

What a wonderful end to the week. The sun is shining, and the children are all having a fantastic time completely immersed in books and the joy of reading. As you know, reading for pleasure is always high priority at Beacon, but today the children looked incredible dressed as their favorite book characters. The celebrations were topped off with the whole school coming together for our own Mad Hatters Tea Party on the school field with our oldest and youngest children sharing their favorite stories.

Top story this week

Huge thanks to the team for making the day so special and for embracing our Alice in Wonderland dress up theme, especially Mrs Donnelly who organised the whole day.

Continuing with our reading theme. It was great to see our KS1 parents at our early reading workshop this week. We were delighted that so many of you could come, watching a phonics session and working alongside their children. Huge thanks to Miss Causebrook for leading such an informative parent workshop. Next week, we are holding a multiplication workshop for our Year 4 parents, we hope that it will be just as successful.

Today you will have received your child's annual report, we hope that you find it informative and enjoy reading it as much as I have. We also hope that you have booked your slot to meet with your child's teacher next week. If you were unable to book your appointment using our online booking system, you will receive an appointment time today. We look forward to seeing you all next Tuesday and Thursday when you will have an opportunity to discuss your child's report in detail and the progress, they have made so far this year.

Wishing you a wonderful weekend.

Kaye

EYFS 'Highlight of the Week'

Nursery

This week in Nursery we created our own maps to re-tell the story 'We're Going on a Bear Hunt'.

In the Art Studio outside we have been looking at lots of different types of bears and then painting a picture of our favourite one.

The children have been working together in the construction area to build their own narrow gloomy caves for our bears.

Reception

Reception started this week building their monsters they designed last week. We are now busy writing the instructions on how to build them. We have been exploring the change in seasons and looking at new life in Spring, we have focused on the life cycle of a frog. In PE, we performed a dance based on our morning routine. As always, the children have all been amazing and we are so proud!

KS1 'Highlight of the Week'

Year 1

Another wonderful week of learning in Year 1! This week we have been learning about healthy food within our new DT unit. We learnt where our food comes from and what we need to include to make a healthy snack for ourselves. Throughout the week we made rainbow fruit skewers, a couscous salad and a sweet healthy snack. We prepared and made each of these using our knowledge of food groups and skills of cutting. Also, the children got to enjoy a 'Mad Hatters Tea Party' this morning as part of our World Book Day. They have all looked amazing dressed up today! Well done Year 1! We look forward to another amazing week next week!

Year 2

What a fantastic week of fun and learning! We are seeing fantastic progress in our writing sessions, and everybody enjoyed writing the new character of 'Stinky Pete' the polecat into The Owl who was Afraid of the Dark. As a year group of story lovers, we had a fantastic time celebrating World Book Day in our wonderful, creative outfits. We enjoyed hearing each other's book recommendations, reading some of The Nursery "Alice" together and of course attending our very own Beacon Mad Hatter's Tea Party. Well done Year 2 for sharing your love of reading with each other and the rest of the school!

Lower KS2 'Highlight of the Week'

Year 3

Another wonderful week of learning in Year 3! We have been learning all about nutrition and what makes us healthy, even trying new foods and constructing our very own healthy wraps. The children got to enjoy these as part of the 'Mad Hatters Tea Party' this morning. The children also enjoyed our trip to the library on Thursday. They have all looked amazing dressed up today for World Book Day. We have also had to say goodbye to Miss Brown this week, who will be hugely missed.

Year 4

What a fantastic week we have had! We have loved starting our new Science topic 'Electricity'. We have been learning about the components of a circuit and investigating which materials act as a conductor or insulator. We are looking forward to continuing this learning next week through our DT lessons. We have also had a brilliant World Book Day, exploring Alice in Wonderland themed poetry and then creating our own. We then had the opportunity to read some of our favorite books to some of the younger children in the school.

Upper KS2 'Highlight of the Week'

Year 5

Another big week of learning for Year 5! It all started with our hook, a game of capture the flag on the school grounds. The children have also been investigating the effects of forces during their science lessons and got to enjoy the 'Mad Hatters Tea Party' today as part of World Book Day, sharing reading with Year 1. They have all looked amazing dressed up with so many costumes and characters on show. Manchester is now within reaching distance, see you all next week!

Year 6

This week we have undertaken a few changes in Year 6 to further support our wonderful children. We now have Miss Carpenter and Mrs Wedlake joining the Year 6 team to help with teaching and learning. All children have responded wonderfully to these changes, and we are so proud of them all. World Book Day was a wonderful way to finish the week – we had some incredible outfits and some lovely activities throughout the day.

Cosmonauts and Shine 'Highlight of the Week'

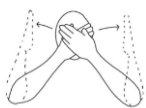

Makaton sign of the week

World

Book

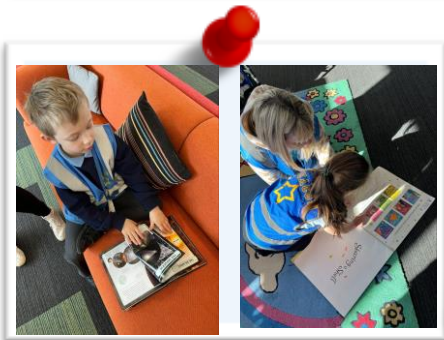

Day

ARB

It has been another busy week in Cosmonauts. We started our new sensory story '10 Little Dinosaurs' and innovated our instructions of 'How to Catch a Dinosaur'. We really enjoyed going on the go-karts and having our tea party for 'World Book Day'.

Shine

What a wonderful week Shine have had! We enjoyed making a hungry caterpillar with fruit, making fruity faces. We had a games afternoon on Wednesday. On Thursday we walked to the library and enjoyed reading lots of lovely books. As a treat we visited the bakery on the way back and bought a yummy treat. Well done everyone for your amazing fancy dress outfits for World Book Day! You all looked fantastic!

RECEPTION CLASSES

Can we please remind all our Reception parents that the children need to bring in named, wellies each week.

We try to spend as much time outside as possible and with the weather as it has been wellies are essential.

IMPORTANT

Please can we remind you all that children are not allowed to ride their bike or scooter on school grounds during drop off or collection times.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.

Extra notifications 

Nursery

Can we please remind all our Nursery families to be ready at our entrance for your child's start time. When staff have to come out and let people in, it leaves the Nursery understaffed.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.

Contact Information

Please make sure your contact information is up to date with the office.
