

Top story this week

What a glorious week it has been. The sunshine has wrapped our school in a golden glow, and it has been such a delight to watch the children making the very most of our beautiful grounds. Their laughter, their games, and the sheer joy of being outdoors have brought such energy to every corner of the school. Moments like these remind us how lucky we are.

This week also brought the magic of Red Nose Day, and what a sight it was. The school transformed into a vibrant sea of red everywhere you looked. It was not just colourful. A heartfelt thank you for your generosity and support for this important charity.

Carnival Week – Coming Up Next!

Next week is Carnival Week. Every class will be fully immersed in exploring a different country, learning about its culture, customs, traditions, music, and celebrations. The children will be diving into stories, art, dance, food, and history as they prepare for our vibrant Parent Celebration and Carnival Parade at the end of the week. It's always a highlight, and we can't wait to see the creativity and pride the children bring to their learning.

Please don't forget this is the last week for clubs.

Wishing you all a wonderful weekend as we look forward to another colourful and exciting week ahead.

EYFS 'Highlight of the Week'

Nursery

In Nursery this week we have been singing our new song, 'Five Little Monkeys' and counting back from five. We have also been practising our new sign 'Where' this week.

Pre-School

This week in Pre-school we have enjoyed the story 'Peepo'. We have been discussing how we care for babies. Outside in the water tray we have been bathing and cleaning the babies.

Reception

This week in Reception we have been continuing our maths learning around doubles. We have been representing doubles in many ways including our fingers, numicon, numberblocks, dice and drawings. In Talk for Writing, we have been busy innovating and retelling our innovated stories using lots of adjectives to describe our new characters.

KS1 'Highlight of the Week'

Year 1

Year 1 have had a very busy and exciting week! In DT, we have been learning about pop-up mechanisms. The children explored different pop-up books and discussed how mechanisms are used in stories and everyday life to create a 3D effect. They then experimented with making their own mechanisms before designing and creating a pop-up page for our class book. Each child chose an animal, designed a background, and created a mechanism to make their animal move or pop out of the page. It was wonderful to see so much creativity in their work. Well done, Year 1! Have a brilliant weekend and keep shining brightly! ✨

Year 2

Year 2 have had another wonderful week of learning, and we are very proud of everything they have achieved. We have been learning to identify and count coins in our maths lessons and writing our explanation text about keeping healthy in our Talk For Writing.

In our geography lessons, we have been exploring why tourists visit Cornwall, looking at all the landmarks that are around us. Well done Year 2 – you are all fab!

Lower KS2 'Highlight of the Week'

Year 3

In Year 3 this week we have been learning all about the ancient Egyptians. We learnt about how Howard Carter discovered the tomb of Tutankhamun, and the significance of this. Year 3 were keen archaeologists and explored a range of artefacts that linked to the discovery of the tomb and were able to explain why this was such an important discovery at the time.

In Talk for Reading, we have been applying our understanding of the character traits within our story 'Arthur and the Golden Rope' and have completed the story by expanding on these character arcs, focusing on their personalities. Well done Year 3!

Year 4

Year 4 have had a busy and engaging week, immersing themselves in their design and technology learning. The children have been designing and creating their own machines to help Cornish miners, showing great problem-solving skills. As part of their project, they explored how mechanisms such as levers, pulleys, and gears work, and were able to identify examples of these in everyday life. It has been fantastic to see their enthusiasm!

Also, a big shout out to so many children earning golden hoodies this week and sitting on the special table at lunch! Get reading and quizzing everyone!

Upper KS2 'Highlight of the Week'

Year 5

This week, the excitement for our upcoming residential to Manchester can be felt by children and adults alike. A big thank you to those parents and families who attended our last meeting yesterday, and for those that did not, all information should have been sent to you today.

This week, children have excelled when beginning to write their own meeting tales, focused on using suspense. We have had everything from stories linked to Winnie-the-Pooh to Necromancers, and everything in between. It really is a credit to each child to see how far their writing has progressed throughout their time in Year 5. Have a lovely and restful weekend.

Year 6

Year 6 have had a fantastic week, showing great enthusiasm across all areas of learning. In maths, we have been building our understanding of percentages, fractions, and decimals, tackling new challenges with confidence. Our grammar focus has been punctuation, verbs, and nouns, helping us to strengthen our writing skills. Alongside this, we have continued to immerse ourselves in our reading, developing our comprehension and enjoyment of texts.

It has been so lovely to see the sun shining this week – have a wonderful weekend, we look forward to seeing you all on Monday.

Cosmonauts and Shine 'Highlight of the Week'

ARB

It has been such a delight to see the sunshine back this week and we have definitely been making the most of it and enjoying lots of water play. In our topic lessons, we have also learnt about different medieval foods, made caterpillar collages, explored hygiene and washing, by cleaning dolls and created caterpillar sandwiches and wrap pizzas.

In English, we have been writing our innovated stories based on 'The Hungry Caterpillar'

Shine

The children kicked off the week with a special kindness challenge, choosing to spread smiles around school by creating colorful paper hearts and cheerful pictures to hand out. Their enthusiasm for brightening other people's day was wonderful to see. They also thought about how they could help the whole school community, so they rolled up their sleeves, soaked their sponges, powered up the hose, and gave the minibus a full scrub, leaving it sparkling and shiny. Later in the week, we took a trip to B&M to pick up some more flowers for our garden, followed by a relaxed session making toasties together. We rounded off our busy week outdoors, enjoying the sunshine and getting stuck into our roles as busy gardeners, tending to our growing space with pride and excitement.

It has been a week full of kindness, teamwork, and sunshine-filled moments.

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

National Online Safety Information

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

How to Set up PARENTAL CONTROLS for APPS iPhone

Apple devices come with built-in apps already available: Mail, FaceTime and Safari, for example. However, you can choose which apps and features appear on your child's device and which ones don't. You can also manipulate the features in Game Centre to enhance your child's safety and privacy when playing games, as well as blocking iTunes or App Store purchases if you wish.

How to Restrict Built-in Apps/Features

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Allowed Apps (you may need to toggle this to 'on' at the top)
- 5 Enable or disable the apps you wish to appear (or disappear) on your child's device

How to Restrict Game Centre

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap Content Restrictions (you may need to switch the toggle at the top to the 'on' position)
- 5 Scroll down to Game Centre
- 6 Choose between Allow, Don't Allow, or Allow with Friends only in the settings for each feature

How to Restrict iTunes & App Store Purchases

- 1 Open Settings
- 2 Tap Screen Time
- 3 Tap Content & Privacy Restrictions
- 4 Tap iTunes & App Store Purchases
- 5 Select Allow or Don't Allow for each feature (you can also lock these settings with a password)
