

## Top story this week

Wishing you all a very Happy New Year!

It's certainly been an unusual start to the term, and we want to say a heartfelt thank you for your support, patience and understanding through these tricky few days. I do hope that you all managed to stay safe last night. Times like these remind us just how incredible the Beacon community truly is.

Anyway, welcome back, and as always it was a joy to see our children return on Monday, they have certainly brought school back to life. What a week it has been already. Between the ice, the heating hiccups and the storm that swept through our community yesterday, it's definitely not been the start we had hoped for!

Yet despite the chaos outside, spring 2026 promises to be a fantastic term.

We've got so many wonderful things coming up. Over the next few weeks, we'll be holding information meetings for each year group about their City Adventures. These meetings are important for our families to try and attend, as they give us the chance to talk through all the exciting events and activities that each year group will be taking part in. Each city adventure links beautifully to our Shine Brightly Curriculum and brings learning to life in the most magical way. Our first meeting will take place next week for our Year 5 parents, ahead of our Manchester Adventure at the end of this term.

On Monday, you'll also receive information about all the enrichment opportunities we have on offer this term, and as always, we have a wonderful range of clubs running for all year groups.

We are also looking forward to our Ignite Wonder, World of Work Week and Carnival Week, and welcoming families back into school to watch the children present their learning, following the wonderful Celebration of Reading event last term. With 2026 being the Year of Reading, we're thrilled to continue building on our love of reading for pleasure. We'll be holding a Book Fair and, of course, celebrating World Book Day in March, always a highlight for children and staff!

There is so much to look forward to as we make our way through the next few cold, dark weeks. Beacon will, as ever, continue to Shine Brightly. Wishing you all a calm and hopefully uneventful weekend. We can't wait to see all our children on Monday.

Thank you again for your support.

Kaye

## EYFS 'Highlight of the Week'

### Nursery

This week in Nursery we have been enjoying the story 'Ten Little Fingers and Ten Little Toes'. We have been using our fingers and hands to sing and sign a variety of nursery rhymes.

### Pre-School

In Pre-School this week we have been talking about winter and noticing signs of winter in the garden. We explored the ice and snow and have been developing our scissor skills by creating our own wonderful snowflakes.

### Reception

What a great start to 2026 we have had in Reception. The children have all come back from the holidays ready to learn. We have been busy inventing stories with our story plates and story stones. The progress the children have made in their storytelling is amazing! Their stories have included lots of story connectives and adjectives to describe the characters and settings. The adults are very proud!

## KS1 'Highlight of the Week'

### Year 1

Year 1 have had a brilliant start to 2026! This week in science, the children have been learning all about materials, exploring everyday objects, discussing their properties, and investigating how different materials affect other things. They carried out exciting experiments to discover which materials were waterproof and not waterproof, as well as which objects floated or sank. Alongside science, we have begun our new text *Hansel and Gretel*, focusing on setting descriptions. The children have been highly engaged and passionate about the story, and we are really excited to see how their learning develops as we move forward.

### Year 2

Year 2 have been brilliant this first week back of 2026. We have been exploring our new story this week, Supertato! Some of us have been dressing up as the characters, learning the new vocabulary and making our own actions to help us remember the meaning of the word.

We have learnt about how 2026 is the year of reading and we are going all in to celebrate reading this year.

# BeBrave Believe BeBrilliant

## Lower KS2 'Highlight of the Week'

### Year 3

Year 3 have had a lovely start to their learning in 2026! We have gotten stuck into two brand new texts – The Iron Giant in Talk for Writing, and in Talk for Reading we have been exploring the story 'The Tin Forest'. Both texts have sparked the children's imagination wonderfully and it has been incredible to see all the Year 3's enthusiasm in their return to their learning. Our afternoons have been filled with R.E. learning about Christianity. We have learnt about and discussed Jesus' miracles and have explored why Christians believe in the work that he did. Well done for an excellent start to 2026 Year 3!

### Year 4

What a great start to 2026 back at school! Year 4 were introduced to their new Talk for Writing unit, based on 'The Great Kapok Tree'. They designed their own tree, full of life, and then imagined what would happen if that tree was chopped down!

Children have also been learning about Judaism and how Jewish people's beliefs and teachings impact on their daily life. Lastly, Year 4 are very lucky to have Cornish Pirates coaches come in to support in P.E lessons, all about rugby! Children had a great time on Wednesday.

## Upper KS2 'Highlight of the Week'

### Year 5

What a fantastic first week we have had back in Year 5. Although the weather has been 'interesting' at times, it hasn't stopped the children making an impressive start to 2026.

This week children have written a biography about Olaf Tryggvason (the first Christian Viking King); they have begun to get to grips with bus stop division; and loved exploring the Wind and the Willows in reading (some children even shared how they have shared this love with their older siblings).

Have a lovely weekend and stay safe everyone.

### Year 6

We have had a brilliant week back in Year 6! It has been a whirlwind of learning and fun!

The children have started writing their own scary stories and have made brilliant progress which we will be continuing next week.

We have started reading a new book in class and have been enjoying sharing about books we have been reading and enjoying.

What a great start to the new term. The children have had an amazing first week back even with all the unexpected weather events. We have been settling back in this week with lots of group play and social activities and working hard on our phonics and reading. We are looking forward to starting our 'The Hungry Caterpillar' topic next week.

## Important Safety Reminder for Families★

We kindly ask that you do not park on the yellow school lines or at the top of the school drive near the school office during drop-off or collection times.

Parking in these areas **seriously compromises visibility** for children and other pedestrians crossing the road and **puts their safety at risk.**

Please help us keep all our children safe by parking responsibly and following school guidelines.

Thank you for your cooperation and support.

### Penalty Notices

A guide to Education Welfare Services  
for parents and carers

[www.cornwall.gov.uk/togetherforfamilies](http://www.cornwall.gov.uk/togetherforfamilies)

### What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

**NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)**

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

## Attendance Information

### Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

### Can a Penalty Notice be paid in instalments?

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### **IMPORTANT**

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

### **IMPORTANT REQUEST**

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.

# IMPORTANT

For safeguarding purposes children should not be wearing smart watches in school.
