

Top story this week

Dear families,
What an extraordinary week it has been. Carnival Week has burst into life with a truly infectious sense of adventure. From the moment the festivities began, our school has been transformed with global cultures, with each class fully immersed in the traditions, flavours, and stories of their chosen country.

Our children have travelled the world without ever leaving the building, sampling delicious international cuisines, exploring iconic landmarks through virtual journeys, learning new languages and embracing the rhythm of dance and song from across the globe.

A key highlight was watching our EYFS children delight in their traditional English tea party, complete with a very special royal visitor, His Royal Highness King Charles himself, it truly was a joy to behold.

Looking ahead to next week, on Monday, each year group will proudly take part in our Beacon Carnival Parade, bringing their chosen countries to life with colour and plenty of Carnival spirit. We would be absolutely delighted if you could join us along the route to cheer on the children as they showcase their incredible work. Just like last year, we will be parading up around the Beacon and returning to school.

Following the success of our recent Reading and Computing Celebrations of Learning, we are delighted to invite you once again, this time for our Geography Celebration of Learning next Thursday. Each class will be sharing their discoveries and international knowledge they have gained throughout this unforgettable week. It promises to be a vibrant and inspiring showcase of everything the children have explored and achieved.

Our year 5 children will be up at the crack of dawn ready for their Manchester city adventure. They are going to have the time of their lives with the most wonderful experiences, and we cannot wait to hear all about it once they return.

Wishing you a wonderful weekend.

EYFS 'Highlight of the Week'

Nursery

In Nursery this week, we have been matching the correct number of eggs to the number shown on the nest. The children took turns in counting out the eggs till it matched the correct number.

Pre-School

This week we have been learning about England for carnival week. We have been talking about some of the famous landmarks. We have been developing our motor skills building castles.

Reception

This week in Reception we have been learning all about England for Carnival Week. We have identified England on a map, listened to the national anthem, made our own flags, learnt about the Royal family and made crowns. To finish our week, we had an English street party with our friends from Nursery and Pre-School where we enjoyed eating traditional English foods with a very special guest!

KS1 'Highlight of the Week'

Year 1

Year 1 have had an incredibly busy and exciting week! We began by launching our new PSHE unit focused on relationships, where the children explored different types of families and what makes each one special. We also spent time thinking about friendships—what good friendships look like, the qualities of a kind and supportive friend, and how we can care for others both in school and in the wider community. Following this, we enthusiastically kicked off our Carnival Week, representing Wales. The children learned all about its location, flag, national song, traditional dances and food. They even had the chance to taste Welsh cakes, plant daffodils (the national flower), and try speaking a little Welsh! It has been wonderful to see such enthusiasm and engagement as the children prepare for our carnival on Monday. Well done, Year 1- keep shining brightly!

Year 2

A wonderful penultimate week in Year 2 has seen us learning about our country for Carnival Week – Scotland! The children have explored key facts, the country's flag, the mystery of the Loch Ness monster, Celtic face painting, and even dancing the highland fling! It's always exciting to see children link our learning to their lives and some have brought in things to show about their own Scottish connections, even family crests and tartan!

We can't wait for the Carnival parade!

Lower KS2 'Highlight of the Week'

Year 3

We have been learning about our selected countries for Carnival week this week, Spain for Discoverers, and France for Pioneers.

We have explored the rich culture of both these countries, and learnt more about their traditions, food, art and music. The children have loved learning about their countries and sharing their learning between classes. There was certainly some debate about which country has the best food – Discoverers still think that Spanish churros are the best!

Year 4

This week has been an exciting and creative one for Year 4. In music, the children have been exploring notation and developing their understanding of how music is written, before putting their skills into practice by creating their own imaginative film scores. It has been wonderful to see their creativity shine as they composed music based on their Carnival Week country!

Alongside music, children have been celebrating Carnival week, where pupils have been enjoying learning about the cultures of Greece (Supernovas) and Italy (Constellations). They have explored tradition, food, music and festivities from these countries ready for next week's Carnival Presentation and Parade!

Upper KS2 'Highlight of the Week'

Year 5

Carnival week has been an absolute joy! In Meteors, we have been learning all about Mexico and in Comets, we have been exploring life in India. Alongside this, we have also been looking at ways we can improve and deepen on our relationships with others: our friends, family and the wider school community. We quickly realised that our bonds with others are based on mutual respect, trust and a willingness to learn from our mistakes.

Super work Year 5!

Year 6

What a wonderful week we have had in Year 6! We have thoroughly enjoyed learning about our different countries as part of our Carnival Week. We are all very much looking forward to the parade on Monday! Alongside this, we have continued working hard in preparation for our SATs. It is a joy to see how determined and enthusiastic they have been towards their learning – each and every one of them should feel very proud of their efforts. Have a restful weekend and we will see you on Monday.

Cosmonauts and Shine 'Highlight of the Week'

ARB

This week we have been learning about Kenya for our ignite wonder carnival week. We have crafted Kenyan necklaces, had a go at weaving material on a loom, explored a fizzing African jungle, drawn around shadows of African animals and decorated cakes as the Kenyan flags. We are looking forward to dressing up and joining in with our carnival parade on Monday.

Shine

This week in Shine, the children have been busy developing their independence and life skills. They completed their shopping at Asda, carefully finding the items they needed showing fantastic focus and responsibility. Back at school they cooked their own pizzas, choosing their toppings and working together to prepare their meals. In addition to this, the children continued developing the garden they are working so hard to create. It has been a wonderfully productive week, filled with teamwork, responsibility, and lots of proud moments.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.
