

What are we learning in Year 2:

Computing

Term: Autumn

Focus: Coding

- | | |
|---|--|
| 1 | As coders, we are learning to create a computer program using an algorithm. |
| 2 | As coders, we are learning to understand the collision detection event. |
| 3 | As coders, we are learning to design an algorithm that follows a timed sequence. |
| 4 | As coders, we are learning to understand what different events do in code. |
| 5 | As coders, we are learning to understand the function of buttons in a program. |
| 6 | As coders, we are learning to know what debugging means. |
