachar. Dressed as inmates from Camp Green Lake, they spent the day digging holes in the sand while staff took on the roles of camp wardens and supervisors. It was a brilliant way to immerse the children in the story and bring the themes, characters and setting to life.

Meanwhile, our Year 1 and Year 2 children found themselves dealing with all sorts of mysterious happenings linked to their class texts. From pesky gingerbread men causing havoc around classrooms to magical porridge appearing where it certainly should not, our youngest children were full of excitement and curiosity.

Our Year 5 children enjoyed a memorable visit to Carnglaze Caverns on Thursday as an introduction to their new class text, *Wolf Brother*. Exploring the dramatic underground caverns and natural surroundings helped bring the adventure and wilderness of the story to life and provided the perfect launch into their learning this term. A very special thank you to our volunteers who made this possible.

Top story continued [★]

Looking ahead to next week, the exciting experiences continue. Our Year 4 children will be visiting the Eden Project, linked to both their history learning and class text. We are also looking forward to welcoming the Royal Cornwall Farm and Country Roadshow, who will be visiting our Reception children for what is sure to be a fantastic hands on experience.

Next week also marks the start of our Autumn Term extracurricular clubs programme. As always, we are delighted to offer a wide range of opportunities beyond the classroom, including sports, music, creative arts and much more.

Finally, we have now launched our tour programme for families interested in Nursery, Preschool and Reception places for the academic year 2027. If you know families who are looking for an ambitious, nurturing and inspiring school community, please help us spread the word. Keep an eye on our social media channels for tour dates and information, and don't forget to share our posts with friends and family. There is no better recommendation than one from our own Beacon families.

Thank you, as always, for your continued support. We hope you all have a lovely weekend.

EYFS 'Highlight of the Week'

Nursery

In nursery this week we have been busy exploring our new environments and listening to our new story 'Dear Zoo'. During independent learning we have been painting lion masks!

Pre-School

This week in pre-school we have continued to explore activities linked to our story 'The Colour Monster'. We have been developing our fine motor skills by ripping tissue paper and sticking to create our own colour monster.

Reception

This week in Reception we have continued to learn our school routines and rules. The children are walking around the school quietly and respectfully, lots of adults are commenting on how amazing they are!

Within independent learning, we have been working on our fine motor skills and making our fingers and hands strong.

KS1 'Highlight of the Week'

Year 1

Year 1 have had an exciting week, we went on an adventure and made some magic porridge, it was delicious, sweet and creamy!

We have been artists this week and painted our own self-portraits. We used a photograph of ourselves to look at our features and choose the correct colours for our hair, eyes, nose, mouth and whether we wore glasses or not. Miss Bulford and Miss Bragg were blown away with how amazing they all were.

Year 2

Year 2 have had an outstanding week! We started our new Geography topic all about maps, exploring different types of maps, what they show, and how they are used with compasses and directions. We also had an exciting hook for our new Talk for Writing text, *The Gingerbread Man*. After creating our own Gingerbread Men, we returned from break to discover a crime scene - they had gone missing! The children became detectives, following clues around school after watching a suspicious video of the Gingerbread Man on the run. They were thrilled to discover recipe cards and the story of his journey. We can't wait to see what they achieve in their writing this term. Amazing work, Year 2 - keep it up!

Lower KS2 'Highlight of the Week' ★

Year 3

Year 3 have been super scientists this week! We have explored the 3 main categories of rocks and have been hands on identifying and investigating the different properties of these rock samples. We have also been learning about fossils, and have been looking at what we can learn about the fossil samples. Year 3 have also been producing some fantastic short burst poetry, using lightning and Thor's mighty hammer as our stimulus. The children have worked tirelessly this week and have shone brightly in everything that they have done. Well done Year 3!

Year 4

Year 4 have had a busy and creative week! In Art, they have been using collage techniques to create beautiful Cornish landscapes, carefully thinking about the difference between the foreground and background. In Maths, the children have been learning about Roman numerals and developing their understanding of how they work. During Reading, they have enjoyed debating and discussing characters, exploring their different traits and using evidence from the text to support their ideas. It has been a fantastic week of creativity, learning and discussion! We cannot wait for our trip to the Eden Project on Monday, ready to start our new Talk for Writing text.

Upper KS2 'Highlight of the Week'

Year 5

What an amazing week we have had together in Year 5. This week, children have continued writing some excellent poetry; they have loved exploring Blackberry Blue in reading and have been learning how to write numbers in the hundreds of thousands!

However, this week's highlight definitely goes to our visit to Carnglaze Caverns yesterday. Children were amazing when exploring the cave systems and can't wait to start our new writing unit next week.

Have a lovely and restful weekend everyone. We can't wait to see you all on Monday.

Year 6

Year 6 have had another amazing week! We had so much fun on the beach for our writing hook, digging holes in the sand and enjoying the sunshine. The children have written some amazing poems in our writing lessons and we have loved seeing their creativity shine. In reading, we have been enjoying getting stuck into our new texts from *Holes* and exploring the story together. Next week, we will be starting our exciting new writing unit based on *Holes* also. We can't wait to see what brilliant writing Year 6 produce!

Shine

This week, the children visited Asda to buy ingredients for their cooking activity. They demonstrated excellent community awareness and independence while shopping, making sensible choices and working together to find the items they needed. Back in class, the children made their own crumbles, taking part in preparing and assembling the ingredients.

Throughout the week, the children continued to settle back into school life after the summer holidays. They have been working hard to re-establish routines, build positive relationships, and engage in activities across the provision. It has been lovely to see their confidence growing as they readjust to the structure of the school day.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

Residential Trips

Please remember that payments can be made conveniently via the MyEd app, or alternatively by contacting the office.

Important Notice – Parking

We kindly ask all parents and carers not to park in the Celtic Produce car park at drop-off or collection times. This area is required for their business use, and your cooperation helps us maintain a positive relationship with our neighbours.

Thank you for your understanding and support.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.
