Our Curriculum

Talk for Writing and Talk for Reading

Talk for Writing is a teaching framework that enables children to imitate the language they need for a particular unit orally, before reading and analysing it and then writing their own versions.

Talk for Reading compliments our Talk for Writing approach, enriching and interweaving throughout our writing curriculum. Talk for Reading focuses on developing comprehension structured in a way that supports children to read critically, appreciatively and confidently. This approach, like Talk for Writing uses the gradual release of responsibility model, supporting children in becoming independent readers.

Healthy Eating

We encourage every child to bring a healthy snack to have during break time. This should be a piece/container of fruit. If your child brings a packed lunch to school, this should contain a range of healthy food types to keep them energised and alert..

Beacon Expectations

Behaviour

We have three school rules:

Children will be recognised for following our school rules and we have many incentives including house points, class tokens working towards a class treat, star of the day, shine brightly certificates as well as phone calls and postcards home.

Reading

Each night your child is expected to read for a minimum of 20 minutes, which is recorded using the Boom reader website/app.

Other Apps to Support Learning

Maths, spelling, timestables and reading can be practised using the following apps:

Class Charts

We would love for you to download the Class Charts app so you can see the house points and rewards your child has received each week.
