

Top story this week

What an absolutely glorious week it has been once again. The sunshine has been out in full force, and it really does make everything feel even more magical around school. This is the time of year when you can *really* see the impact of our children's hard work and the incredible teaching happening across the school. Their progress in every area of school life is shining through, and we couldn't be prouder.

A huge well done must go to our fabulous choir, who sang their hearts out this week as they helped to send off the Tickled Pink charity walkers from Asda.

They were simply wonderful, and once again the comments from the public were overflowing with praise.

We also had the pleasure of welcoming a group of trainee English specialist teachers to Beacon this week. They spent time teaching writing across the school, and no surprise to us they were absolutely blown away. They couldn't stop talking about the children's vocabulary, imagination, and writing skills, but what struck them even more was how polite, engaged and delightful our children were. It's always lovely to see others recognise what we see every day.

Our Year 3 children are the next year group embarking on their city adventure, this time to Bristol. They have the most exciting, jam-packed itinerary ahead of them. We are really looking forward to seeing families at next week's information meeting, where you'll hear all about the incredible experiences planned for them.

And finally, we want to send all our luck and encouragement to our wonderful Year 6 children as they head into their KS2 assessments next week. They have worked so hard, shown such resilience, and grown in every possible way during their time at Beacon. We are immensely proud of each and every one of them. Whatever next week brings, we know they will shine brightly.

Thank you as always for your continued support. Wishing you all a restful and hopefully sunny weekend.

Kaye

Key Events for next week– Reception and KS1

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	PE- sports day practise. Remember to wear your PE top.	Time to innovate in T4W.	More special stories with Bertie Owl.	Learning about germs with Jigsaw Jenie.	Who is going to be shine brightly?
Year 1	New Science Unit: Plants	Independent writing planning	PE Day	New maths Unit: Length!	Drop Everything and Read!
Year 2	Exploring our times tables	PE – striking and fielding games!	Writing the opening of our new story!	Writing dialogue for our characters.	Drop everything and read!

Key Events for next week– KS2 and ARB

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	History	Maths <i>Adding volumes</i>	New TFW Non-fiction Persuasive writing	PE Wear your trainers	Drop Everything and Read <i>Can you quiz this week?</i>
Year 4	Art	Writing our Inventions of a Quest Tale!	PE Sports Day Practise	French	Drop Everything and Read <i>Can you quiz this week?</i>
Year 5	<i>Writing our own Defeating the Monster tale.</i>	PE <i>Hurdles and Long Jump</i>	History <i>The life of Tudor Monarchs</i>	Maths <i>Calculating the area of shapes</i>	Drop Everything and Read <i>Can you quiz this week?</i>
Year 6	SATs	SATs	SATs	SATs	Day of Fun!
Cosmonauts	PSHE Personal space bubbles	Amazing Art Turning ourselves into animals	Sensational Science Animal habitats	Geography Animals from around the world	Cooking Animal faces bread

BeBrave Believe BeBrilliant

EYFS 'Highlight of the Week'

Nursery

Nursery this week we have started to introduce our new story 'Giraffe's can't dance'. We have been listening to different pieces of music, and how you can move in a variety of ways.

Pre-School

This week in Pre-school we have introduced the story 'We're Going on a Bear Hunt'. We have been developing our motor skills cutting long wavy grass. In the construction area we have been building caves for the bears.

Reception

This week in Reception we have been super mathematicians! We have been exploring number sentences using the language of first, then and now. We role played different scenarios to support our understanding. The children have also had a go at writing their own number sentences ensuring their number formation is correct. We are so proud of the progress they have made in Maths this year!

BeBrave

Believe

BeBrilliant

KS1 'Highlight of the Week'

Year 1

Year 1 have had a brilliant week in Computing! We have been learning all about creating our own e-books through animation. First, we explored what e-books are, how they work, and how we use them in our everyday lives. The children then began creating their very own e-books by designing characters, drawing illustrations, and writing matching text for their stories. To bring their books to life, they added movement, backgrounds, and sound effects. The children had an amazing time getting creative, becoming authors, and sharing their fantastic e-books with one another. Amazing work, Year 1 - keep it up!

Year 2

What a fabulous week in Year 2 yet again and the children have been hard at work learning multiplication and division in maths and recalling their 2, 5 and 10 times tables. In their Talk For Writing lessons, the children have been learning how to write dialogue, using speech marks, synonyms for said and adverbs to show how their characters feel. In our afternoons we have enjoyed our summer music unit, where the children have been learning musicianship through learning notation and playing 3-note tunes on glockenspiels. Great work Year 2!

Year 3

We have been learning about Sanatana Dharma and the concept of Karma in R.E. this week, the Year 3's have enjoyed practising their new learning with the idea "what goes around, comes around". We look forward to welcoming your donations to share with a chosen charity at the end of the month, thank you to those who have already donated. We have been setting up growing experiments in Science and will monitor these over the coming weeks. In P.E., the children have been practising for sports day with some relay practise. It has been lovely hearing their encouragement for each other and seeing the children's competitive sides shine through as well.

Well done for another great week of learning Year 3!

Year 4

This week in Year 4, the children have been working hard on developing their understanding of fractions and times tables! In Maths, they explored improper fractions, compared and ordered fractions and mixed numbers, and took part in lots of practical activities using resources like cubes and fraction walls. Alongside this, the children continued to build confidence and fluency with their times tables, focusing particularly on quick recall ready for their Multiplication Check in June.

We are very proud of their enthusiasm and perseverance, and regular practise at home will continue to support their progress!

Have a fantastic weekend!

BeBrave

Believe

BeBrilliant

Upper KS2 'Highlight of the Week'

Year 5

This week, all children in Year 5 have put so much thought and effort into planning and designing their very own healthy pizza. This all culminated in Thursday afternoon, when these delicious creations were made and eaten quickly afterwards!

Alongside this, children in Year 5 have amazed in innovating the story of Harry Potter and the Troll; they have shown such a solid understanding of equivalences between fractions, decimals and percentages; and loved exploring their new poetry unit in reading.

Next week, children have the chance to create their very own Defeating the Monster tale, and we cannot wait to see what ideas they have. Well done everyone.

Year 6

This week, the children in Year 6 have worked extremely hard and shown great determination. They have shown fantastic focus and resilience during our revision sessions, approaching every challenge with a positive attitude. We are incredibly proud of all the progress the children have made this year.

Amongst all their hard work, the children also took part in a Sports Day PE session, which they thoroughly enjoyed. It was wonderful to see all the enthusiasm and encouragement shown throughout.

Have a restful weekend ahead of next week.

Cosmonauts and Shine 'Highlight of the Week'

ARB

We have been really enjoying using our new funfit equipment this week in our outdoor sessions. We have also made balloon animals in Art, learnt about desert habitats, explored a 'polluted' ocean habitat and made banana giraffes in cooking.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

If you believe that your child is a young carer then please speak to our admin team and they will advise you as to how we can help you in school.

Or you can contact Cornwall Young Carers directly on their freephone number 01736 756655, or by emailing kernowyoungcarers@barnardos.org.uk.

Cornwall Young Carers complete great work with the young carers in our county by aiming to support them to self-manage caring responsibilities, providing information, advice and guidance over the phone and working with schools.

They also provide direct 1-1 work with Young Carers and Young Adult Carers as well as offering activities on a regular basis and during the school holidays.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

Residential Trips

Our residential trips are fast approaching. Please remember that payments can be made conveniently via the MyEd app, or alternatively by contacting the office.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

School aged vaccinations

Did you know children will be offered these routine vaccinations at school?

- ✓ **FLU** - Reception - Year 11
- ✓ **MMR** - Catch-up
- ✓ **HPV** - Year 8 - Year 11
- ✓ **Meningitis ACWY** - Year 9 - Year 11
- ✓ **Diphtheria, Tetanus, Polio (DTP)** - Year 9 - Year 11

Did you miss us?

We also have community clinics across Cornwall for:

- ✓ Home educated children
- ✓ Anxious children
- ✓ Children who missed the session at school
