

What are we learning in Year 3:

Computing

Term: Autumn

Focus: Online Safety

1	<p>As technologists, we are learning to know what makes a safe password, how to keep passwords safe and the consequences of giving your passwords away.</p> <p>As technologists, we are learning to understand how the Internet can be used to help us to communicate effectively.</p> <p>As technologists, we are learning to understand how a blog can be used to help us communicate with a wider audience.</p>
2	<p>As technologists, we are learning to consider if what can be read on websites is always true and learn to look at a 'spoof' website.</p>
3	<p>As technologists, we are learning to create a 'spoof' website.</p>
4	<p>As technologists, we are learning about the meaning of age restrictions symbols on digital media and devices.</p>
5	<p>As technologists, we are learning to discuss why PEGI restrictions exist.</p>
6	<p>As technologists, we are learning to know where to turn for help if we see inappropriate content or have inappropriate contact from others.</p>

What are we learning in Year 3:

Computing

Term: Spring

Focus: Email

purple
mash

1	As technologists, we are learning to think about the different methods of communication.
2	As technologists, we are learning to open and respond to an email. As technologists, we are learning to write an email to someone from an address book.
3	As technologists, we are learning to learn how to use email safely.
4	As technologists, we are learning how to use email safely.
5	As technologists, we are learning to add an attachment to an email.
6	As technologists, we are learning to explore a simulated email scenario

What are we learning in Year 3:

Computing

Term: Spring

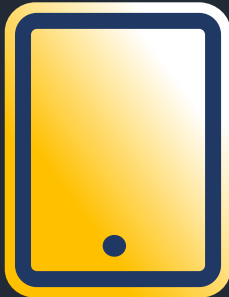

Focus: Touch Typing

purple
mash

1	As technologists, we are learning to introduce typing terminology.
2	As technologists, we are learning to understand the correct way to sit at the keyboard.
3	As technologists, we are learning to learn how to use the home, top and bottom row keys.
4	As technologists, we are learning to practice and improve typing for home, bottom, and top rows.
5	As technologists, we are learning to practice the keys typed with the left hand.
6	As technologists, we are learning to practice the keys typed with the right hand.

What are we learning in Year 3:

Computing

Term: Summer

Focus: Coding

1	As coders, we are learning to understand what a flowchart is and how flowcharts are used in computer programming.
2	As coders, we are learning to understand that there are different types of timers and able to select the right type of timer for a purpose.
3	As coders, we are learning to understand how to use the repeat command.
4	As coders, we are learning to use coding knowledge to create a range of programs.
5	As coders, we are learning to understand the importance of nesting.
6	As coders, we are learning to design and create an interactive scene.
