

Ignite Wonder

Our Personal Development Programme is enhanced by our Ignite Wonder days and weeks. These days and weeks ensure our children have experiences beyond the academic and support them to be successful members of our community. Ignite wonder days and weeks include:

- ★ Adventure week
- ★ Healthy lifestyle week
- ★ World of work week and aspirations day
- ★ Community week
- ★ Parliament week
- ★ Growth mindset camp
- ★ Carnival week
- ★ Beacon Fest
- ★ Anti-Bullying Week
- ★ Internet safety day
- ★ Royal Beacon show
- ★ World book day
- ★ Harvest festival
- ★ Recycling week

Residentials

Residentials are a vital part of our Personal Development Programme. Children from Year 2 to Year 6 are given the opportunity to visit a UK city and the wonders it holds. This allows our children to explore the world around them, gaining experiences that will enhance their learning and become confident and resilient in all areas of their lives.

Believe

Beacon

Shine brightly as a
successful member
of our community

Bebrave ADVENTURE

Exposes our children to a rich and diverse world that is full of colour, music, creativity and celebration. Providing our children with the opportunity to see a world beyond their own, that will inspire and influence their future choices.

Intent

Through our Personal Development programme children at Beacon are taught to understand their role in society, have a sound sense of self and contribute positively to our community. They understand that everyone's voice should be heard and everyone's views should be acknowledged and respected. They are aware of their responsibility as a citizen of the modern world and have secure and developed moral foundations on which to further build.

BeBrilliant CULTURAL DIVERSITY

Enables our children to develop a growth mindset, by exposure to challenging experiences that allow our children to question and explore opportunities that will enable them to become confident and resilient in all areas of their lives.

Vision

We aim to ensure that, over their time at Beacon, our learners receive a Personal Development programme that gives them the knowledge that they need to make decisions, to be resilient, to develop their character and personality and to be successful members of our community. We aim to empower our children with essential life skills, foster a growth mindset and nurture their emotional intelligence.

Implement

Personal Development is the backbone to our entire curriculum, the golden thread that runs through it and is an integral part of everything we do at Beacon. Our Personal Development Programme is delivered through our PSHE and RSHE curriculum, however, it is also seamlessly embedded in every curriculum area and all aspects of the school day. It is also taught through bespoke Ignite Wonder days and weeks.

Believe POSSIBILITIES

Allows our children to explore the world around them, knowing that the experiences they gain will enhance their lives and open doors to new adventures.

Impact

By teaching our children these important values and character traits, we help children to become responsible, caring and successful adults who are well-equipped to navigate the challenges of life. Children have the skills and confidence to assess situations, solve problems and make decisions to look after themselves and to help others. Children will reflect on the world around them, explore their beliefs and values and respect the values of others.
