

We have had another super week of learning across school this week. Every adult is so proud of the achievements of how settled the children are and how much progress they are already making. Next week you will receive information regarding our upcoming parent consultations taking place before the half term break.

Top story this week

It was great to see so many of our parents at our SEND workshop. I hope that the parents who were able to attend found the meeting useful, we will certainly be holding more sessions as the year progresses. Huge thanks to Mrs Alway and Miss Collings for the informative meeting.

Next Tuesday we are inviting the parents of our Reception and Year 1 children into school for our Early Reading workshop lead by our Phonics Lead Mrs Causebrook. This workshop gives you the opportunity to see how we teach children to read at Beacon, watch a lesson in action and learn how you can support your child at home. I do hope that you are able to join us, the session last year was brilliant.

Over the next few weeks, we have a number of schools visiting us to learn about how we teach reading and writing at Beacon. As a Talk for Writing Training Centre, we regularly have people visiting us to look at teaching and learning across the school, we are super proud of our staff and children who always excel and show what excellent learners they are.

Thank you for your continued support.

EYFS 'Highlight of the Week'

Nursery

Hugless Douglas made an appearance in Nursery this week. He keeps popping up in different places wanting a great big hug. We talked about how it is important to ask if you can hug someone and who gives the best hugs. Douglas thought it was his mum, and we thought of some other people too.

Reception

Reception have had the best week learning our new talk for writing text 'The Three Little Pigs'. We have been retelling the story using our story map and actions. We have also loved retelling the story using the props in our storytelling tuff spot, especially being the big bad wolf! We really all are super storytellers.

KS1 'Highlight of the Week'

Year 1

This week Year 1 have been artists, focusing on self-portraits. They have explored the work of famous artists, experimented with different mediums and learnt to mix colours. They finished by creating their own self-portraits and I think you'll agree that the results were amazing. Well done Year 1!

Year 2

A fabulous week of learning our first Talk for Writing text – The Gingerbread Man. We are so proud of everyone's enthusiasm and hard work learning the text and telling it confidently with actions. Everyone enjoyed drawing their own story maps and they are fantastic; we certainly have some creative children in Year 2. We are excited to start writing the story next week with our new wonderfully imaginative characters!

Lower KS2 'Highlight of the Week'

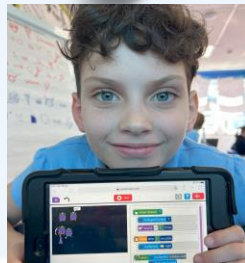

Year 3

We have had a wonderful week in Year 3. They have continued their learning of number and place value in Maths and have been exploring wonderful women (Katherine Johnson) in Reading. We also had Plymouth Argyle in again for PE which the children loved. We have been learning all about coding in computing the children are now experts.

Year 4

This week, Year 4 have been immersing themselves in their new Talk for Writing text 'Perseus and the Gorgon's Head'. The children blew us away with their fantastic storytelling, detailed story maps, and their understanding of challenging vocabulary. We are looking forward to using the text to support us with our writing next week.

Year 5

Comets and Meteors have thoroughly enjoyed all aspects of the curriculum this week. It's hard to believe that we have packed so much learning into only 5 days! On Monday, we were all very eager to delve deeper into our class story, 'Wolf Brother,' and begin our new Talk for Writing unit. The children have amazed us with their ability to learn extracts of the text off by heart and develop actions that demonstrate their understanding of tricky phrases. During the afternoons, we have all been in the 'Learning Pit' and discovered how rivers affect the shape of the land through erosion, transportation and desposition. Another super week. Year 5... you are amazing!

Year 6

What a week we have had in Year 6 – it has been so jam-packed that it seems to have gone by in a flash.

Everyone has been working diligently to plan their innovation piece in Talk for Writing next week and are now eager to get started.

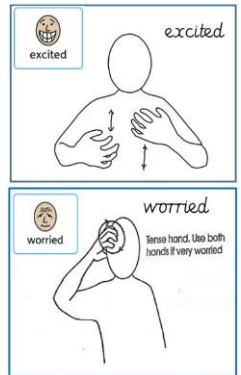

We were also incredibly lucky to get a glimpse of sunshine for our P.E lesson on Wednesday where we really pushed our fitness levels.

Cosmonauts and Shine 'Highlight of the Week'

Makaton sign of the week

ARB

This week we started our space topic, the children have enjoyed exploring how craters are made, creating galaxy and planet art, and making edible constellations and space rockets. The children have also, as always, been working extremely hard on their individual target work and it is amazing to see them all trying so hard.

Shine

This week Shine have enjoyed spending more time with our new friend, Waffle the guinea pig! We created Autumn collages with Mrs Knight using pretty leaves. We also had our first shopping trip to buy ingredients to make cheese and onion pasties. We spent some time together playing social games and making scented sensory dough and painted pasta. Finally, we blasted out some music in Rock Steady and started learning a new song!

Did You Know... ?

If Your Child's Attendance During the School Year...	Your Child Would Have Lost Approximately...	or They Would Have Missed Approximately...

was 90%	19 Days from School	100 Lessons

Getting Your Child to School Really Matters

In total there are 175 non-school days a year. This gives families the opportunity to:

- Spend time together
 - Go on family visits and days out
 - Go on holiday
 - Go shopping
 - Attend routine appointments.
- Holidays will not be authorised.

Taking a holiday during term time seriously affects your attendance and in turn your attainment. Booking holidays during term time may result in a fixed penalty notice.

As always, if you have any questions or if you need some support with your child's attendance, please contact our Attendance Officer Helen Sowden

Penalty Notices

A guide to Education Welfare Services
for parents and carers

www.cornwall.gov.uk/togetherforfamilies

What is a Penalty Notice?

A Penalty Notice is a fine that can be issued under section 444A and section 444B of the Education Act 1996. The fine is issued per parent, per child for:

- Leave of absence of 12 school sessions /6 school days or more (within any 100 school session period) during term time, without authorisation from the school, for a holiday for example
- Unauthorised absence of 12 school sessions /6 school days or more (within any 100 school session period) of absence from school, either when a parent fails to provide an explanation, or an explanation is provided but the school consider it insufficient to authorise
- Unauthorised lateness of 12 school sessions /6 school days or more (within any 100 school session period), resulting from arrival at school after the register has closed

NB A Penalty Notice can be issued for any combination of the above reasons, where the unauthorised absence from school results in 12 sessions /6 school days or more (within any 100 session period)

Or, when:

- A pupil is observed in a public place during school hours, in the first five school days of a period of exclusion from school, without reasonable justification

Who can be issued with a Penalty Notice?

Parents and carers of a child can be issued with a Penalty Notice. The definition of a 'parent' as set out in section 576 of the Education Act 1996: By virtue of this section 'parent' includes: all natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and any person who, although not a natural parent, has care of a child. Having care of a child means a person who lives with and looks after a child, irrespective of what their relationship is with said child.

How much is a Penalty Notice fine?

A Penalty Notice carries a fine of £60.00 if paid within 21 days of issue, doubling to £120.00 if paid after 21 but within 28 days.

Attendance Information

Penalty Notices are issued per parent, per child.

Therefore, for example, if there are two parents and two children, the fines will total £240.00 if paid within 21 days and £480.00 if paid after 21 days but within 28 days.

Can a Penalty Notice be paid in instalments?

No. Penalty Notices must be paid in full, within the designated dates. However, if a parent has more than one child and is therefore issued with more than one fine, they can pay the fines separately if they wish.

Who is responsible for issuing Penalty Notices?

It is a Headteacher's decision whether or not to authorise an absence and, if their decision is not to authorise, they have the right to request a Penalty Notice in line with their attendance policy process. Cornwall Council's role is to check that the evidence submitted is compliant with Cornwall Council's Code of Conduct for Education Related Penalty Notices and, if so, to issue as appropriate.

Can a parent appeal a Penalty Notice?

There is no statutory right of appeal once a Penalty Notice has been issued. If you believe that the Penalty Notice should not have been issued, you should make contact with the school or academy that your child attends at your very earliest convenience after receiving the Penalty Notice. If you wish to discuss the Penalty Notice procedure, you can contact Cornwall Council's Education Welfare Service on **01872 323400**, or email educationwelfare@cornwall.gov.uk

How is a Penalty Notice paid?

Penalty Notices can be paid by card by calling the office on 01872 323400. Alternatively, payment can be made by cash or cheque at any Cornwall Council Information Service. If the 21st/28th day for payment falls on a weekend or bank holiday, payment will be accepted at the same rate on the following working day.

What happens if a Penalty Notice is not paid?

If a Penalty Notice is not paid within the 28 days of issue (as per the dates listed on the Penalty Notice), Cornwall Council will progress the matter to the Magistrates' Court, for the offence of failing to ensure regular attendance, NOT for failure to pay the fine.

If found guilty:

- under section 444(1), it can result in the parent being fined up to £1000
- under section 444(1A), it can result in the parent being fined up to £2,500 and/or receiving a custodial sentence of up to 3 months

Cornwall Council may also apply for costs incurred in taking the matter to court.

RECEPTION CLASSES

Can we please remind all our Reception parents that the children need to bring in named, wellies each week.

We try to spend as much time outside as possible and with the weather as it has been wellies are essential.

IMPORTANT

Please can we remind you all that children are not allowed to ride their bike or scooter on school grounds during drop off or collection times.

A Polite Request.

If you need to get a message to your child during the school day, please call the main office before **2:30pm** to ensure the message is passed on.

IMPORTANT

We continue to be so proud of how well our children are responding to their learning and the progress they are making. In order to do this, it is so important that our children come to school with a positive attitude to learning in the correct school uniform and on time. Please talk to our team if we can help you with any aspect of this.
