

Once again, it's been a great week here at Beacon. We are so proud of the progress our children have made since the beginning of term. We hope that you can attend our parent and teaching meetings on the 21st and 22nd of October to see for yourself. You will have received more information and the link to make your booking today. These initial meetings are incredibly important and a wonderful opportunity for you to talk in detail with your child's teacher about how well they have settled into the new academic year.

Next week is our Ignite Wonder Community Week. Every child across the school will be venturing into our locality to give back and say thank you to the local community of Bodmin.

## Top story this week

On Tuesday, our preschool and reception children will be placing hand painted kindness stones throughout our local area and our year 3 children are visiting our local scout hut to clear and weed their garden area. On Wednesday, our year 4 children will be out litter picking across the Beacon and the town centre. Then on Thursday our year 1 children are visiting our local charity shops with their donations and our year 2 children are visiting some of our local care homes with gifts of freshly baked gingerbread men linked to their class story. Our year 6 children are venturing to St Petroc's community garden and churchyard to help weed and tidy the area. Cosmonauts class have the pleasure of working with the local library to read and share sensory stories. As you will be aware, we are also collecting items to donate to our local food bank, if you have any donations, kindly please send any donations into school before Friday 18th October.

Next Thursday we are holding our first school tour for any families currently looking for a school place for their child next September. During this time families will meet the team and hear all about our school, what makes Beacon so special and what each child's school journey will look like. They will also receive a tour, as well as having the opportunity to spend time in our magical early years setting while our children are engaging in their learning. Please spread the word to any families who may want to come along to find out more.

I think that is it for this week, wishing you a wonderful and hopefully dry weekend!

## EYFS 'Highlight of the Week'

### Nursery

"A leaf man goes where the wind blows". This week we have been trying to find out where the leaf man has blown. When we couldn't find him, we made our own leaf men after collecting leaves from the garden that the wind had blown down.

### Reception

In Reception, we have been exploring different habitats. We have learnt about animals that live in the woodland and ocean habitats. We have created habitats outside for animals and have sorted the animals into their correct habitats. We are all super scientists!

## KS1 'Highlight of the Week'

### Year 1

Year 1 have had a fantastic week using Purple Mash to support their learning in computing. The children have all logged in and made their own avatars, as well as painted pictures and saved them in their accounts. We have explored the tools section of Purple Mash where we could record everyone's favourite colours or fruit as a survey. We also designed our own game for a tablet.

### Year 2

Our Year 2 scientists have blown us away with their enquiry and investigative skills. They have been testing different properties such as flexibility, transparency and absorbency. Next week we move onto investigating strength! In PE, the children have particularly enjoyed playing new games such as 'banana split' and have practising different type of jump landings.

## Lower KS2 'Highlight of the Week'

### Year 3

This week Year 3 have been learning all about the Stone age, Bronze age and Iron age in History. We learnt all about when these ages happened in British history and placed them on a timeline. We also got the opportunity to look at and hold artefacts from the different time periods. We got to see the different materials and tools which were used in the different ages and saw how these tools were made and used. Well done Year 3 for another amazing week!

### Year 4

This week, Year 4 have had a great time exploring their Science unit linked to electricity: we have made simple circuits and learnt how switches can control them.

In reading, we have been writing our own poems linked to Medusa and even performed them to different members of staff.

Next week, we are celebrating Community Week as a school and look forward to our litter pick at the Beacon on Wednesday.

Have a lovely weekend and we look forward to seeing everyone again on Monday.

## Upper KS2 'Highlight of the Week'

### Year 5

Year 5 have been working hard to shine brightly – they have been completing their warning tales for their independent writes. We are very excited to read their finished stories.

We have also been learning in RE about Humanists and Christians this week, which has sparked lots of discussions about rules and values.

We cannot wait to see what Community Week is going to bring us next week.

### Year 6

This week, Year 6 have continued to shine – especially when it has come to their independent losing tales. We have had everything from people losing friends in the forest, to special letters being lost across the desert. It makes all of us proud to see how much effort each child has put into their stories.

Next week, we are really looking forward to celebrating Community Week – Year 6 will be helping to weed and tidy St. Petroc's Community garden on Thursday.

Have a lovely weekend.

## Cosmonauts and Shine 'Highlight of the Week'

### Core word of the Week

### ARB

In Cosmonauts' this week we have been exploring our feelings through making feelings bottles, creating gingerbread men suncatchers, making raisins dance in fizzy water and have enjoyed taking part in 'Funfit' activities outside.

### Shine

In Shine this week we visited Celtic Produce where the children explored the aisle's looking for fruits that could go in a crumble. The children then made their own delicious crumbles accompanied with custard. In Emotional Literacy we had a particular focus on name calling and the effects that it has. The children came up with some lovely ideas of kind things to say to their peers.

### Penalty Notices

A guide to Education Welfare Services  
for parents and carers

 [www.cornwall.gov.uk/togetherforfamilies](http://www.cornwall.gov.uk/togetherforfamilies)

### What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

**NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)**

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

## Attendance Information

### Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### **IMPORTANT**

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

### **IMPORTANT REQUEST**

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
