

Top story this week

What a glorious week it has been at Beacon, and it finished today with the most incredible celebration of reading across the whole school. Aligned with the National Year of Reading, we have enjoyed a whole host of brilliant events this year and today gave us the perfect chance to put reading for pleasure centre stage, something that truly lies at the heart of everything we do.

Thank you so much for embracing our extreme reading challenge at home, the photographs were wonderful and brought so many smiles. We shared them in our celebration assembly, and they made a brilliant start to the day.

The children's costumes were equally spectacular, seeing everyone dressed as their favourite book characters was a joy, and we were once again overwhelmed by the creativity and effort from our families and pupils.

The teachers even joined in, dressing as their favourite book villains, which added a mischievous sparkle to the day. The whole school community looked incredible and the atmosphere was electric. Across the day we celebrated books and stories through a range of activities including our whole school book swap and the utterly adorable story share, where our Year 6 children read stories they had written to our reception children. It has been a wonderful day all round and a lovely reminder of how important reading is to our school and to our children's futures. Thank you for your continued support in nurturing a love of books at Beacon, it really does make all the difference.

Top story this week

It was wonderful to see so many of you at our Family Progress Meetings this week. We hope you found the conversations useful and left feeling proud of how much your children have achieved so far this term. The hall was buzzing with excitement and there were so many delighted faces from the children and adults.

This week we also celebrated St Piran's Day, Mr Rowe leading a merry band of Year 4, 5 and 6 children as they paraded through the streets of Bodmin, singing their hearts out with that unmistakable Beacon sparkle. Their show stopping performance was certainly filled with Cornish pride and spirit.

We carried on the Cornish theme where each child had a Cornish pasty, thank you so much to Proper Cornish for their generous donation, they were very much appreciated!

'THE' PASTY MAKERS

Our Year 2 visit to Eden was the perfect complement to their classroom work. The sunshine and hands-on experiences brought their learning to life and gave the children memories and vocabulary they will use back in school. Once again, a special thank you to our band of helpers who made the Eden trip and our events this week possible. Your time, energy and cheerful support make such a difference, we could not do it without you, and the children's smiles say it all. Please look out further in the newsletter about accessing the Eden Project when you purchase a lottery ticket!

Wishing you a wonderful weekend

Kaye

Key Events for next week– Reception and KS1

	Monday	Tuesday	Wednesday	Thursday	Friday
Reception	PE day	Number bonds to 10	Lets innovate!	Beacon visit	Drop Everything and Read!
Year 1	Bodmin Jail Trip	New history unit linked to our trip!	PE Day	Let's innovate our new story!	Drop Everything and Read!
Year 2	Beginning our explanation writing	Gymnastics fun!	Exploring structures in DT	Making our own structures	Drop Everything and read!

Key Events for next week– KS2 and ARB

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 3	Geography <i>Bristol</i>	Independent writing <i>Rags to Riches tale</i>	Maths Hot task	PE <i>Remember to wear trainers!</i>	<i>Drop everything and read! Can you quiz?</i>
Year 4	RE Is forgiveness always possible?	New Reading Text!	PE Dance	Inventing our own finding tale	<i>Drop everything and read!</i>
Year 5	<i>Writing our innovated opening- what will happen to Francis?</i>	<i>PE – Please remember your kit!</i>	<i>Midweek Maths Challenge!</i>	<i>Funky French</i>	<i>Drop everything and read!</i>
Year 6	Continue writing our wishing tale	Amazing arithmetic	Moving on to percentages	PE – remember your PE kits	Drop everything and read
Cosmonauts	PSHE Zones of regulation	Amazing Art Growing caterpillars	Sensational Science Why do we need air?	History food rationing	Cooking

BeBrave Believe BeBrilliant

EYFS 'Highlight of the Week'

Nursery

In Nursery this week we have been focusing on the story 'Barry the Fish with Fingers'. We have been creating our fish by finger painting and moulding the playdough to create puffer fish.

Pre-School

This week in Pre-school we have been continuing with the story 'Supertato'. We have been developing our fine motor skill to rip tissue paper to decorate and create 'Evil Pea' masks.

Reception

This week in Reception, we have been learning all about the season of Spring. We have been discussing how it is different to winter and how the signs of spring make us feel. I think we are all feeling very excited for a new season which is hopefully filled with lots of sunshine.

To end the week, we enjoyed World Book Day, all the children looked fantastic; and we loved sharing all our favourite books.

BeBrave

Believe

BeBrilliant

KS1 'Highlight of the Week'

Year 1

This week, Year 1 have been incredibly busy as we kicked things off by finishing our science unit all about spring. The children enjoyed learning about the changes that happen during this season and proudly created their own spring booklets to share what they had discovered. We then moved on to music, where we explored composing by adding music and sounds to stories, thinking carefully about how to create a beat that matched the action and choosing appropriate sounds to fit the storyline. We ended the week by celebrating World Book Day, with everyone dressing up as their favourite characters from some amazing books we have read. The children also took part in our book swap, exchanging one of their well-loved books with their classmates to enjoy a new story. We finished the day with a special "Drop and Read" session with Year 4, where the children shared some of their favourite stories by reading to each other, which was a really lovely experience. Well done, Year 1 - an amazing week. Keep shining brightly! 🌟📖

Year 2

What an amazing week we have had in Year 2! We continued with our fascinating exploration of the Victorians in History, exploring the inventions that we still use today!

On Wednesday, we all loved our visit to the Eden Project, which for many of our children was the first time they have been. We participated in a workshop about planting and growing seeds, which links to our learning in science and then explored the incredible biomes. We even have our own plants we have brought back with us to grow!

Then we have finished our week with our Book Day, and everyone looked amazing in their costumes. Well, done Year 2!

BeBrave Believe BeBrilliant

Lower KS2 'Highlight of the Week'

Year 3

This week has been all about healthy eating for Year 3. We have explored the nutritional content of different pre-made wraps, conducted a flavour test, and then designed and made our own. What an exciting week of learning!

For World Book Day we dived deeper into our story 'Arthur' by Michael Morpurgo, and explored all about the knights of the round table. We created our own knights code and coat of arms, we designed a short adaptation to our story, complete with our very own 'Excalibur' and have had great fun reading our stories to nursery and pre-school! Well done Year 3!

Year 4

This week has been lovely in Year 4, especially because we have seen so many of you at our family meetings to celebrate the wonderful learning of Supernovas and Constellations. Thank you to those that could make it! In the classroom, Year 4 have been very enthusiastic about Computing and being safe online. Children learnt all about SPAM emails, Malware, plagiarism and what to do if they do not feel safe online. They were shocked to find out about what plagiarism is. Year 4 have also been writing some fantastic setting descriptions all about the Wizard of Oz - please ask them about it at home! Check out Facebook for our World Book Day photos.

Upper KS2 'Highlight of the Week'

Year 5

What a glorious and productive week in Year 5! During the mornings, we have been delving into our class text, *Swallows and Amazons* by Arthur Ransome, and identifying the ways he has incorporated suspense into his story; we have been completely hooked! The afternoons have been equally wonderful as we have spent time learning about the importance of keeping ourselves safe online. A huge thank you to the children who represented the Year 5 cohort on Thursday morning during the St Piran's Day celebrations- you were a credit to our school and your families! Have a restful weekend and we look forward to seeing you back on Monday.

Year 6

It has been a wonderful week in Year 6! The children have particularly enjoyed our writing lessons, where they have full immersed themselves in creating flashback scenes inspired by *Skellig*. They have shown great imagination and enthusiasm while developing their ideas.

We have ended the week on a fantastic note by celebrating World Book Day today! The children looked amazing in their costumes, and it was lovely to see so much creativity and excitement for books across the school. Have a restful weekend, we look forward to seeing you on Monday.

Cosmonauts and Shine 'Highlight of the Week'

ARB

It has been lovely to see the sun this week, and we have been enjoying lots of outdoor time. We have also been creating our own story maps for our innovated 'Hungry Caterpillar' stories, creating timelines of food from the past and present, making beautiful coffee filter butterflies and working on our number and phonics skills. We finished the week with lots of dressing up fun for 'World Book Day' We are incredibly proud of all the children and their hard work.

Shine

This week in Shine, the children have had a fantastic time exploring a mix of activities. They chose to make chocolate chip cookies and enjoyed a trip to Asda, where they bought all the ingredients themselves. Later in the week, we headed back out to the garden and made great progress weeding the flower beds, getting everything ready for planting. We also celebrated St Piran's Day with delicious pasties and had lots of fun dressing up for World Book Day, sharing stories and showing off our favorite characters. It's been a busy, joyful week full of hands-on learning and creativity.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

BeBrave Believe BeBrilliant

National Online Safety Information

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to have an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many apps which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, links and tips for adults.

What Parents & Carers Need to Know about AMIGO

Amigo is a social platform which purports to connect strangers from around the world – and, with built-in translation software, it reduces the expected language barriers. Focusing heavily on one-to-one chat, video calls and live streams, Amigo encourages its users to build up online relationships and unlock exclusive features such as private video and audio calls; essentially, the more that people chat, the more functions become available to them. This is an app designed with mature users very much in mind and is therefore definitely not recommended for children.

AGE RATING
18

WHAT ARE THE RISKS?

ONE-TO-ONE COMMUNICATION

While online chats and livestreaming are a great way to communicate with people that children can trust (such as friends and family), Amigo encourages users to connect with complete strangers and develop a friendship through private chats, calls and videos. This will be a cause for concern for most parents, due to the possibility of a child encountering inappropriate content or an online predator.

INAPPROPRIATE CONTACT

Within minutes of signing up for our trial of Amigo (and without using a profile photo), users of the opposite sex were messaging with suggestive statements such as "you're just my type" and "let's chat". While the app's stated intent is to help people build friendships, some users obviously seek to take those relationships in a more mature and amorous direction.

MEMBERSHIP COSTS

Like many apps that are free to download, Amigo's business model is centred on in-app purchases. Users are encouraged to pay for 'vip membership' – enabling them to send more messages each day and boosting their profile's visibility. People can also buy coins (again for real money) which allow them to send virtual gifts and further increase the number of messages they can send daily.

LACK OF AGE VERIFICATION

Amigo makes no secret of the fact that it's for people aged 18 or above. There's no age verification, however, so a young person could simply sign up under a false date of birth. The app's algorithm seems to match users of similar ages (making them more compatible), but either the algorithm isn't very reliable, or most users have entered a false age which doesn't correspond with their profile pic.

REWARDS FOR REPEATED USE

Amigo gifts virtual coins to users if they reply to messages within 10 seconds, while there are also daily rewards for posting comments, sharing a video, getting likes or simply opening the app. It also encourages increasing intimacy levels with other users to unlock extra features: once someone's online friendship reaches intimacy level 3, they can hold one-to-one video calls with each other.

Advice for Parents & Carers

MONITOR DOWNLOADS

As well as frequent catch-ups with your child about what they're enjoying doing online, you could consider taking the additional step of physically checking their phone every so often to see which apps they've installed. The safest option would be to enable 'ask to buy' (Apple) or 'purchase approvals' (Android) on their device, meaning your authorisation is needed to download any apps.

BLOCK, REPORT, DISCUSS

Many children already know that connecting with strangers online is dangerous, but it never hurts to re-emphasise this message. Whenever communication apps your child uses, make sure they're fully aware that if anything online makes them feel uncomfortable, scared or upset, then they can block the user responsible, report the content, take a screenshot as evidence and come to tell you straight away.

RESPECT AGE RESTRICTIONS

Apps have age restrictions for a reason, and Amigo is very definitely a mature content platform. Given that many of Amigo's users apparently use a bogus date of birth, you might want to remind your child about the implications of setting up a fake profile – such as being exposed to messages and videos that make them feel uncomfortable or feeling pressured into chatting with strangers.

ACTIVE LISTENING

If your child does approach you with a concern, make time to stop what you're doing and actively listen. Let them talk without interrupting or showing any judgement; then discuss their options and the possible solutions: this empowers them and reassures them that you're there to be supportive. If the issue is one that has put your child at risk, however, you may wish to contact the police.

Meet Our Expert

Dr Claire Smart is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Nursery

Can we please remind all our Nursery families to be ready at our entrance for your child's start time. When staff have to come out and let people in, it leaves the Nursery understaffed.

Thank you for your understanding.

Start times are **8.30am** or **9.00am** and **12pm** for afternoon sessions.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

Residential Trips

Our residential trips are fast approaching. Please remember that payments can be made conveniently via the MyEd app, or alternatively by contacting the office.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

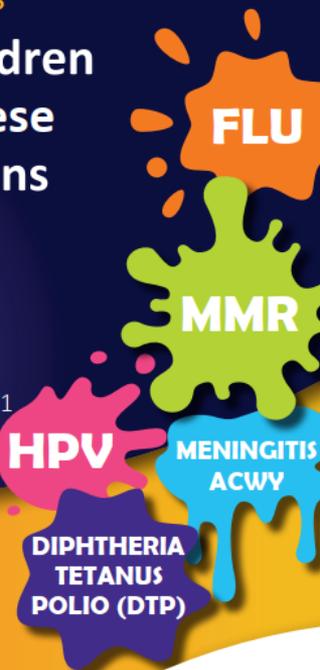

School aged vaccinations

Did you know children will be offered these routine vaccinations at school?

- ✓ **FLU** - Reception - Year 11
- ✓ **MMR** - Catch-up
- ✓ **HPV** - Year 8 - Year 11
- ✓ **Meningitis ACWY** - Year 9 - Year 11
- ✓ **Diphtheria, Tetanus, Polio (DTP)** - Year 9 - Year 11

Did you miss us?

We also have community clinics across Cornwall for:

- ✓ Home educated children
- ✓ Anxious children
- ✓ Children who missed the session at school
