

Top story this week

Dear families

A very warm welcome to Spring 2. Even though the rain seems determined to stay, the daffodils are bravely pushing through, and our children have returned full of smiles and energy. It is so lovely to feel the school buzzing again.

We've already had a jampacked start to the half term. Many year groups have dived straight into their new learning, with Year 3 heading off on an incredible adventure to Tintagel Castle to bring their new story to life.

Next week, Year 2 will be visiting the Eden Project to build on the brilliant learning they have begun this week. I even had the pleasure of sampling some delicious Gruffalo crumble made by our reception children.....what a treat!

Looking ahead, we are really looking forward to welcoming Reception to Year 6 families into school for our progress meetings next week. These mid-year meetings are so important. They give us all a chance to celebrate just how far your children have come, as well as talk through next steps and targets for the rest of the year. Our wonderful pupil leaders will once again be on hand to guide you around, and our preloved uniform and costume swap will be available too.

Next Thursday is St Piran's Day, which for me always marks the moment when brighter days feel just around the corner. Our children will once again be singing and parading proudly through the streets of Bodmin in celebration. And of course, next Friday brings the magic of World Book Day. The whole school will be immersed in the joy of reading and reading for pleasure. You will have received more information today about all the wonderful activities planned, and we cannot wait to see the children enjoying every moment.

A huge thank you to our wonderful adult helpers who supported Year 3 this week. Without your ongoing support, the fantastic experiences we provide simply would not be possible.

Wishing you a great weekend when it finally arrives.

EYFS 'Highlight of the Week'

Nursery

In Nursery this week we have been developing our motor skills, with threading the characters for our story 'Barry the Fish with Fingers'. We have been mark making when listening to music.

Pre-School

This week in Pre-school we have been enjoying the story 'Supertato'. We have been building with our friends using waffle blocks to create traps to capture the Evil pea from the story Supertato.

Reception

This week in Reception we have been immersing ourselves in our new Talk for Writing story 'The Gruffalo'. On Wednesday we had the best time making our own 'Gruffalo crumbles' with Mrs Julian. Within our continuous provision we have been making Gruffalo's out of play dough and using our scissor skills to cut purple prickles for his back. We are looking forward to continuing learning our story next week.

KS1 'Highlight of the Week'

Year 1

Year 1 have had an incredibly busy and exciting start to the new term! We have been learning all about the seasonal changes that take place in spring and have enjoyed seeing how living things and the environment change during this special time of year. The children have noticed signs of new life, blooming flowers, and longer, brighter days. They have asked thoughtful questions and shared wonderful observations, showing great curiosity about the world around them. What a fantastic start to the term!

Year 2

This week year 2 have been amazing yet again and their effort in their learning continues to make us very proud! We enjoyed finishing our science unit on growth and staying healthy. In these lessons we learned how exercise effects our bodies and how washing our hands can keep us healthy through good hygiene. We also began to explore the Victorian Age, and the children were fascinated to find out more about Queen Victoria. Well done year 2!

Lower KS2 'Highlight of the Week'

Year 3

Year 3 had an exciting start to our new Talk for Writing unit about King Arthur visiting Tintagel Castle and Merlin's Cave. We explored the different features of this striking clifftop castle, with epic views along the Cornish coast. The vocabulary the children used to describe the setting was magnificent, and they have come back to school primed to write amazing tales of their own full of wonderful description. In Science, we have been learning all about plants – their life cycles, the different parts and their functions, and have created informative posters about how to grow a great garden yourself. Well done for a great week of learning Year 3!

Year 4

This week in Year 4 children have been immersing themselves in their new Talk for Writing story based on 'The Wizard of Oz'. They have been designing their own 'Emerald City' on the playground, including a Yellow Brick Road! As part of their writing, they have been thinking of setting descriptions and beginning to develop ideas.

As well as this, they have been learning all about digestion: from teeth to the intestines. Our poo investigation was disgustingly brilliant. Lastly, children had a visit from Kerrier's Solar Park. A busy week in Year 4!

Upper KS2 'Highlight of the Week'

Year 5

Welcome back Year 5 to the second half of the year! It has been so nice to welcome everyone back after half-term and it has been lovely to see so many smiley faces.

This week, children have loved starting our new text linked to suspense – it will be great to start writing their own pieces next week. Alongside this, all children have shown great perseverance when adding fractions with different denominators; and in reading, they have just started to discover all the amazing achievements made by women in Science.

Have a lovely and restful weekend – only 5 weeks until Manchester.

Year 6

We have had a wonderful first week back after half term. The children have settled quickly back into our routines, and it has been lovely to see how positive and engaged they have been across all subjects. Their focus, enthusiasm and readiness to learn have really stood out.

This week, we have begun our new History unit on World War II, and the children have already shown great curiosity through thoughtful discussions as we start to explore this impactful period. We are very much looking forward to building on this learning over the coming weeks.

Core word of the week

ARB

What a great start to Spring 2! We have created pompom caterpillars in art, learned about the basic needs of humans by acting them out, explored foods from the present and the past in history and made vegetable caterpillars in cooking. In English, we innovated 'The Hungry Caterpillar' and created a new story of 'The Hungry Chameleon'.

Shine

This week we welcomed back Shine provision. The children have thrown themselves into making the classroom feel like their own. On Tuesday we enjoyed a visit to Beacon Fruit and Veg shop, followed on Wednesday cooking pancakes. We rounded off the week with some hands-on gardening. The children have shown such wonderful resilience and enthusiasm throughout all the changes. We are looking forward to what is to come!

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.
