Ignite Wonder

Our children experience many opportunities:

Visitors and workshops providing children with a wide range of experiences and emersion into different cultures, religions and beliefs.

Trips to local parishes, churches and local libraries/museums with religious artifacts.

Christmas performances and plays

St Piran's Day

Harvest festival celebration

Aspirations day

Residentials

Afterschool club celebrating cultures and religions around the world.

Bebrave

Bebrilliant

Believe

Beacon

Shine brightly as a
Theologists

Bebrave ADVENTURE

Exposes our children to a rich and diverse world that is full of colour, music, creativity and celebration. Providing our children with the opportunity to see a world beyond their own, that will inspire and influence their future choices.

Intent

Pupils at Beacon are able to develop an understanding and appreciation for the expression of beliefs, cultural practices and influence of principle relations and worldviews in the local, national and wider global community. Children will develop their discussion and reflection skills and build on becoming resilient, accepting, mindful and inquisitive learners.

BeBrilliant CULTURAL DIVERSITY

Enables our children to develop a growth mindset, by exposure to challenging experiences that allow our children to question and explore opportunities that will enable them to become confident and resilient in all areas of their lives.

Vision

At Beacon Academy we believe that effective, high quality religious education is essential in preparing our pupils for a purposeful, inclusive life in a culturally diverse society and wider world.

We want to engage, inspire, challenge and encourage children to be excited to learn about the religious beliefs and the worldview of others. We believe children should have opportunity to develop the skills and knowledge to ask challenging questions and articulate their personal beliefs, ideas, values and experiences, whilst respecting the right of others to differ.

Through building an understanding of religious traditions, beliefs and practices that are followed in our multicultural society and around the world, we will enable children to combat prejudice, inspire empathy, show generosity and compassion. Furthermore, ensuring we are providing our children the best possible start for life in Modern Britain.

Implementation

The Jigsaw RE curriculum is delivered through quality first teaching and is in accordance to the Cornwall Agreed Syllabus, incorporating Curriculum Kernewek. This scheme also provides opportunities for SMSC throughout and further promotes British Values, Protective Characteristics, The Prevent Duty and Personal Development.

Believe POSSIBILITIES

Allows our children to explore the world around them, knowing that the experiences they gain will enhance their lives and open doors to new adventures.

Impact

By the time children leave Beacon they will; have a deep understanding of the main religions of the world and their community; understand the relevance of RE in today's modern world; be able to learn from and work alongside each other to create community cohesion; make links between their own lives and others; show respect, tolerance and understanding for all.
