Amazing Attendance and Perfect Punctuality!

Regular **school attendance** is a very **important** part of giving children the best possible start in life. The aim should be to attend **100%** of the time.

How to help...

Make doctors and dentists appointments during the school holidays, on a Friday afternoon or after school.

If you can only make an appointment during the school day, make it for the afternoon and bring your child into school first to get the correct mark in the register.

If possible, your child should return to school after their appointment.

There may be times where your child is too ill to attend school. Please call us on (01208) 72773 to report your child's absence.

Absence and Recent Government Changes

A new national framework for penalty notices for school absences came into effect from Monday 19 August 2024.

- A penalty notice must be considered if a child has 10 **unauthorised** sessions for any reason (equivalent to 5 school days) within a 10 school week period.
- There will be an increase in the penalty fine from £60 to £80 if paid in 21 days. If the fine is not paid by the first 21 days, it will rise to £160 if paid within 28 days of being issued.

Amazing Attendance and Perfect Punctuality!

Why is perfect punctuality so important?

What will my child's learning environment look like?

Morning routines for a Year 1 child

- Gates open at 8:20am
- If children are arriving at school before this time, they must attend breakfast club
- Breakfast club starts at 8:00 – please book in
- Your child's year group/class door will open at 8:25
- Members of our year team (Mrs Eddy and Mrs Duncan) will warmly greet your child as they enter the school. This is an opportunity to ask questions or pass on any messages.
- As our children enter the school, we will be ensuring that they have everything they need – correct uniform, shoes, reading books, glasses etc
- You will receive a call from our admin team if your child is missing anything

End of day routines for a Year 1 child

- Gates open at 3:00
- Please make your way to Y1 collection point which is the Year 1 playground.
- School finishes at 3:15
- Please ensure you have updated your child's end of day collection arrangements
- Our Y5/Y6 children have the option to walk home but this must be stated on their collection arrangements
- Our school equipment can only be used during school time - climbing frames, climbing boulder etc

ADVENTURE

Enables our children to develop a growth mindset, by exposure to challenging experiences that allow our children to question and explore opportunities that will enable them to become confident and resilient in all areas of their lives.

Bebrilliant

DIVERSITY

Exposes our children to a rich and diverse world that is full of colour, music, creativity, and celebration. Providing our children with the opportunity to see a world beyond their own, that will inspire and influence their future choices.

Believe

POSSIBILITIES

Allows our children to explore the world around them, knowing that the experiences they gain will enhance their lives and open doors to new adventures, become confident and resilient in all areas of their lives.

Children will bring home a reading book that is suited to their attainment level. Our school expectation across the school is for them to read this book every night. This is recorded using the Boom Reader app.

Boom Reader - This app allows children, staff and adults at home to all easily record children's reading in one place. Children can have multiple books logged at once. When the book has been read, children will quiz using Accelerated Reader and are aiming to achieve 80% +.

Download the app and find out more at:
boomreader.co.uk/parents

SCAN ME

Reading for pleasure

Children are given an individual reading target each half term which they work towards by recording their daily reading and quizzing on books when completed. When children achieve their target, they get the opportunity to wear the 'golden jumper' so that their progress can be celebrated by the whole school.

Each Friday, we have a Shine Brightly certificate for children who have really stood out that week. The following week, all those children's names go into a golden hat and 3 are selected at random to choose a book from the vending machine. This is for the child to keep forever and enjoy at home.

Beacon is one of sixteen Talk For Writing training centres across the country – the only centre south of Birmingham.

The Talk for Writing approach enables children to read and write independently for a variety of audiences and purposes within different subjects.

A key feature is that children internalise the language structures needed to write through ‘talking the text’, as well as close reading. The approach moves from dependence towards independence, with the teacher using shared and guided teaching developing creative and powerful writers.

We deliver training to many schools throughout the year, sharing our expertise and practice.

Healthy Eating

We encourage every child to bring a healthy snack to have during break time. This should be a piece/container of fruit. If your child brings a packed lunch to school, this should contain a range of healthy food types to keep them energised and alert.

Beacon Expectations

Behaviour

We have three school rules:

Children will be recognised for following our school rules and we have many incentives including house points, class tokens working towards a class treat, star of the day, shine brightly certificates as well as phone calls and postcards home.

Reading

Each night your child is expected to read for a minimum of 20 minutes, which is recorded using the Boom reader website/app.

Other Apps to Support Learning

Maths, spelling, timestables and reading can be practised using the following apps:

Class Charts

We would love for you to download the Class Charts app so you can see the house points and rewards your child has received each week.
