

Top story this week

Dear families

Through the rain, the wind, the dark mornings and everything in between what a half term it has been. Despite the weather trying its best to dampen our spirits, the children have absolutely shone. Their progress, their confidence, and the joy they bring into school each day have been wonderful to see and every adult in school is so proud of them.

This week, the whole school has been buzzing around Safer Internet Day. It was such a pleasure to welcome so many of you to our Computing Celebration of Learning yesterday.

Each year group shared their work on AI, exploring the exciting opportunities it brings, while also reminding us of the vital messages about staying safe online. A huge thank you to our brilliant children and staff for their hard work, and to Mr Herman for coordinating such an important and inspiring event for our families.

Again, today has also been one of those magical school days where Beacon is alive with possibility. We've had vets, astronauts, teachers, engineers, artists, footballers, scientists, chefs, paramedics, authors and more walking through our doors as part of our Aspirations Day to round off our World of Work weeks. Seeing the children dressed as their future hopes and dreams has been a real highlight and a reminder of why we do what we do.

Looking ahead to next half term, there is so much to be excited about. The days will begin to brighten, the sunshine will make an appearance, and our calendar is packed with wonderful opportunities for learning and celebration. We have our Family Progress Meetings in the second week back (you will receive booking details on the first day back, which is an Inset Day), our Ignite Wonder Carnival week and geography celebration of learning, our Manchester City Adventure, and of course, the joy of World Book Day as we continue to celebrate reading for pleasure.

Wishing you all a restful, happy half term break. Please remember that the first Monday back is a staff training day and we look forward to welcoming the children back on **Tuesday 24th February**.

Warmest wishes,

EYFS 'Highlight of the Week'

Nursery

This week, we have been enjoying a counting activity counting with gems and finding the correct numerals. We have also been comparing sizes 'big' and 'small', through making different sized hearts with playdough.

Pre-School

This week in Pre-school we have enjoyed the story 'Shapeless Lee'. We have been labelling shapes through painting and taking turns playing a pairs game using shape cards.

Reception

This week in Reception we have enjoyed continuing our 'World of Work Week' learning. We had a very exciting visit from the firefighters from our community. We learnt all about how they help our community and all the important work they do. We got to see all the kit they use in emergencies

Wishing you all a wonderful half term and we are looking forward to next half term already!

KS1 'Highlight of the Week'

Year 1

Year 1 have had another brilliant week learning about coding in their computing unit, which linked perfectly with Internet Safety Day as we explored AI and smartphones, discussing how AI affects our lives now and, in the future, and how to use it safely and responsibly at school and at home. We also enjoyed Aspirations Day, where the children dressed up as their future selves in their chosen careers, showing fantastic enthusiasm and excitement. Well done Year 1 - have a lovely half term, and we look forward to seeing you refreshed for the second part of the spring term.

Year 2

Year 2 have been learning about how to be safe on the internet and the importance of asking for help, it's a smart thing!

Hopefully, you have heard them rapping away as they have learnt that they always need to ask for help when using a new game or app on a device.

We were so proud of their performance at the Internet Safety assembly, they were amazing! We have also loved hearing about their aspirations and seeing them dressed up in what they want to be when they are older.

Lower KS2 'Highlight of the Week'

Year 3

Year 3 have been making some beautiful detailed sculptures in Art this week using Modrock and wire. We have learned about the artwork of Robert Eynon and recreated some sculptures inspired by movement.

Year 3 have also had a fascinating visit from Imerys, who conducted science experiments with the children and told them all about the world of mining and China clay. Year 3 were proud ambassadors for Beacon, asking questions and conducting these experiments methodically and scientifically. Ask your child all about their assembly on AI – they have some great facts to share!

Year 4

It has been a very lovely week in Year 4. Children have been very engaged learning about sound and how we hear, especially looking at tuning forks and how they work! They completed several experiments and explorations using musical instruments and even an oscilloscope! We also enjoyed Aspirations Day, where the children dressed up as their future selves in their chosen careers. Amazing progress this term Year 4 - have a lovely, restful half term, and we look forward to seeing you ready for the second half of spring term.

Upper KS2 'Highlight of the Week'

Year 5

What a truly wonderful and productive week in Year 5! The team would like to take this opportunity to thank the children for their remarkable ICT presentation on Thursday afternoon; the way they shared their learning, spoke about their own experiences and highlighted the positives and negatives of using AI was truly inspirational. You are all a credit to yourselves and our school! Have a wonderful and well-deserved rest during the holidays.

Also, a final thank you for the amazing independent wishing tales this week. They are exceptional!

Year 6

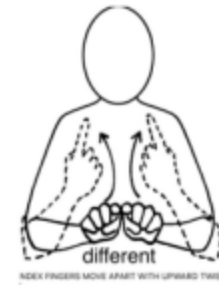

We have had a lovely final week of half term in Year 6. The children have continued to work incredibly hard, particularly in their writing. This week, we began our exciting new writing unit on Skellig, which has brought out great enthusiasm and curiosity. We are really looking forward to exploring this further when we return. We are also incredibly proud of how the children performed on Thursday during our ICT presentation. Today has been particularly special, as we enjoyed seeing the children dressed as what they aspire to be when they grow up. It was fantastic to see the creativity on display – keep aspiring high! Have a restful half term, we look forward to welcoming you back in a week's time.

What a lovely week to end this half term enjoying more outdoor learning time in some sunshine! We made animal shelters using junk modelling, created prints using fruit and paint, explored different textures in sensory play and had lots of time to learn with our friends in play activities. We hope everyone has a lovely half term.

◆ Important Safety Reminder for Families ★

We kindly ask that you do not park on the yellow school lines or at the top of the school drive near the school office during drop-off or collection times.

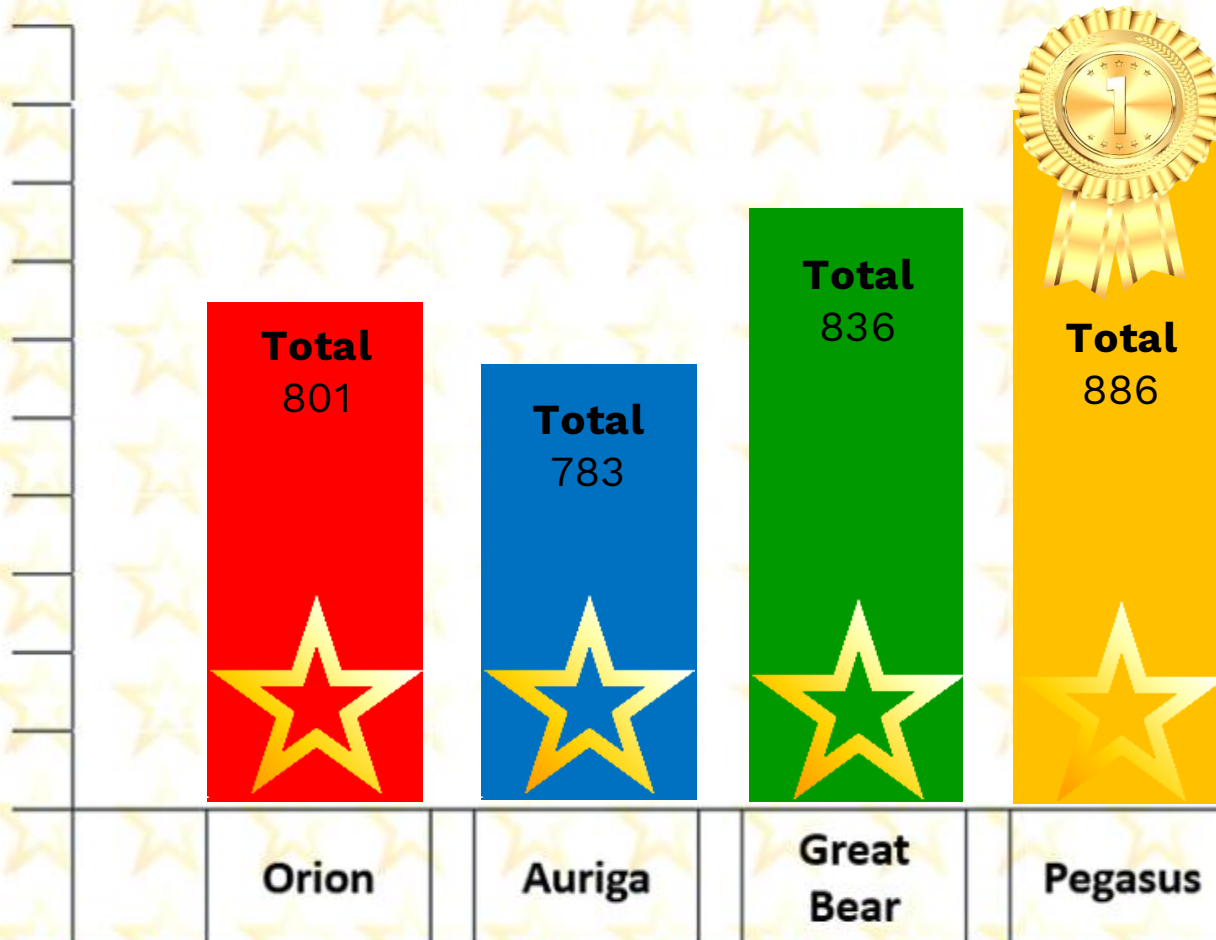

Parking in these areas **seriously compromises visibility** for children and other pedestrians crossing the road and **puts their safety at risk.**

Please help us keep all our children safe by parking responsibly and following school guidelines.

Thank you for your cooperation and support.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

IMPORTANT

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT REQUEST

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.

School aged vaccinations

Did you know children will be offered these routine vaccinations at school?

- ✓ **FLU** - Reception - Year 11
- ✓ **MMR** - Catch-up
- ✓ **HPV** - Year 8 - Year 11
- ✓ **Meningitis ACWY** - Year 9 - Year 11
- ✓ **Diphtheria, Tetanus, Polio (DTP)** - Year 9 - Year 11

Did you miss us?

We also have community clinics across Cornwall for:

- ✓ Home educated children
- ✓ Anxious children
- ✓ Children who missed the session at school
