

I can't quite believe we are already approaching the end of the first half of the spring term and here we are with lighter evenings creeping in and so much wonderful learning already behind us.

A huge thank you to all our visitors who joined us for World of Work Week. The children have been buzzing with excitement, sharing everything they've learned about the incredible range of jobs and careers out there.

## Top story this week

The theme this year has been about high aspirations, and we have talked a lot with the children about how their dreams can take many shapes, and that there's no single "right" path, but we want them to know that the world is full of possibilities waiting for them. Your support and the time our visitors have given has made this week inspiring for our children.

It was also lovely to welcome our Reception and Year 2 families into school this week to hear all about the exciting city and town adventures coming up in the summer term. Next week, we look forward to seeing our Year 1 families, and we'll also be holding a second session for Reception for anyone who couldn't make it the first time around.

Looking slightly ahead, the following week marks *Safer Internet Week*. This is such an important part of our curriculum, especially as the online world continues to grow and change. To celebrate their learning, the children would like to present what they've been working on to you next week. You should have already received information about how to sign up. Not only will you get to see your children share their understanding, but you'll also leave with practical tips and guidance to help keep everyone safe at home. This year's theme is **AI**, and the children have been exploring how it can be used positively, responsibly, and safely.

Thank you, as always, for your continued support.

Wishing you all a wonderful, restful weekend when it arrives.

## EYFS 'Highlight of the Week'

### Nursery

This week in Nursery we have continued our story 'The Tiger Who Came to Tea'. We have been developing our motor skills by creating tigers using the playdough. We have also been practising our new Makaton sign of the week 'to eat'.

### Pre-School

This week in Pre-school we have been retelling the story of 'The Three Billy Goats Gruff'. We have been planting cress in pots. We painted a face onto the cress pot to create our own troll's head.

### Reception

This week in Reception we have enjoyed learning all about people who help us for World of Work Week. We had a visit from the police on Monday, we learnt all about the different ways they keep us and our community safe. On Tuesday we had a video call from the hedgehog hospital to learn all about how to help hedgehogs if we find them in our community.

## KS1 'Highlight of the Week'

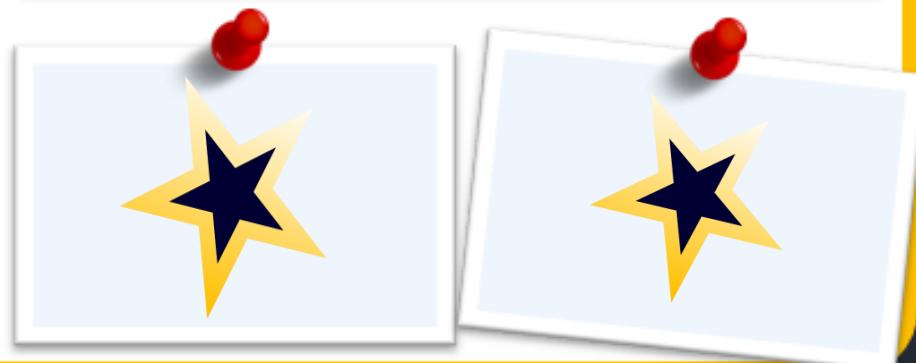

### Year 1

Year 1 have had an amazing and truly brilliant week! To celebrate World of Work Week, we were delighted to welcome the police, who taught the children all about their important job, their role in the community, how they became police officers, how they help keep us safe, and how to contact them if needed. We also had a role-play visitor, where the children had great fun trying on a range of outfits representing different jobs in the world today. It was wonderful to see their excitement and enthusiasm as they dressed up and explored different roles. Alongside this, in PSHE, we talked about dreams and goals, learning about the children's aspirations and the stepping stones they need to achieve them. The children have had an amazing week - well done, Year 1! ☀️

### Year 2

This week we have been learning all about the world of work. We had an exciting visit from the police this week, we learnt about how they help people and keep us safe. We were able to look at all the different equipment they use for the job, including cameras they wear and the different shields they use. They told us how they have trained dogs to sniff out and find stolen electronics. We also got to try on their different hats and helmets.

## Lower KS2 'Highlight of the Week'

### Year 3

Year 3 have had an exciting week getting inspired by our 'World of Work Week'. Year 3 were very lucky to have been taught some Makaton from our first visitor who was an adult social worker. She taught Year 3 all about how to become a social worker and explained how they help lots and lots of people. We also were lucky enough to have a video all about jewellery making, we were very excited to have the opportunity to even make a pair of earrings to take home! We ended the week having a visit from Smiths Removals who talked all about their important role in helping people move house and even to different countries. It has been an incredible week hearing all about different careers!

### Year 4

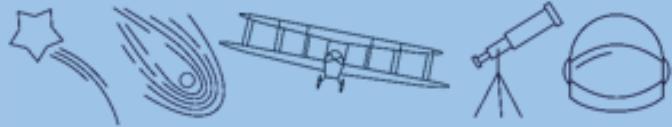

This week Year 4 have been inspired by our 'World of Work Week'. The first visitors were a paramedic and a community first responder (who attends the scene before an ambulance can get there). They taught Year 4 about their job, how they worked really hard in school to do what they do now and also taught them CPR! Year 4's next visitors were from Suez, the recycling company. They taught Year 4 about their job and what they want to do in the future. It has also been lovely to watch videos from people talking to Year 4 about their jobs, including lots of people from 'The Floor' and someone teaching Year 4 BSL! It also has been lovely hearing children so excited about their future.

## Upper KS2 'Highlight of the Week'

### Year 5

What a fantastic week we have had together for 'World of Work' Week. In the afternoons, four different visitors have come into school to talk about life as a beauty therapist, head chef, military policeman and what college courses children may like to do. All children were amazingly behaved and clearly inspired about what their futures may bring.

Alongside this, children have written some amazing innovations for their wishing tales, continue to make so much progress with their fraction's knowledge; and love their new text in reading lessons.

Keep shining brightly Year 5 – only 7 school weeks until Manchester!

### Year 6

What a brilliant week it has been in Year 6 for 'World of Work' week. We have had four amazing visitors come to see us to explore their careers as military police, head chef, life as a beauty therapist and what courses there are on offer at college. The children were so engrossed during these talks and asked some wonderful questions. It has really sparked inspiration for future careers.

As well as this, the children have continued writing their independent pieces following on from our journey tale, 'War Horse'. It has been a joy reading the high quality of writing being produced.

Cosmonauts 'Highlight of the Week'

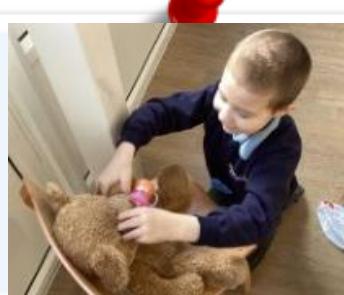

We have had a great week this week celebrating World of Work Week. First, we had a tour and a talk with Paws and Prickles, then we joined in with the pop-up play village where we all had lots of fun. We have also taken part in lots of role play this week, pretending to be construction workers, doctors, nurses and spa therapists.

## ◆ Important Safety Reminder for Families

We kindly ask that you do not park on the yellow school lines or at the top of the school drive near the school office during drop-off or collection times.

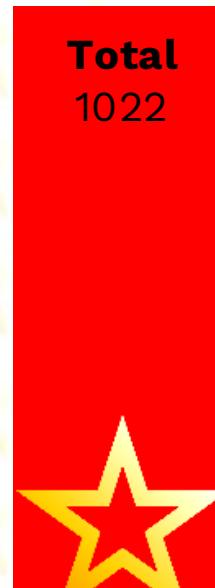

Parking in these areas **seriously compromises visibility** for children and other pedestrians crossing the road and **puts their safety at risk**.

Please help us keep all our children safe by parking responsibly and following school guidelines.

Thank you for your cooperation and support.

## Penalty Notices

A guide to Education Welfare Services  
for parents and carers

[www.cornwall.gov.uk/togetherforfamilies](http://www.cornwall.gov.uk/togetherforfamilies)

### What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

**NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)**

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

### Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

### How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

### **Penalty Notices are issued per parent, per child.**

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

### **Can a Penalty Notice be paid in instalments?**

**No.** Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

### **Who is responsible for issuing Penalty Notices?**

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

### **Can a parent appeal a Penalty Notice?**

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email [educationwelfare@cornwall.gov.uk](mailto:educationwelfare@cornwall.gov.uk)

### **How is a Penalty Notice paid?**

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

### **What happens if a Penalty Notice is not paid?**

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

**Cornwall Council may also apply for costs incurred in taking the matter to court.**

## Shining Brightly – Well done Reuben and Harry!

During their walks home from school last week, Reuben and his brother Henry noticed a growing amount of litter in the alley behind Beacon Academy. Wanting to make a positive difference, they decided to spend part of their weekend litter picking in the area.

Armed with determination (and a bin bag!), the boys managed to collect a full bag of rubbish helping to make the pathway cleaner and safer for everyone. Their efforts didn't go unnoticed—a passing dog walker was so impressed that they even gave the boys some pocket money as a thank you for their contribution to the community.

A huge well done to Reuben and Henry for showing such pride in their environment and setting a brilliant example for others.

### End of day pickups

We all experience problems from time to time collecting at the end of school day, the long queue, stuck in a traffic jam etc, so if you find the playground empty when collecting your child at the end of the day, please collect them from wraparound – situated in Spaceship class via the Y2 playground.

### **IMPORTANT**

Please can we remind all parents do not park, during drop off and collection, on the yellow Zigzags outside the school. This is for the safety of your children. Please help us keep our children safe.

### A Polite Request.

If you need to get a message to your child during the school day, please call the main office before 2:30pm to ensure the message is passed on.

### **IMPORTANT REQUEST**

Can we please ask parents when collecting children from school that you do not park in the bays above the bungalows. We had one resident today that could not park her car near her bungalow and due to being disabled this caused problems for her. Thank you for being respectful to our neighbours.
